# PROGRAM OVERVIEW

**BJA**  
Bureau of Justice Assistance  
U.S. Department of Justice

# Background Information

- To address emerging issues and build capacity to improve the administration of criminal justice, BJA launched the BJA Visiting Fellows Program in FY 2012.
- The intent was to leverage state, local, and/or tribal subject matter expertise to assess areas of need and develop strategies, tools, and policies in collaboration with BJA staff to benefit the criminal justice field.
- The purpose of each fellowship is to make important policy and programmatic contributions in a focus area of criminal justice practice.
- Fellows will collaborate with BJA and DOJ staff to provide critical outreach, data, research, and subject-matter expertise to inform the development of new BJA strategies and programs to benefit the field.

# Specific Information

- The Visiting Fellows Program creates an opportunity for BJA to collaborate with practitioners, advocates, and researchers to build capacity to address gaps in priority and emerging issues in the criminal justice field.
- Under this solicitation, BJA seeks to host up to 8 fellows from a broad range of disciplines to propose strategies related to crime and justice that will address one of the 6 areas of focus.
- Fellows are expected to be subject matter experts and self-starters who can work in a fast-paced environment. Additionally, fellows must proactively manage their planned work while collaborating with BJA staff and adjusting to the needs of the project and other work across BJA.
- Fellows will be expected to produce specific deliverables that address their respective focus areas, such as outreach to BJA stakeholders, applied research tools, training curricula or toolkits, articles or publications, and provision of technical assistance using their subject matter expertise. Further, they will work with BJA on enhancing strategies and building capacity, then bring their fellowship experience back into the field.

# Application Tips

Don't wait until the deadline to apply!  
Refer to the application checklist.

## Important Dates

- **June 13, 2023, 8:59 p.m. ET: Deadline to submit the SF-424 and SF-LLL in Grants.gov**
- **June 20, 2023, 8:59 p.m. ET: Deadline to submit the full application in JustGrants.**

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates to allow sufficient time to correct errors and resubmit by the submission deadlines if a rejection notification is received.

# Program Objectives

- Work with BJA to assess the technical assistance, training, and capacity-building needs in one of the focus areas in the solicitation.
- Bring real world and lived experience and knowledge to BJA that enhances staff's ability to deliver relevant and effective tools to the field.
- Support the development of criminal justice practitioners, researchers, and BJA/OJP staff members to advance BJA's mission.

# Budget and Budget Narrative

- The funding level for each visiting fellow will be largely determined by the total package submitted in the application, which may include salary and expenses, travel to and from their home to BJA, housing expenses, other travel, equipment, and other limited administrative expenses. **BJA will not fund salary (or costs) for any person other than the person to be placed in the fellowship, with the following exception:** BJA will fund small costs for a support staff person or contractor to perform support functions in completing research and/or analysis, meeting support, or document development insofar they are a core need to accomplish the goal of the fellowship. The needs must be fully documented in the budget worksheet and budget narrative and be clearly tied to the proposed fellowship activities.

For this residency period, BJA will provide the necessary workspace, equipment, and access to required systems and the Internet.
- BJA Fellow will have an opportunity to work closely with the assigned BJA team, participating in key meetings and activities. BJA offers a flexible work environment that supports virtual and in-person work options through a combination of telework and travels to Washington, D.C., as needed.
- Applicants should allot time before and after their residency period at BJA to begin the proposed fellowship work and complete deliverables. The total fellowship, including both the pre- and post-work and residency period, will last no longer than 24 months. During this period, it is estimated that about 30 percent of the time will be devoted to collaborative work with BJA staff and leadership that complements the planned projects described in the fellowship agreement.
- BJA will consider a residency period of less than 9 months or full-time or a part-time schedule (e.g., 20 hours per week) for a longer period such as 1 year only if the applicant makes the case that they will still satisfactorily accomplish the solicitation’s goal.

## SAM.gov Entity Validation Update [🔗](#)

GSA implemented a new process to validate an entity's legal business name and physical address when requesting a Unique Entity Identifier (UEI) and for completing a SAM.gov entity registration. Due to a high volume of requests, entity validations are taking longer than expected to process. This validation process is now taking 7-10 business days, and in some cases longer.

**OJP strongly recommends starting your SAM.gov registration process as soon as possible to allow the time necessary to process entity validations well in advance of the Grants.gov due date posted in the solicitation.** Read [this FAQ](#) for more information.

The Office of Justice Programs (OJP) Grant Application Resource Guide ("Guide") provides guidance to assist OJP grant applicants in preparing and submitting applications for OJP funding. It addresses a variety of policies, statutes, and regulations that apply to many (or in some cases, all) OJP program applicants, or to grants and cooperative agreements awarded in fiscal year (FY) 2023. Some OJP programs may have program solicitations that expressly modify a provision of this Guide; in such cases, the applicant is to follow the guidelines in the solicitation as to any such expressly modified provision.
