

Correction Notice: STOP School Violence Program FY 2019 Funding Webinar

Webinar held: 4/22/2019

Transcript Update (5/9/2019):

During the webinar, questions were asked regarding if previously funded grantees could apply again through the STOP School Violence opportunities. To clarify the answer(s) provided during the webinar, grantees that were funded last year *are* eligible to apply again for FY 2019 funding. However, the FY 2019 funding has to be used for something the grantees were not funded to do with the FY 2018 funding. The [transcript file](#) has been adjusted accordingly.

Presentation Update (5/9/2019):

Slide 3 of the PowerPoint presentation originally indicated that priority consideration would be given to applicants proposing a match. However, this is no longer the case. The [presentation file](#) has been adjusted accordingly.
