# Synopsis

## Program Description Overview

The [U.S. Department of Justice](#) (DOJ), [Office of Justice Programs](#) (OJP), [Bureau of Justice Assistance](#), (BJA), is seeking applications for funding.

OJP is committed to advancing work that promotes civil rights and equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety, protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

The Second Chance Act (SCA) Community-based Reentry Program supports organizations and tribal governments providing comprehensive reentry services to individuals who have been incarcerated. With this solicitation, BJA seeks applications for funding from community-based non-profit organizations and federally recognized tribal governments to enhance or implement evidence-based responses to improve reentry, reduce recidivism, and support successful transitional planning for individuals who are currently, or were formerly, involved in the criminal justice system. Prior to their release from incarceration, individuals will be screened, assessed, and identified for program participation. Following release from incarceration, participants will receive intensive case management services and they will be connected to evidence-based programming designed to assist with a safe and seamless transition to their communities.

This solicitation is part of BJA's suite of SCA programs. In FY 2024, a range of programs for states, local units of government, nonprofit organizations, and tribal governments is being competed, including:

- Community-based Reentry Incubator Program
- Community Supervision Strategies
- Improving Adult and Youth Crisis Stabilization and Community Reentry
- Improving Reentry Education and Employment Outcomes Program
- Improving Substance Use Disorder Treatment and Recovery Outcomes for Adults in Reentry Program
- Pay for Success
- Smart Reentry
- Smart Supervision

More information about these funding opportunities can be found in the [Department of Justice Grants Program Plan](#).

This program furthers the DOJ's mission to uphold the rule of law, to keep our country safe, and to protect civil rights.

## Eligibility

- Native American tribal governments (federally recognized)
- Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education

An applicant may submit more than one application, if each application proposes a different project in response to the solicitation. Also, an entity may be proposed as a subrecipient (subgrantee) in more than one application.

BJA will consider applications under which two or more entities (project partners) would carry out the federal award; however, only one entity may be the applicant for the solicitation. Any others must be proposed as subrecipients (subgrantees). See the [Application Resource Guide](#) for additional information on subawards.

BJA may choose to fund applications submitted under this FY 2024 solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and the availability of appropriations.

### **Agency Contact Information**

For assistance with the requirements of this solicitation, contact the OJP Response Center by phone at 800-851-3420 or 301-240-6310 (TTY for hearing-impaired callers only) or email [grants@ncjrs.gov](mailto:grants@ncjrs.gov). # Program Description

## Program Description Overview

The SCA Community-based Reentry Program supports organizations and tribal governments providing comprehensive reentry services to individuals who have been incarcerated. Prior to their release from incarceration, individuals will be screened, assessed, and identified for program participation. Following release from incarceration, participants will receive intensive case management services and they will be connected to evidence-based programming designed to assist with a safe and seamless transition to their communities.

## Statutory Authority

Pub. L. No. 110-199, Sec. 211 (34 U.S.C. 60531); any awards under this solicitation would be made under statutory authority provided by a full-year appropriations act for FY 2024. As of the writing of this solicitation, the Department of Justice is operating under a short-term "Continuing Resolution"; no full-year appropriation for the Department has been enacted for FY 2024.

## Specific Information

The SCA Community-based Reentry Program provides funding to community-based organizations and tribal governments who are providing reentry services to individuals who have been incarcerated as part of a comprehensive response. These services include both pre- and post-release programming and reentry support. Prior to release from incarceration, individuals should be screened, assessed, and identified for program participation. Applicants should build pre-release access into the proposed programming plan, including case management services and evidence-based interventions. Applicants should demonstrate they will be able to have pre-release access to assess eligibility for the program. Following release from incarceration, participants should receive case management services and be connected to evidence-based programming designed to ensure that the transition from prison or jail to the community is successful. In order to facilitate a full continuum of services, it is expected that the applicant organizations will have active partnerships with a range of local stakeholders, including corrections.

Funds awarded under this program support individuals at moderate to high risk for recidivism. Applicants are encouraged to think holistically about the needs of the potential program participants and what supports and resources are needed in their local communities. A wide range of supports and services for individuals/participants at moderate to high risk for recidivism may be supported using funds under this program. Services should be informed by risk and needs assessments and be articulated in individualized case plans. Supports and services can include, but are not limited to:

- Service coordination and tracking.
- Gender-specific and trauma-informed programming and services.
- Individual and/or group mentoring.
- Peer supports.
- Educational, literacy, and vocational services.
- Substance use and mental health disorder treatment and recovery services.
- Connections to physical health care.
- Services to support family reunification and restoration.
- Assistance in providing or making referrals for safe and affordable housing.

- Civil legal assistance services, including support for:
  - Securing a driver's license or other state government-issued identification.
  - Expunging criminal records (see [Clean Slate Clearinghouse](#)).
  - Litigating inappropriate denials of housing or employment and violations of the Fair Credit Reporting Act.
  - Creating and/or modifying child support orders.
  - Providing other family law services that help stabilize individuals and families impacted by incarceration.
- Staff training to improve competency in working with and supporting the needs of individuals who are, or have been, incarcerated. Trainings can also be provided that support staff in delivering interventions that have evidence of effectiveness, providing robust support services and documenting referrals, collecting reporting data, and replicating promising models that integrate coordination and collaboration across systems.

All grantees will receive no-cost training and technical assistance support to help them implement their proposed projects, including content and project management expertise through distance-based and in-person meetings with an assigned coach.

## **Solicitation Goals and Objectives**

### **Goals**

The goal of this program is to strengthen communities by improving reentry outcomes for individuals who have been incarcerated and reducing recidivism.

### **Objectives**

Objectives for this program are to:

- Develop comprehensive individualized case management plans that directly address criminogenic risks and needs, as identified by validated assessments/tools, and deliver or facilitate services in a manner consistent with participants' learning styles and abilities.
- Demonstrate increased collaborations between community-based organizations and corrections, community supervision, law enforcement, and other local reentry stakeholders.

For information about what the applicant needs to submit regarding Goals, Objectives, and Deliverables, please see the [How to Apply section on the Application Goals, Objectives, Deliverables, and Timeline Web-Based Form](#).

### **Priority Areas**

In order to further OJP's mission, OJP will provide priority consideration when making award decisions to the following:

**1A.** Applications that propose project(s) that are designed to meaningfully advance equity and remove barriers to accessing services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

To receive this consideration, the applicant must describe how the proposed project(s) will address identified inequities **and** contribute to greater access to services and opportunities for

communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization. Project activities under this consideration may include but are not limited to the following: improving victim services, justice responses, prevention initiatives, reentry services and other parts of an organization's or community's efforts to advance public safety. Applicants should propose activities that address the cultural (and linguistic, if appropriate) needs of communities, outline how the proposed activities will be informed by these communities, and implement culturally responsive and inclusive outreach and engagement.

**1B.** Applicants that demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because they (or at least one proposed subrecipient that will receive **at least 40 percent** of the requested award funding, as demonstrated in the Budget web-based form) are a *population specific organization* that serves communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

For purposes of this solicitation, population specific organizations are nonprofit, nongovernmental, or Tribal organizations that primarily serve members of a specific underserved population and have demonstrated experience and expertise providing targeted services to members of that specific underserved population.

To receive this additional priority consideration, applicants must describe how being a population specific organization (or funding the population specific subrecipient organization(s)) will enhance their ability to implement the proposed project(s), and they should also specify which historically underserved populations are intended or expected to be served or have their needs addressed under the proposed project(s).

**2. Additional Priority Consideration.** As articulated in the Second Chance Act, priority consideration will be given to applications that provide for an independent evaluation that includes, to the maximum extent feasible, random assignment of program participants to program delivery and control groups.

To pursue this priority consideration, the applicant must specify in their proposal narrative how they will engage an evaluation partner who is not otherwise associated with the project (e.g., university-based researcher, private research company) to assess and determine the nature and value of the work funded under the grant award. The applicant must also explain in their proposal narrative the level of rigor envisioned for the evaluation. That is, the applicant must explain how they will balance the practical realities of implementation (such as recruitment, enrollment and availability of data related to service use) with an evaluation design that establishes trust and confidence in the results.

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee an award.

## **Federal Award Information**

### **Awards, Amounts, and Durations**

Anticipated Number of Awards: Up to 15

Anticipated Maximum Dollar Amount per Award: Up to \$750,000

Period of Performance Start Date: October 1, 2024

Period of Performance Duration (Months): 36

Anticipated Total Amount to Be Awarded Under This Solicitation: \$9,750,000

Additional information: While the maximum allowable funding amount is \$750,000, OJP encourages applicants, including those that are new or that have never before received a federal award, to submit a proposed budget that best supports their project objectives and organizational capabilities, even if the proposed budget is at a lower amount than the maximum allowable funding level.

### **Continuation Funding Intent**

OJP may, in certain cases, provide additional funding in future years to awards made under this funding opportunity through continuation awards. OJP will consider, among other factors, OJP's strategic priorities, a recipient's overall management of the award, and the progress of the work funded under the award, when making continuation award decisions.

### **Availability of Funds**

This funding opportunity, and awards under this funding opportunity, are subject to the availability of funding and to any changes or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

### **Type of Award**

OJP expects to make awards under this funding opportunity as grants. ### **Cost Sharing or Matching Requirement**

This funding opportunity does not require a match.

### **Eligibility Information**

For eligibility information, [see the Synopsis section](#).

# How To Apply

## Application Resources

When preparing and submitting an application, the following resources may aid prospective applicants:

1. Grants.gov [“How to Apply for Grants”](#)
2. OJP [“How To Apply”](#) section in the [Application Resource Guide](#)
3. JustGrants [Application Submission Training](#)

This solicitation (notice of funding opportunity) incorporates guidance provided in the [OJP Grant Application Resource Guide](#) (Application Resource Guide), which provides additional information for applicants to prepare and submit applications to OJP for funding. **If this solicitation requires something different from any guidance provided in the [Application Resource Guide](#), the difference will be noted in this solicitation and the applicant is to follow the guidelines in this solicitation, rather than the guidance in the [Application Resource Guide](#) that is in conflict.**

## How To Apply

### Registration

Before submitting an application, all applicants must register with the System for Award Management (SAM.gov). An applicant must renew their registration every 12 months. If an applicant does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Applicants are encouraged to start the SAM.gov registration process at least 30 days prior to the application deadlines. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not complete the process in time and will not be considered for late submission.

### Submission

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants.

**Step 1:** After registering with SAM.gov, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <https://grants.gov/register> by the Grants.gov deadline. **To leave time to address any technical issues that may arise, an applicant should submit the SF-424 and SF-LLL as early as possible and recommended not later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit in Grants.gov by the deadline, they will be unable to apply in JustGrants. Applicants can confirm Grants.gov submission by verifying their application status shows as “submitted” or “agency tracking number assigned.”

**Step 2:** The applicant must then submit the **full application**, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://justgrants.usdoj.gov) by the JustGrants deadline.

OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline. Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare all the requirements of the application. Applicants may save their progress

in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants.

An applicant will receive emails when successfully submitting in Grants.gov and JustGrants and should maintain all emails and other confirmations received from SAM.gov, Grants.gov, and JustGrants systems.

For additional information, see the “How To Apply” section in the [Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

### **Submission Dates and Time**

The **SF-424 and the SF-LLL** must be submitted in Grants.gov by April 29, 2024, 8:59 p.m. ET.

The **full application** must be submitted in JustGrants by May 06, 2024, 8:59 p.m. ET.

To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time (i.e., waiting until the due dates identified in this solicitation for those systems to begin the application steps) is not an acceptable reason to request a technical waiver.

### **Experiencing Unforeseen Technical Issues Preventing Submission of an Application (Technical Waivers)**

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented submission of the application on time.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. A tracking number is the most typical documentation and is generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks, and for this reason, long call wait times for support do not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov: contact the [SAM.gov Help Desk \(Federal Service Desk\)](#), Monday–Friday from 8:00 a.m. to 8:00 p.m. ET at 866-606-8220.
- Grants.gov: contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or [support@grants.gov](mailto:support@grants.gov).
- JustGrants: contact the JustGrants Service Desk at [JustGrants.Support@usdoj.gov](mailto:JustGrants.Support@usdoj.gov) or 833-872-5175, Monday–Friday from 7:00 a.m. to 9:00 p.m. ET and Saturday, Sunday, and federal holidays from 9:00 a.m. to 5:00 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must —

- describe the technical difficulties experienced (provide screenshots if applicable);
- include a timeline of the applicant’s submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded);
- include an attachment of the complete grant application and all the required documentation and materials;
- include the applicant’s Unique Entity Identifier (UEI); and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information listed above), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [Application Resource Guide](#).

## **Application and Submission Information**

### **Content of Application Submission and Available Surveys**

The following application elements **must** be included in the application to meet the basic minimum requirements to advance to peer review and receive consideration for funding:

- SF-424 and SF-LLL (in Grants.gov)
- Proposal Abstract (in JustGrants)
- Proposal Narrative (in JustGrants)
- Budget Web-Based Form, which includes the budget details and the budget narrative (in JustGrants)

If OJP determines that an application does not include these elements, it will not proceed to peer review and will not receive any further consideration.

### **Content of the SF-424 in Grants.gov**

The SF-424 must be submitted in Grants.gov. It is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See the [Application Resource Guide](#) for additional information on completing the SF-424.

In Section 8F of the SF-424, please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*email address*) to assign the application to this user in JustGrants.

**Intergovernmental Review:** This funding opportunity **is not** subject to [Executive Order \(E.O.\) 12372](#). In completing the SF-424, an applicant should answer question 19 by selecting “Program is not covered by E.O. 12372.”

## **Content of the JustGrants Application Submission**

### ***Entity and User Verification (First Time Applicant)***

For first time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from [DIAMD-NoReply@usdoj.gov](mailto:DIAMD-NoReply@usdoj.gov)) to the individual listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. This email should arrive within 24 hours after this individual receives confirmation from Grants.gov of their SF-424 and SF-LLL submissions. Register the Entity Administrator (the person who manages who can access JustGrants on behalf of the applicant), the Application Submitter, and Authorized Representative for the applicant with JustGrants as early as possible and (recommended) not later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Find additional information on JustGrants Application Submission in the [Application Resource Guide](#).

### ***Standard Applicant Information***

The “Standard Applicant Information” section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and make edits as needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and verify and confirm the organization’s unique entity identifier, legal name, and address.

### ***Proposal Abstract***

A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known)—must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. See the [Application Resource Guide](#) for an [example](#) of a proposal abstract.

### ***Data Requested With Application***

The following application elements should be submitted in the web-based forms in JustGrants.

#### ***Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High Risk Status)***

The Financial Management and System of Internal Controls Questionnaire helps OJP assess the financial management and internal control systems, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based Questionnaire form in JustGrants. See the [Application Resource Guide: Financial Management and System of Internal Controls Questionnaire \(including Applicant Disclosure of High Risk Status\)](#) for additional guidance on how to complete the questionnaire.

## Brief Applicant Entity Questionnaire

The Office of Justice Programs (OJP) is collecting the following information to help assess its efforts to attract a broader range of applicants. These questions apply to the applicant entity and its work and scope only, and not to the specific project(s) being proposed within the application. Responses to the questions will not be considered in the application review process. The questions included in the questionnaire are available in the [Standard Forms & Instructions: Brief Applicant Entity Questionnaire](#).

## Proposal Narrative

The Proposal Narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; and should not exceed 20 numbered pages. If the Proposal Narrative fails to comply with these length restrictions, OJP may consider such noncompliance in peer review and in final award decisions.

The Proposal Narrative must include the following sections:

### a. Description of the Issue

- Indicate the jurisdiction or tribal community to be served and describe the problems, challenges, or barriers the target population faces upon return to these communities.
- Describe the current reentry efforts, including state, local, or tribal reentry efforts, ongoing in the target jurisdiction.
- Describe the existing available pre- and post-release services. Please provide examples of transitional support that is readily available for the target population identified in the proposal.
- Clearly specify and describe the validated assessment tool or tools used by the correctional agency, the community corrections agency, and/or the applicant to determine the criminogenic risk level and identify the needs of the individuals to be referred to the program. If the applicant agency does not administer the tool(s) themselves, indicate how the assessment data and subsequent reassessment data will be obtained.

### b. Project Design and Implementation

- Describe the target population, including eligibility requirements for program participation, and the number proposed to be served, including explanation of how this number was determined, and can be served in the allotted grant timeframe.
- Define the processes the applicant will use to identify and recruit potential participants and match services to their identified needs. In this description, include the pre-release and post-release services that will be available to assist in the reintegration of formerly incarcerated individuals, whether provided by the applicant or a partnering organization.
- Describe the plan to provide transitional reentry services to individuals returning from incarceration during the program period. Include the process for selecting appropriate, individualized pre-release and post-release services based on risk and needs identified through the validated assessment.
- Describe the partnerships with one or more correctional agencies, specifically agencies who will allow pre-release access to participants, and provide confirmation

of memorandum of understanding (MOU) or memorandum of agreement (MOA) with the agencies.

- If a program is currently in operation, please describe the current structure, costs, and outcomes for participants, including recidivism rates. If no program currently exists, please provide a detailed program plan, including the range of proposed services such as evidenced-based interventions and case management services; how this new program will fill a gap in the existing continuum of reentry services; partnerships with corrections; additional key partners; the intended ratio between case managers and participants; training curriculum to be used; and the methods of delivery.
- Identify and explain the baseline recidivism rate for the target population.

If an applicant is seeking consideration under Priority 1A, it should explain in this section how the proposed project(s) will meaningfully address identified inequities **and** contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization. The applicant should also identify how the project design and implementation will specifically incorporate the input and/or participation of these communities.

c. Capabilities and Competencies

- Describe the organizational structure, capabilities, and competencies of the applicant and other key partners, including how the organization is positioned to provide transitional and clinical services throughout the entire reentry process from pre-release to post-release.
- Describe the management structure and staffing of the project, identifying the agency responsible for the program and the grant coordinator. BJA strongly encourages applicants to hire a full-time coordinator with a documented history of working with formerly incarcerated individuals. The management and organizational structure described should match the staff needs necessary to accomplish the tasks outlined in the program plan.
- For nonprofit applicants, discuss the history of collaboration with correctional agency partners. The extent to which the applicant is able to demonstrate a collaborative partnership with institutional and/or community corrections agencies, access to participants within facilities prior to release, and partnership with institutional and/or community corrections agencies to share data for performance measurement purposes will be key factors in assessing the application's strength.
- Provide letters of support to demonstrate collaboration with community supervision, organizations delivering services, and other local reentry stakeholders and impacted communities, including individuals with direct involvement in the justice system and crisis services, and their families.

If the applicant is seeking priority consideration under Priority 1B, it should: (1) describe within this section how being a population specific organization (or funding a population specific subrecipient organization at a minimum of 40% of the project budget) will enhance its capabilities and competencies to implement the proposed project; (2) specify which populations are intended or expected to be served, have their needs addressed, and/or be affected by the proposed project; and (3) include information to

confirm that the population specific organization is specifically designed to serve communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization (examples of such information include, but are not limited to, the website address, charter, mission statement, or operating principles of the population specific organization).

- d. Plan for Collecting the Data Required for This Solicitation's Performance Measures
- Describe how performance will be documented, monitored, and evaluated, as well as the data and information that will be collected and by whom.
  - Describe the process for assessing the program's effectiveness through the collection and reporting of the required performance data and the optional culminating evaluation (priority consideration 2). Discuss how the program will be sustained after federal funds end.

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included to provide notice that award recipients will be required to submit performance data as part of each award's reporting requirements.

OJP will require each award recipient to submit regular performance data that show the completed work's results. The performance data directly relate to the solicitation goals and objectives identified in the "[Goals and Objectives](#)" section. Applicants can visit [OJP's performance measurement page](#) at [www.ojp.gov/performance](http://www.ojp.gov/performance) for more information on performance measurement activities.

A list of performance measure questions for this program can be found at <https://bja.ojp.gov/sites/g/files/xyckuh186/files/media/document/SCA-Community-Measures.pdf>. Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

BJA will require award recipients to submit performance measure data and performance reports in JustGrants. BJA will provide further guidance on the post-award submission process, if the applicant is selected for award.

#### [Note on Project Evaluations](#)

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the "[Note on Project Evaluations](#)" section in the [Application Resource Guide](#).

#### [Application Goals, Objectives, Deliverables, and Timeline Web-Based Form](#)

The applicant will submit the project's goals, objectives, deliverables and timeline in the JustGrants web-based form. This is a summary of the goals, objectives, deliverables, and timeline that relate to the proposal narrative. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the [Application Submission Job Aid](#) for step-by-step directions.

- **Goals:** The applicant should describe the project's intent to change, reduce, or eliminate the problem noted in the proposal narrative.

- **Program Objectives and Timeline:** The applicant should include objectives to accomplish its goals. Objectives are specific, measurable actions to reach the project's desired results. The included timelines should be clearly linked to the goal.
- **Deliverables and Timeline:** Project deliverables refer to outputs—tangible (for example, a report or a website) or intangible (for example, greater feelings of safety reported by the community)—that are documented and submitted within the scope of a project. Deliverables include timelines.

The goal of this program is to strengthen communities by improving reentry outcomes for individuals who have been incarcerated and reducing recidivism. The applicant should propose a project that will achieve the following objectives:

- Develop comprehensive individualized case management plans that directly address criminogenic risk and needs, as identified by validated criminogenic risk assessments, and deliver or facilitate services in a manner consistent with participants' learning styles and abilities.
- Demonstrate increased collaborations between community-based organizations and corrections, community supervision, law enforcement, and other local reentry stakeholders.

#### **Deliverables Expected by Successful Applicants**

Program objectives and deliverables should be included in one timeline.

Grantees will deliver:

- An action plan consisting of a problem analysis summary, a summary of strategies and intended outcomes, and an initial evaluation plan within six months of the award. The assigned TTA provider will supply the action plan and assist grantees in completing it.
- A final report at the end of the project period.

#### **Budget and Associated Documentation**

The applicant will complete the JustGrants web-based budget form. For additional information, see the "[Application Resource Guide](#)" and the [Step 4b: Complete the Application in JustGrants - Budget](#) training.

#### **Funding Restrictions**

All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

#### **Budget Detail and Narrative Web-Based Form**

The applicant will complete the JustGrants web-based budget form, which includes both detailed calculations and budget narrative sections.

For additional information about how to prepare a budget for federal funding, see the "[Application Resource Guide](#)" section on [Budget Preparation and Submission Information](#) and the technical steps to complete the budget form in JustGrants in the [Complete the Application in JustGrants: Budget](#) training.

If the applicant is seeking priority consideration under Priority 1A and has proposed activities to incorporate the input and participation of communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime,

violence and victimization, financial support for the identified activities and participation must be reflected in the web-based budget form.

If the applicant is seeking priority consideration under Priority 1B based on the identification of a proposed subrecipient as a population specific organization, the proposed funding for the subrecipient must **reflect a minimum of 40 percent of the total award funding** within the web-based budget form. The budget narrative must also describe how the **activities that will be funded** with the (minimum) 40 percent of award funding provided to the subrecipient **specifically relate to the proposed project** that will meaningfully address identified inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

Applicants can propose funding programs up to \$750,000. Applicants should budget funding to travel to a peer-learning event (such as a regional meeting). Estimate the costs of travel and accommodations for three staff members to attend one meeting per year in Washington, D.C. All expenses must be reasonable, allowable, and necessary to the project. The estimates must provide a breakdown of all costs and adhere to the federal per diem.

All grantees will access up to \$200,000 until an action plan is approved by BJA during the first 6-month period after the final budget is approved.

#### [Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs](#)

OJP strongly encourages every applicant that proposes to use award funds for any conference-, meeting-, or training-related activity (or similar event) to review carefully—before submitting an application—the [Application Resource Guide](#) for information on prior approval, planning, and reporting of conference/meeting/training costs.

#### [Costs Associated With Language Assistance \(if applicable\)](#)

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. See the [Application Resource Guide](#) for information on costs associated with language assistance.

#### [Unmanned Aircraft Systems](#)

The use of BJA grant funds for unmanned aircraft systems (UAS), including unmanned aircraft vehicles (UAV), and all accompanying accessories to support UAS or UAV, is unallowable.

#### [Budget/Financial Attachments](#)

##### [Pre-Agreement \(Pre-Award\) Costs \(if applicable\)](#)

Pre-agreement costs are defined as costs requiring approval incurred by the applicant prior to the start date of the period of performance of the federal award. OJP does not typically approve pre-agreement costs. If a successful applicant, in anticipation of the Federal award, but before the start date of the period of performance, incurs costs which are necessary for efficient and timely performance of the funded project, those costs may not be charged to the award. See the “Costs Requiring Prior Approval” section in the [DOJ Grants Financial Guide Post-Award Requirements](#) for more information.

#### Indirect Cost Rate Agreement (if applicable)

Indirect costs are costs of an organization that are not readily assignable to a particular project, but are necessary to the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for facility operation and maintenance, depreciation, and administrative salaries. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III–VII of 2 C.F.R. Part 200. A non-federal applicant should follow the guidelines applicable to its type of organization. If applicable, an applicant with a current federally approved indirect cost rate agreement will upload it as an attachment in JustGrants. See the [DOJ Financial Guide](#) for additional information on [Indirect Cost Rate Agreement](#).

#### Consultant Rate (if applicable)

Costs for consultant services require prior approval from OJP. If the proposed project expects to fund consultant services, compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. See the [DOJ Grants Financial Guide](#) for information on the consultant rates, which require prior approval from OJP.

#### Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable)

If an applicant proposes to hire employees with Federal award funds, for any award of more than \$250,000 made under a funding opportunity, an award recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the federal government’s Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. See the [Application Resource Guide](#) for information on the “Limitation on Use of Award Funds for Employee Compensation for Awards over \$250,000; Waiver.”

#### Disclosure of Process Related to Executive Compensation (if applicable)

This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its “Disclosure of Process Related to Executive Compensation” provisions. Applicants to this funding opportunity are not required to provide this disclosure.

#### **Additional Application Components**

The applicant will attach the additional requested documentation in JustGrants.

#### Curriculum Vitae or Resumes (if applicable)

Provide resumes of key personnel who will work on the proposed project.

#### Tribal Authorizing Resolution (if applicable)

An application in response to this solicitation may require inclusion of tribal authorizing documentation as an attachment. If applicable, the applicant will upload the tribal authorizing documentation as an attachment in JustGrants. See the [Application Resource Guide](#) for information on tribal authorizing resolutions.

#### Memoranda of Understanding (MOUs) and Other Supportive Documents (if applicable)

##### Correctional Partner Memorandum of Agreement

Applicants should include for each named partner, a signed Memorandum of Understanding (MOU) or Memorandum of Agreement (MOA) that confirms the partner’s agreement to support the project through commitments of staff time, space, services, or other project needs. For

applications submitted from two or more entities, applicants are encouraged to develop and submit signed MOUs or MOAs of intent that provide a detailed description of how the agencies will work together to meet project requirements.

Each MOU or MOA should include the following: (1) names of the organizations involved in the agreement; (2) what service(s) and other work will be performed under the agreement by what organization; (3) duration of the agreement; (4) terms of access to the correctional facility or facilities for program staff [Note: If applicants are unable to provide services to incarcerated individuals then the application should explain the reason(s) access into the correctional facilities is not permissible.], (5) information on pre-release programming and interventions provided by the correctional agency to each participant, and (6) the data and performance measures that the partnering agencies will provide—to assist the grantee in obtaining programming information to measure the impact of grant activities.

MOUs or MOAs should be submitted as one separate attachment to the application.

#### [Research and Evaluation Independence and Integrity Statement \(if applicable\)](#)

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the [Application Resource Guide](#).

#### [Disclosures and Assurances](#)

The applicant will address the following disclosures and assurances.

##### [Disclosure of Lobbying Activities](#)

The SF-LLL attachment that was completed and submitted in Grants.gov is attached to this section.

##### [Applicant Disclosure of Duplication in Cost Items](#)

To ensure funding coordination across grant making agencies, and to avoid unnecessary or inappropriate duplication among grant awards, the applicant will disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds. Complete the JustGrants web-based Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

##### [DOJ Certified Standard Assurances](#)

Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [Application Resource Guide](#) for additional information.

##### [DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing](#)

Review and accept in JustGrants the DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing. See the [Application Resource Guide](#) for additional information.

##### [Applicant Disclosure and Justification – DOJ High-Risk Grantees](#)

If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ High-Risk Grantee is an award recipient that has received a DOJ High-Risk

designation based on a documented history of unsatisfactory performance; financial instability; management system or other internal control deficiencies; noncompliance with award terms and conditions on prior awards or is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

## **Application Review Information**

### **Review Criteria**

#### ***Basic Minimum Review Criteria***

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are requirements for all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within any stated programmatic funding limits or boundaries.
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

#### ***Merit Review Criteria***

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

- Description of the Issue (15%): evaluate the applicant's understanding of the program/issue to be addressed.
- Project Design and Implementation (35%): evaluate the strength of the proposal, including information provided in the goals, objectives, timelines, and deliverables web-based form.
- Capabilities and Competencies (25%): evaluate the applicant's administrative and technical capacity to successfully accomplish the goals and objectives.
- Plan for Collecting the Data Required for This Solicitation's Performance Measures (15%): evaluate the applicant's understanding of the performance data reporting requirements and the plan for collecting the required data.
- Budget (10%): evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

#### ***Other Review Criteria/Factors***

Other important considerations for OJP include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the Budget web-based form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles. Costs are allowable when they are reasonable, allocable to, and necessary for the performance of the federal award, and when they comply with the funding statute and agency requirements (to include the conditions of the award), including the cost principles set out in the [Uniform Requirements 2 C.F.R. Part 200, Subpart E](#).

#### ***Risk Criteria/Factors***

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to

help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

Important note on Responsibility/Qualification Data (formerly FAPIIS): An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

### **Review Process**

Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above. Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and BJA recommendations, but also other factors as indicated in this section.

## **Federal Award Administration Information**

### **Federal Award Notices**

Generally, award notifications are made by the end of the current Federal fiscal year, September 30. See the [Application Resource Guide](#) for information on award notifications and instructions.

### **Evidence-Based Programs or Practices**

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices (programs or practices that have been evaluated as effective), see the [Application Resource Guide](#).

### **Information Regarding Potential Evaluation of Programs and Activities**

OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. For additional information on what should be included in the application, see the [Application Resource Guide](#) section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

### **Administrative, National Policy, and Other Legal Requirements**

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the [Application Resource Guide](#).

## **Civil Rights Compliance**

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit it from discriminating on the basis of race, color, national origin, sex, religion, or disability in how the recipient delivers its program’s services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include Title VI of the Civil Rights Act of 1964 (Title VI), the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail here: “[Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2024 Awards](#)” under the “Civil Rights Requirements” section, and additional resources are available from the [OJP Office for Civil Rights](#).

Part of complying with civil rights laws that prohibit national origin discrimination includes recipients taking reasonable steps to ensure that people who are limited in their English proficiency (LEP) because of their national origin have meaningful access to a recipient’s program and activity. An LEP person is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To help recipients meet this obligation to serve LEP persons, DOJ has published a number of resources, including a language access assessment and planning tool, which are available at <https://www.lep.gov/language-access-planning>. Additional resources are available at <https://www.ojp.gov/program/civil-rights-office/limited-english-proficient-lep>. If the award recipient proposes a program or activity that would deliver services or benefits to LEP individuals, the recipient may use grant funds to support the costs of taking reasonable steps (e.g., interpretation or translation services) to provide meaningful access. Similarly, recipients are responsible for ensuring that their programs and activities are readily accessible to qualified individuals with disabilities. Applicants for OJP funding must allocate grant funds or explain how other available resources will be used to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services for deaf or hard of hearing individuals or the purchase of adaptive equipment for individuals with mobility or cognitive disabilities. For resources, see <http://www.ADA.gov> or contact OJP.

## **Financial Management and System of Internal Controls**

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

## **Information Technology Security Clauses**

An application in response to this solicitation may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.

## **General Information About Post-Federal Award Reporting Requirements**

In addition to the deliverables described in the “[Program Description](#)” section, all award recipients under this solicitation will be required to submit certain reports and data.

Required reports. Award recipients must submit quarterly financial reports, semi-annual performance reports, final financial and performance reports, and, if applicable, an annual audit

report in accordance with the Part 200 Uniform Requirements or specific award conditions. Future awards and fund drawdowns may be withheld if reports are delinquent (in appropriate cases, OJP may require additional reports).

See the [Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measure data.
