OUR BRAND
OUR MISSION

BJA’s mission is to provide leadership and services in grant administration and criminal justice policy development to support local, state, and tribal justice strategies to achieve safer communities.
Our Logo

The BJA logo is the cornerstone of the BJA brand. Our identity represents the commitment and purpose of our organization. By knowing what they can expect from our brand, stakeholders will begin to assign a higher value and trust in our abilities and resources. Applying our logo consistently will increase awareness and reinforce our image.

The Office of Justice Programs (OJP) seal must always appear with the BJA logo.

BJA LOGO COLORS

Pantone 534 C
C:95  M:74  Y:36  K:31
R:25  G:62  B:95
HEX:#193E5F

Pantone 7546 C
C:15  M:100  Y:90  K:52
R:119  G:3  B:15
HEX:#77030F
Acceptable Logos

**PRIMARY LOGO**
The primary logo is the preferred usage and should be applied in all contexts except for applications without sufficient contrast or reproduction capability.

**GREYSCALE LOGO**
The greyscale logo should be used against a white background for black and white collateral.
Acceptable Logos

REVERSED LOGO

The reversed logo should be used when the logo is positioned against a dark background with at least a 4.5/1 contrast ratio.
OJP Seal Color Variations and Usage

**PRIMARY SEAL**
The primary seal is the preferred usage and should be applied in all contexts except for applications without sufficient contrast or reproduction capability.

**OUTLINED SEAL**
The outlined seals may be used when the primary seal does not provide sufficient contrast, for black-and-white applications or on products with very limited color palettes so that the seal does not become the primary focus.
OJP Seal Clearspace and Size

CLEARSPACE
A minimum space of “X” (half the height of the inner circle) around the OJP seal should be observed. These size requirements should be followed and for all applications.

Note: The clearspace does not apply between the seal and bureau logo. When paired together, the seal and logo act as a single unit. Spacing guidance is detailed on the next page.

MINIMUM SIZE
The preferred minimum print size for the seal is 1 inch wide. The preferred minimum screen size is 75 pixels wide. The logo should always be scaled proportionally, keeping the ratio between its height and width constant to ensure that the shape stays intact as a circle.
Logo Scale and Spacing

SCALE
When using the BJA logo paired with the OJP seal, the height of the BJA logo should be 60% of the height of the seal.

SPACING
The spacing between the seal and logo should be equal to the width of the apex of the "A" in the BJA logo.
Do’s And Don’ts

Correct and consistent usage of BJA’s brand and logo are a requirement for all BJA-funded products.

The original logo file should be used rather than a recreation. This ensures that the logo remains consistent and reinforces brand recognition.

Improper use of the logo compromises the integrity of our brand and makes legal protection more difficult. These examples represent some of the possible misuses. Careful consideration should be given to circumstances not illustrated in these examples.

Do not use the BJA logo without the accompanying OJP seal.

Use reversed version when placing logo over a dark background.

Do not distort or change the proportions of the logo.

Do not place the logo on an angle.

Do not change the colors.

Do not add a drop shadow.

Do not add the logo to a URL.

Do not change the composition of the logo.

Do not place the logo next to another name.

Do not place logo over low-contrast color.
Typography

Roboto and Merriweather are BJA’s official fonts for digital use. Roboto has been chosen by OJP and the IT contract to be the font of choice for redesigned OJP websites. In anticipation of this process, Roboto should be used as the primary font. Merriweather maybe be used as a secondary font to create visual contrast and emphasize the hierarchy of information.

Primary – Roboto

Body-Worn Cameras

As part of President Obama’s commitment to expand funding and training to law enforcement agencies through community policing initiatives, the Bureau of Justice Assistance (BJA), part of DOJ’s Office of Justice Programs (OJP), announced a $20 million Body-Worn Camera (BWC) Pilot Implementation Program in May 2015 to respond to the immediate needs of local and tribal law enforcement organizations. OJP enhanced the funding to the BWC Pilot Implementation Program by adding over $2.5 million, allowing BJA to exceed its target of 50 agencies by making 73 awards.

For more information about 508-compliant typography recommendations, see http://www.digitalgov.gov/resources/checklist-of-requirements-for-federal-digital-services/
Color Palette

The chosen neutral blue and gold color palette remain representative of BJA’s commitment to law enforcement. However, the distinct shade of blue is intended to differentiate BJA’s brand, particularly when displayed with other OJP brands that use blue and/or yellow. A well-defined palette will improve brand recognition throughout BJA’s digital and offline properties.

**PRIMARY COLOR**

Accessibility

Use the following guidelines to make sure that our brand is compliant.

COLOR CONTRAST
- Contrast ratio should be at least 4.5/1.

ALT TEXT
- Should be no more than 100 characters.
- Should not use the phrases “image of...” or “graphic of...” to describe the image.
- Images used for layout or non-informative purposes should have NULL alt text (alt=" ").

HEADINGS
- All content and design should fit into a logical heading structure.

KEYBOARD ACCESSIBLE
- Should be able to access all content through keyboard alone.

LINKS
- Links should not be too short or too long.
- Links should include no more than 10 words.
- Link should make sense on its own (avoid ambiguous links, such as “More”, “Continue” and “Click Here”).
- A “Skip to Main Content” or “Jump to Content” link should be at the top of every page.

For more information about 508-compliant typography recommendations, see http://www.digitalgov.gov/resources/checklist-of-requirements-for-federal-digital-services/

News From BJA
BUREAU OF JUSTICE ASSISTANCE • OFFICE OF JUSTICE PROGRAMS

September 26, 2022 Karlton F. Moore, Director

Webinar Materials Available

Thank you for registering for the Detection and Mitigation of COVID-19 in Confinement Facilities Award Updates webinar hosted by the Bureau of Justice Assistance (BJA) and Centers for Disease Control and Prevention (CDC). During this webinar, BJA and CDC personnel provided information about program funding goals and allowable uses of funding. The webinar also included discussions featuring recipients from Washington, California, and Minnesota.

The following materials from the webinar are now available online:
- Presentation Slides
- Transcript
- Video Recording

You can subscribe to News From BJA to learn about the latest programs, initiatives, and news. If you are already a subscriber, update your subscription preferences to receive information that is most relevant to you.

BJA offers many resources, training and technical assistance, and policy development services to support local, state, and tribal governments in achieving safer communities.

U.S. Attorney SDINY @SDINYAttorneys Nov 18
@USDJAmThompson recently discussed $3.4M in BQG007 and BQG0037 grants with recipients @SDINYV, the Cabell County Sheriff’s Office, @MarshallU and @RecoveryPointWV.

The funding will support law enforcement, offender reentry and ASUDM treatment and recovery services.
