# PROGRAM OVERVIEW

**BJA**  
Bureau of Justice Assistance  
U.S. Department of Justice

# FY 2024 Funding

## Enhancing Correctional Practices to Protect Vulnerable People

Number of awards: 1

Maximum award amount: \$2,500,000

Performance duration: 48 months

# Program Goals

1

Support state, local, and tribal agencies to protect vulnerable people in their confinement facilities, and to reduce the use of overly punitive or restrictive measures to keep them safe.

2

Administer competitive microgrants of approximately \$50,000 each.

3

Deliver training and technical assistance (TTA).

# Vulnerable People

Under this program, vulnerable people include, but are not limited to, those with one or more physical disability, severe/persistent mental illness, or who are LGBTQ+, youthful inmates in adult facilities, blind, deaf, or non-English speaking.

# Microgrants

- The successful applicant will enter a cooperative agreement with BJA.
- They will then administer subawards, or pass through funding, to entities operating confinement facilities to carry out parts of the Federal award.
- All recipients must adhere to the applicable law of their jurisdiction and the rules in the DOJ Grants Financial Guide.
- The cooperative agreement holder may impose additional financial and administrative requirements on the subawards.
- Eligible microgrant recipients are state, local, and tribal agencies working to protect vulnerable people in their confinement facilities.

# Program Objectives

Develop and administer microgrants.

Provide TTA to recipient confinement facilities/agencies.

Provide TTA in response to requests from other confinement facilities/agencies.

Develop and deliver targeted, cost-effective, high-quality training and other resources.

# Additional Information about Funding

- At least 50% of the total award (i.e., \$1,250,000) must be awarded as microgrants.
- Because BJA wants to fund and support as many confinement facilities/agencies as possible, it is anticipated that each microgrant will not exceed \$50,000.

# Program Priorities

- Programs designed to advance equity and the remove barriers to access and opportunities.
- Applicant or subrecipient identifies as a population specific organization that serves communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

# Examples of Innovations that can be Funded via Microgrants

Promoting **positive changes in cultures** in confinement facilities/agencies to reflect **zero tolerance for abuse** of any kind.

**Enhancing screening and assessment**, at intake and thereafter, using validated tools with a focus on identifying those who are at higher risk of being victimized, as well as those who are more likely to victimize others.

**Increasing the use of screening and assessment information**, at intake and thereafter, to guide housing assignments and placement in programming.

# Examples of Innovations that can be Funded via Microgrants (cont.)

**Reducing the use of restrictive housing** to protect vulnerable people and/or to prevent individuals from victimizing others and investing resources in viable alternatives to this kind of housing.

**Partnering with external victim advocates and victim service providers** to support victims/survivors in confinement facilities.

**Creating or expanding ways** for people who are victimized in confinement facilities **to confidentially or anonymously report incidents** of abuse and educating them about these.

# OJP Grant Application Resource Guide

## ⚠ SAM.gov Entity Validation Update [↗](#)

GSA implemented a new process to validate an entity's legal business name and physical address when requesting a Unique Entity Identifier (UEI) and for completing a SAM.gov entity registration. Due to a high volume of requests, entity validations are taking longer than expected to process. This validation process is now taking 7-10 business days, and in some cases longer.

OJP strongly recommends starting your SAM.gov registration process as soon as possible to allow the time necessary to process entity validations well in advance of the Grants.gov due date posted in the solicitation. Read [this FAQ](#) for more information.

The Office of Justice Programs (OJP) Grant Application Resource Guide ("Guide") provides guidance to assist OJP grant applicants in preparing and submitting applications for OJP funding. It addresses a variety of policies, statutes, and regulations that apply to many (or in some cases, all) OJP program applicants, or to grants and cooperative agreements awarded in fiscal year (FY) 2023. Some OJP programs may have program solicitations that expressly modify a provision of this Guide; in such cases, the applicant is to follow the guidelines in the solicitation as to any such expressly modified provision.
