Prohibited Equipment Guidance

AWARD CONDITION: "EXPENDITURES PROHIBITED WITHOUT WAIVER"

The award condition entitled "Compliance with Restrictions on the Use of Federal Funds: Prohibited and Controlled Equipment under OJP Awards" will no longer be implemented or enforced, as provided on OJP's Legal Notices page (<https://www.ojp.gov/funding/explore/legal-notices>).

Procedures

Requesting a Certification Regarding Items in Category B – Statutorily Prohibited without Waiver

The recipient may **not** expend any JAG award funds for the item until and unless the Department of Justice makes the required certification.

To request a Department of Justice certification the recipient must, using the JustGrants system (JustGrants) submit, a “Programmatic Costs” Grant Award Modification (GAM), marked “Other” and with “JAG - Category B – Statutorily Prohibited without Waiver” typed in the available text box.

1. Attach to the GAM a letter, on the letterhead of the recipient jurisdiction and signed by the recipient’s “authorized representative” for the particular JAG award in question, that addresses the following elements:
 - a. The use of JAG award funds as to which the recipient requests the required certification (waiver) and the award number of the JAG award from which funds would be used.
 - b. A general description of the recipient (or subrecipient, if applicable) that will use award funds for the requested purpose.
 - c. The amount of award funds that would be used for the requested purpose if the Department of Justice makes the required certification.
 - d. A detailed justification that provides sufficient information to support a Department of Justice finding and certification that “extraordinary and exigent circumstances” exist that make use of the JAG award funds for the requested purpose “essential to the maintenance of public safety and good order.”

If the Department of Justice makes the required certification, the recipient will be notified and will receive a copy of the Department certification.
