Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

The John R. Justice (JRJ) Grant Program (also referred to as the John R. Justice Student Loan Repayment Program or JRJSLRP) makes funding available to a state agency designated by the governor to improve the retention of local, state, and federal public defenders and local and state prosecutors (“beneficiaries”). States receiving funding administer statewide JRJ programs by soliciting applications from eligible beneficiaries at the state level. Beneficiaries selected must commit to an additional 3 years of qualifying service in exchange for partial loan repayment directly to the beneficiary’s loan service provider.

Statutory Authority:
34 U.S.C. § 10671

Specific Information

The purpose of the JRJ Grant Program is to encourage qualified individuals to enter and continue employment as state prosecutors and state, local, or federal public defenders.

For each state and territory that is eligible to apply for funding under the JRJ Grant Program, BJA will make awards to agencies designated by the governor of those states or territories (or in the case of the District of Columbia, by the mayor) to administer the JRJ Grant Program within the state or territory. These designated agencies shall establish and maintain a statewide JRJ Grant Program consistent with the guidance contained in this document and the act. Additional guidance is available at https://bja.ojp.gov/program/john-r-justice-jrj-program/overview.

Goals, Objectives, Deliverables, and Timeline

Goals

For all states and territories to be able to recruit and retain talented local, state, and federal public defenders and local and state prosecutors by setting up and maintaining a student loan repayment assistance program for attorneys with the most student loan financial burden who agree to commit to extended employment in public interest law.

Objectives

The objective of the JRJ Grant Program is to offer an incentive to allow jurisdictions to attract and retain qualified local, state, and federal public defenders and local and state prosecutors who commit to extended employment in those roles and continue in that capacity for a minimum of 36 months.

Deliverables

- Signed JRJ Beneficiary Service Agreements for the current fiscal year (see the JRJ Service Agreement forms on the JRJ web page).
- Performance Reports: Recipients are required to submit semi-annual performance reports and verification forms.
- Expenditure Reports: Recipients are required to submit quarterly financial reports and “exited/repayment” verification forms.

The Goals, Objectives, and Deliverables are directly related to the performance measures that show the completed work’s results, as discussed in the “Application and Submission Information” section.

Evidence-Based Programs or Practices
OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the OJP Grant Application Resource Guide.

Information Regarding Potential Evaluation of Programs and Activities

OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the OJP Grant Application Resource Guide section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

Federal Award Information

General Guidance for Federal Award

Total number of awards BJA expects to make: 56
Maximum dollar amount for each award: Based on formula allocation
Total amount to be awarded under solicitation: $4,000,000
Period of performance start date: October 1, 2022
Period of performance duration: 24 months

Availability of Funds

The Bureau of Justice Statistics has calculated a minimum base allocation for each state, territory, and the District of Columbia. This minimum base allocation will then be supplemented by an amount proportional to that state or territory’s share of the national population. BJA reserves the right to reallocate unrequested funding in any fiscal year for use by participating states and to reduce future awards by amounts unexpended from the prior year, all based upon such reasonable formulas as is necessary to extend accessibility to program funding.

Agencies designated by the governor of a state or territory, as well as the mayor of the District of Columbia, to administer the JRJ funding are eligible for the state allocation determined by the process described above.

This solicitation, and awards (if any are made) under this solicitation, are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States; its departments, agencies, or entities; its officers, employees, or agents; or any other person.

Applicants may use their own discretion in identifying a methodology that best identifies a person’s ability to repay their loans.

- The statutory compliance plan must also address:
  - How it will ensure fair allocation of repayment benefits among prosecutors and public defenders, and among employing entities.
  - How much of the current award will be used to meet the statutory requirement found in 34 U.S.C. §10671 (f)(2), which provides that priority be given to those individuals who: (a) have received repayment benefits in the prior fiscal year (FY 2021) and (b) who have completed fewer than 3 years of their initial JRJSLRP Service Agreement.

The full application must be submitted in JustGrants by 8:59 PM ET on July 20, 2022.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates to allow sufficient time to correct errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline.

Experiencing Unforeseen Technical Issues
An applicant that experiences unforeseen SAM.gov, Grants.gov, or JustGrants technical issues beyond its control that prevent application submission by the deadline must demonstrate all efforts in requesting technical support in order to submit an application by the deadline. Technical support is available via phone and email to the applicable SAM.gov, Grants.gov, or JustGrants support centers or service desks in which an applicant received a ticket number for resolution. If an applicant misses a deadline due to unforeseen technical difficulties, the applicant may request a waiver to submit an application after the deadline. Note: If an applicant does not submit all the required Grants.gov forms by the Grants.gov deadline, the applicant will not be able to proceed to the JustGrants portion of the application process.

An applicant experiencing technical difficulties with the following systems must contact the associated support desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov — Contact the SAM Help Desk (Federal Service Desk).
- JustGrants — Contact the JustGrants Support Desk at JustGrants.Support@usdoj.gov or 833–872–5175.

An applicant requesting a waiver to submit a late application must document their request for technical
assistance in an email to the OJP Response Center at grants@ncjrs.gov within 24 hours after the application deadline to request approval to submit its application after the deadline. If an applicant has technical issues with Grants.gov, the applicant must contact the OJP Response Center within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. However, waiver requests will not be reviewed until after the JustGrants deadline to allow time for all waivers to be submitted. Waiver requests to submit after the submission deadline must:

- Describe the technical difficulties experienced.
- Include a timeline of the applicant's submission efforts (e.g., what date and time did the error occur, what date and time was action taken to resolve the issue and resubmit, and what date and time did support representatives respond).
- Include an attachment(s) of the complete grant application and all required documentation and material.
- Include the applicant's Unique Entity Identifier, and any applicable SAM.gov tracking number(s), Grants.gov Help Desk, and JustGrants Support Desk Ticket Numbers.

Application Review Information

Review Process

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. See the OJP Grant Application Resource Guide for information on the application review process for this solicitation.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed $250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General will make all final award decisions.
