Eligible Applicants:
City or township governments, County governments, Native American tribal governments (Federally recognized), State governments.

For purposes of this solicitation, “state” means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

To advance Executive Order 13929 Safe Policing for Safe Communities, the Attorney General determined that all state, local, and university or college law enforcement agencies must be certified by an approved independent credentialing body or have started the certification process to be eligible for FY 2022 DOJ discretionary grant funding. To become certified, the law enforcement agency must meet two mandatory conditions: (1) the agency’s use-of-force policies adhere to all applicable federal, state, and local laws, and (2) the agency’s use-of-force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. The certification requirement also applies to law enforcement agencies receiving DOJ discretionary grant funding through a subaward. For detailed information on this certification requirement, please visit https://cops.usdoj.gov/SafePolicingEO to access the Standards for Certification on Safe Policing for Safe Communities, the Implementation Fact Sheet, and the List of Designated Independent Credentialing Bodies.

All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

BJA may elect to fund applications submitted under this FY 2022 solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and on the availability of appropriations.

Submission Information
Applications will be submitted to DOJ in a two-step process.

**Step 1:** The applicant must submit by the Grants.gov deadline the required Application for Federal Assistance standard form (SF)-424 and a Disclosure of Lobbying Activities (SF-LLL) form when they register in Grants.gov at https://www.grants.gov/web/grants/register.html. To register in Grants.gov, applicants will need to obtain a Data Universal Numbering System (DUNS) and System for Award Management (SAM) registration or renewal. Beginning April 4, 2022, the federal government will cease using the Data Universal Numbering System (DUNS) number to uniquely identify entities. At that point, entities doing business with the federal government will use a Unique Entity Identifier (UEI) created in SAM.gov. If your entity is currently registered in SAM.gov, your UEI has already been assigned and is viewable in SAM.gov. This includes inactive registrations. For additional information, see the Unique Entity Identifier Update and the OJP Grant Application Resource Guide.

**Step 2:** The applicant must then submit the full application including attachments in JustGrants at JustGrants.usdoj.gov. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. OJP encourages applicants to review the “How to Apply” section in the OJP Grant Application Resource Guide and the JustGrants website for more information, resources, and training.

Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community. The Prison Rape Elimination Act (PREA) directs the U.S. Department of Justice to provide grants to jurisdictions and agencies nationwide to “protect inmates (particularly from prison rape) and to safeguard the communities to which inmates return” (34 U.S.C. § 30305(a)). Grantees may use these federal funds to protect people who are incarcerated by “undertaking efforts to more effectively prevent prison rape; investigating incidents of prison rape; or prosecuting incidents of prison rape” (34 U.S.C. § 30305 (b) (1)).

Statutory Authority

Pub. L. No. 108-79 (codified at 34 U.S.C. 30301–30309). Additional authority for awards under this solicitation may be provided by a full-year appropriations act for FY 2022. As of the writing of this solicitation, DOJ is operating under a short-term "Continuing Resolution"; no full-year appropriation for the Department has been enacted for FY 2022.

Specific Information

PREA directed DOJ to create national standards to prevent, detect, and respond to prison rape. These standards (PREA standards) apply to adult prisons and jails, juvenile confinement facilities, police lockups, and community confinement facilities. The PREA standards, which took effect on August 20, 2012, seek to prevent sexual abuse and sexual harassment and reduce the harm they cause.

Since the adoption of the PREA standards, the nation has made much progress in preventing sexual abuse and sexual harassment in confinement facilities; however, achieving sexual safety and compliance with the PREA standards is an ongoing process. In June 2021, the Bureau of Justice Statistics (BJS) issued findings from a 2018 survey of correctional administrators who reported 27,826 allegations of sexual victimization by people incarcerated in prisons and jails in 2018, 1,673 of which were substantiated (“Sexual Victimization Reported by Adult Correctional Authorities, 2016–2018”). BJS also surveyed juvenile justice administrators who reported a 44 percent increase in substantiated incidents from 2013 to 2018. (“Sexual Victimization Reported by Juvenile Justice Authorities, 2013–2018,” June 2021).

The following are examples of activities that are allowable uses of PREA grant program funds:

- Designation of staff positions responsible for PREA implementation.
- Methods to report sexual abuse when it occurs in confinement facilities.
- Intake, screening, and classification processes designed to identify potential sexual abuse victims and perpetrators, and to make housing, placement, and programming decisions in response.
- Sexual abuse response protocols, which include protections for victims and ensure prompt, thorough, and objective investigations of all allegations.
- Formal partnerships between confinement agencies/facilities and community-based organizations, such as rape crisis centers and sexual abuse coalitions, intended to provide services and support to victims.
- Efforts to prevent and address secondary trauma among agency and/or facility staff members.
- Agency/facility staff training on preventing, detecting, and responding to sexual abuse and building skills necessary to achieve PREA implementation.
- Agencywide plans to collect, analyze, and report data about sexual abuse in confinement facilities covered by the PREA standards.
- Actions related to conducting PREA audits, such as preparing for audits, carrying out mock or practice audits, selecting and entering into contracts/agreements with DOJ-certified PREA auditors, and covering the costs associated with audits and corrective action plans.

Goals, Objectives, Deliverables, and Timeline

Goals

The goals of this program are to assist confinement facilities and the agencies that oversee them in preventing, identifying, and responding to sexual abuse and sexual harassment in these facilities and support compliance with the PREA standards.
Objectives
The objectives of the PREA Grant Program are to:

1. Reduce sexual abuse in confinement facilities.
2. Increase staff capacity for preventing sexual abuse in confinement facilities.
3. Promote integration of the PREA standards into the day-to-day operations and cultures of confinement facilities.
4. Identify and document innovative and promising practices in order to inform similar efforts across the nation.
5. Create cultures of “zero tolerance” of sexual abuse in confinement facilities.

Deliverables
Key deliverables include:

1. A comprehensive, individualized PREA implementation plan that will guide the grantee’s PREA-related activities. Plans must be finalized during the first 6 months following approval of the grant budget, and they must be supported, in close consultation with BJA, by a training and technical assistance (TTA) coach.
2. A sustainability plan, developed in conjunction with the TTA coach, which ensures that the strategies and activities will continue after the grant period ends.
3. Documentation, developed in conjunction with the TTA coach, of innovative and promising work accomplished during the grant period, which will be made publicly available.

The Goals, Objectives, and Deliverables are directly related to the performance measures that show the completed work’s results, as discussed in the “Application and Submission Information” section.

Evidence-Based Programs or Practices
OJP strongly emphasizes the use of data and evidence in policymaking and program development in criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the OJP Grant Application Resource Guide.

Information Regarding Potential Evaluation of Programs and Activities
OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the OJP Grant Application Resource Guide section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

OJP Priority Areas
The Department of Justice is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

  1. Priority Considerations Supporting Executive Order 13985, Advancing Racial Equity and Support for Underserved Communities Through the Federal Government

  Consistent with this Executive Order, the term “underserved community” refers to a population sharing a particular characteristic, as well as a geographic community, that has been systematically denied a full opportunity to participate in aspects of economic, social, and civic life or whose members have been historically underserved, marginalized, and adversely affected by inequality. Such communities include, among others, Black people, Hispanics and Latino/a/e people, Native American and other Indigenous peoples of North America (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians, and Pacific Islanders.

  In support of Executive Order 13985, OJP will:

  A. Give priority consideration to applications that include project(s) that will promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality, when making award decisions.
To receive this consideration, the applicant must describe how the proposed project(s) will address potential inequities and barriers to equal opportunity, and/or contribute to greater access to services for underserved and historically marginalized populations.

B. Give priority consideration to applicants that can demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because the applicant (or at least one proposed subrecipient that will receive at least 30 percent of the requested award funding, as demonstrated in the Budget Worksheet and Budget Narrative) identifies as a culturally specific organization.

To receive this additional priority consideration, applicants must describe how being a culturally specific organization (or funding the culturally specific subrecipient organization(s)) will enhance their ability to implement the proposed project(s) and should also specify which culturally specific populations are intended or expected to be served or to have their needs addressed under the proposed project(s).

Culturally specific organizations are defined for purposes of this solicitation as private nonprofit or tribal organizations whose primary purpose as a whole is to provide culturally specific services to, among others, Black people, Hispanics and Latino/a/e people, Native American and other Indigenous peoples of North America (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians, and/or Pacific Islanders.

1. In Category 1, priority consideration will be given to applications that:

   A. Are from states in which the chief executive (e.g., the governor) was unable to certify to DOJ full compliance with the PREA standards from August 20, 2020 to August 19, 2021. To be eligible for this priority, the chief executive of the state must have submitted to DOJ, by October 15, 2021, an assurance that not less than 5 percent of certain DOJ grant funds will be used solely for the purpose of enabling the state to achieve full compliance with the PREA standards in future years. See 34 U.S.C § 30307(e)(2).

   B. Describe the specific difficulties that prevented the jurisdiction from coming into full compliance with the PREA standards, and detail how this federal award will be used to address these barriers.

1. For all categories, priority consideration will be given to applications that:

   A. Focus on the implementation of PREA standards that address the sexual safety of people who are incarcerated and experience high rates of sexual victimization. For example, from the most recent survey available, almost 40 percent of transgender people who are incarcerated reported being sexually victimized while incarcerated; therefore, priority consideration will be given to an applicant that proposes to focus on the implementation of PREA standard 115.42(c) (See BJS, "Sexual Victimization in Prisons and Jails Reported by Inmates, 2011–12: Supplemental Tables: Prevalence of Sexual Victimization of Among Transgender Adult Inmates," 2014).

   B. Propose to significantly reduce or eliminate the use of restrictive housing to protect incarcerated victims of sexual abuse and individuals identified at high risk for being sexually abused, pursuant to PREA standards 115.43 and 115.68.

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas is not a guarantee of an award.

**Strategic Support and Assistance to Grantees Selected under this Solicitation**

BJA will provide a TTA coach at no cost to each grantee awarded under this solicitation to provide strategic support and assistance during the life of this grant. The TTA coach will also work with the PREA grantees to leverage resources available through the National PREA Resource Center (PRC). The PRC serves as a clearinghouse for current information related to PREA implementation.

Continuation Funding Intent

BJA may, in certain cases, provide additional funding in future years to awards made under this solicitation through continuation awards. OJP will consider, among other factors, OJP’s strategic priorities, a recipient’s overall management of the award, and the award-funded work’s progress when making continuation award decisions.

Availability of Funds

This solicitation, and awards (if any are made) under this solicitation, are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States; its departments, agencies, or entities; its officers, employees, or agents; or any other person.

Types of Awards

BJA expects to make awards under this solicitation as grants. See the “Administrative, National Policy, and Other Legal Requirements” section of the OJP Grant Application Resource Guide for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants.

Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the OJP Grant Application Resource Guide for additional information.

Budget Information

Digital Trust

Technological devices, artificial intelligence, predictive analytics, and other data-driven solutions (“Technological Enhancements”) are increasingly used to augment crime reduction strategies and efforts. Care must be taken to assess and address any potential harm that could be activated by these solutions to ensure privacy, civil rights, and civil liberties are protected. Applicants proposing to utilize grant funds to support technological enhancements directly or via training and technical assistance may receive priority consideration if their proposal addresses the tenants of digital trust such as:

- How the technology will be carefully implemented through training of personnel and the setting and enforcement of policies governing its use to ensure that it contributes to positive outcomes for public safety, the community, and/or the criminal justice system.
- How the applicant will safeguard privacy, civil rights, and civil liberties throughout the duration of the project period.

Withholding of Funds Pending PREA Implementation Plan

Once awarded, each grant award will have in place an award condition withholding all but 10 percent of the total award amount, designating that the grantee finalize a PREA implementation plan within 180 days of receiving final approval of the project’s budget from OJP’s Office of the Chief Financial Officer. The recipient will not be authorized to obligate, expend, or draw down funds in excess of 10 percent of the total award amount until BJA has reviewed and approved the implementation plan and an Award Condition Modification has been issued and approved to remove the award condition.

Use of Funds for Equipment and Supplies

The amount of funding used for supplies and equipment may not exceed 40 percent of the federal award amount. Note: The 40 percent limit applies only to the federal share, and does not apply to the match contribution.

Convening

Applicants should include funding in their budget for a small team of representatives to attend a strategic workshop in Washington, D.C. The purposes of this workshop are to provide substantive information to the grantees related to the PREA standards and promote meaningful cross-jurisdictional sharing of information and lessons learned about PREA implementation.

Cost Sharing or Matching Requirement

This solicitation requires a 50 percent cash or in-kind match. Federal funds awarded under this solicitation may not cover
more than 50 percent of the total costs of the project being funded. An applicant must identify the source of the 50 percent non-federal portion of the total project costs and how it will use match funds. If a successful applicant’s proposed match exceeds the required match amount, and OJP approves the budget, the total match amount incorporated into the approved budget becomes mandatory and subject to audit. (“Match” funds may be used only for purposes that would be allowable for the federal funds.) Recipients must satisfy this match requirement with a cash or in-kind match. The formula for calculating the match is:

\[
\text{Federal Award Amount} \div \text{Federal Share Percentage} = \text{Adjusted (Total) Project Costs}
\]

Required Recipient’s Share Percentage x Adjusted Project Cost = Required Match

**Example:** 90%/10% match requirement: for a federal award amount of $500,000, calculate match as follows:

\[
\frac{\$500,000}{90\%} = 10\% \times 555,555 = 55,555 \text{ match}
\]

**Example:** 75%/25% match requirement: for a federal award amount of $350,000, calculate match as follows:

\[
\frac{\$350,000}{75\%} = 25\% \times 466,667 = 116,667 \text{ match}
\]

**Example:** 50% match requirement: for a federal award amount of $350,000, calculate match as follows:

\[
\frac{\$350,000}{50\%} = 50\% \times 700,000 = 350,000 \text{ match}
\]

See [OJP Grant Application Resource Guide](#) for additional information on this match requirement. For step-by-step instructions for entering match amounts in the budget, see the [Budget Summary Match Guide](#).

**Match Waiver**

The Attorney General may be authorized to waive the match requirement upon a determination of fiscal hardship. To be considered for a match waiver, a letter of request signed by the Authorized Representative must be submitted with the application that describes the fiscal hardship. "Fiscal hardship” may be defined as a reduction in the overall correctional budget, furloughing or reduction in number of correctional staff, or other similar documented actions which have resulted in severe budget reductions. A match waiver request must be submitted as a separate attachment to the application and submitted through JustGrants.

**Pre-agreement Costs (also known as Pre-award Costs)**

See the [OJP Grant Application Resource Guide](#) information on Pre-agreement Costs (also known as Pre-award Costs).

**Limitation on Use of Award Funds for Employee Compensation: Waiver**

See the [OJP Grant Application Resource Guide](#) information on the Limitation on Use of Award Funds for Employee Compensation; Waiver.

**Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs**

See the [OJP Grant Application Resource Guide](#) for information on Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs.

**Costs Associated with Language Assistance (if applicable)**

See the [OJP Grant Application Resource Guide](#) for information on Costs Associated with Language Assistance.

**Unmanned Aircraft Systems**

The use of BJA grant funds for unmanned aircraft systems (UAS), including unmanned aircraft vehicles (UAV), and all accompanying accessories to support UAS or UAV, is unallowable.

Proposal Abstract

A proposal abstract (no more than 400 words) summarizing the proposed project, including primary activities, products and deliverables, the service area, and who will benefit from the proposed project will be completed in the JustGrants web-based form. Proposal abstracts should be:

- Written for a general public audience.
  - Submitted as a separate attachment with “Proposal Abstract” as part of its file name.
  - Single-spaced, using a standard 12-point Times New Roman font with 1-inch margins.
- If the applicant is seeking priority consideration, applicant must provide the following information:
  - Which priority consideration is being sought: 1(A), 1(B), or both.
  - What page(s) in the proposal narrative provide documentation of the applicant’s plan to respond to the priority consideration.
  - For applicants seeking priority consideration 1(B), who is the proposed subawardee to receive the funding and the amount of funds proposed.

Proposal Narrative

The proposal narrative should be submitted as an attachment in JustGrants. The attached document should be double-
spaced, using a standard 12-point font; have no less than 1-inch margins; and should not exceed 15 pages. Pages should be numbered and submitted as an attachment. If the proposal narrative fails to comply with these length restrictions, BJA may consider such noncompliance in peer review and in final award decision.

The following sections must be included as part of the proposal narrative:

a. Description of the Issue
   - Describe and demonstrate understanding of the nature and scope of the problem to be addressed, using data and research as support. Describe any efforts to date that address the problem.
   - Describe the need for assistance and resources to address the problem.
   - Briefly introduce how the applicant proposes to address the problem.

b. Project Design and Implementation
   - Address in detail how the project proposes to accomplish the problem identified in the Description of the Issue. List the proposed project activities and describe how they relate to the program objectives.
   - Provide a detailed description of the method(s) to be used to carry out each activity.
   - Identify the priority considerations to be addressed through the grant (if applicable).
   - Include a timeline/project plan that identifies the major objectives and deliverables of the project and who is responsible for each activity.

If the applicant is seeking priority consideration for Priority 1(A), it should address in this section how the proposed project(s) will promote racial equity and/or the removal of barriers to access and opportunity, and/or contribute to greater access to services for communities that have been historically underserved, marginalized, and adversely affected by inequality.

c. Capabilities and Competencies
   - Provide detailed descriptions of the agency’s capacity and the key personnel to achieve the program’s goals and complete the program’s deliverables.
   - Describe how the proposed management structure and staffing of the project will facilitate achievement of the program’s objectives and completion of deliverables. These should match the staffing necessary to accomplish the tasks outlined in the timeline/project plan.
   - Provide position descriptions that relate to the roles on the proposed project (not within the applicant organization) and describe the critical competencies and expectations regarding project responsibilities.
   - Provide information about the personnel assigned to the position descriptions.
   - Provide a letter(s) of commitment from the leader(s) of the agency or agencies that will receive funding that demonstrates commitment to this project and PREA implementation.

If the applicant is seeking priority consideration under Priority 1(B), it should describe within this section how being a culturally specific organization (or funding a culturally specific subrecipient organization at a minimum of 30 percent of the project budget) will enhance its ability to implement the proposed project(s) and should also specify which culturally specific populations are intended or expected to be served or have their needs addressed under the proposed project(s).

d. Plan for Collecting the Data Required for this Solicitation’s Performance Measures
   - Describe how data required for performance measures will be collected, including the system(s) used and the person(s) responsible. Describe whether and how relevant performance metrics will be documented, monitored, and evaluated.

How to Apply

Step 2: The applicant will then submit the full application, including attachments, in JustGrants at JustGrants.usdoj.gov.

For additional information, see the “How to Apply” section in the OJP Grant Application Resource Guide and the DOJ Application Submission Checklist.

Submission Dates and Time

The SF-424 and the SF-LLL must be submitted in Grants.gov by May 19, 2022 at 8:59 p.m. eastern time.

The full application must be submitted in JustGrants by May 23, 2022 at 8:59 p.m. eastern time.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates to allow sufficient time to correct errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline.

Experiencing Unforeseen Technical Issues

An applicant that experiences unforeseen SAM.gov, Grants.gov, or JustGrants technical issues beyond its control that prevent application submission by the deadline must demonstrate all efforts in requesting technical support in order to submit an application by the deadline. Technical support is available via phone and email to the applicable SAM.gov, Grants.gov, or JustGrants support centers or service desks in which an applicant received a ticket number for resolution. If an applicant misses a deadline due to unforeseen technical difficulties, the applicant may request a waiver to submit an application after the deadline. Note: If an applicant does not submit all the required Grants.gov forms by the Grants.gov deadline, the applicant will not be able to proceed to the JustGrants portion of the application process.

Applicants experiencing technical difficulties with the following systems must contact the associated support desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov — Contact the SAM Help Desk (Federal Service Desk).
- JustGrants — Contact the JustGrants Support Desk at JustGrants.Support@usdoj.gov or 833–872–5175.

An applicant requesting a waiver to submit a late application must document their request for technical assistance in an email to the OJP Response Center at grants@ncjrs.gov within 24 hours after the application deadline to request approval to submit their application after the deadline. If an applicant has technical issues with Grants.gov, the applicant must contact the Grants.gov Customer Support Hotline within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. However, waiver requests will not be reviewed until after the JustGrants deadline to allow time for all waivers to be submitted. Waiver requests to submit after the submission deadline must:

- Describe the technical difficulties experienced.
- Include a timeline of the applicant's submission efforts (e.g., what date and time did the error occur, what date and time was action taken to resolve the issue and resubmit, and what date and time did support representatives respond).
- Include an attachment(s) of the complete grant application and all required documentation and material.
- Include the applicant's DUNS number (or Unique Entity Identifier if applying after April 4, 2022), any applicable SAM.gov tracking number(s), and Grants.gov Help Desk and JustGrants Support Desk ticket numbers.

OJP will review each request for late submission and required supporting documentation and notify the applicant whether the request has been approved or denied. For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the OJP Grant Application Resource Guide

Application Review Information

Review Criteria

a. Merit Review Criteria

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:
1. Statement of the Problem/Description of the Issue (30 percent) — Evaluate the applicant's understanding of the program/issue to be addressed.
2. Project Design and Implementation (30 percent) — Evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.
3. Capabilities and Competencies (25 percent) — Evaluate administrative and technical capacity of the applicant to successfully accomplish the goals and objectives.
4. Plan for Collecting the Data Required for this Solicitation’s Performance Measures (5 percent) — Evaluate the applicant’s understanding of the performance data reporting requirements and the plan for collecting the required data.
5. Budget (10 percent) — Evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

Other Review Criteria/Factors

Other important considerations for BJA include geographic diversity, strategic priorities (specifically including, but not limited to, those mentioned above relating to priority areas), available funding, past performance, and the extent to which the budget worksheet and budget narrative (web-based form) accurately explain project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

Review Process

Applications submitted under this solicitation that meet basic minimum requirements, will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above. OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed $250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and BJA recommendations, but also other factors as indicated in this section.
