Program Description

Program Description Overview
With this solicitation, BJA seeks to support law enforcement, correctional officers, probation and parole, and sheriff’s departments in effectively partnering with mental health, substance use, community service professionals and agencies to promote public safety and make sure that appropriate responses are provided to individuals in crisis who have behavioral health conditions, intellectual disabilities, developmental disabilities, or physical disabilities, and/or traumatic brain injuries.

Samples of previous, successful applications can be found at: https://bja.ojp.gov/funding/successful-applications.

Statutory Authority
Any awards under this solicitation would be made under statutory authority provided by the Consolidated Appropriations Act, 2024. As of the writing of this solicitation, the Department of Justice is operating under a short-term Continuing Resolution with no full-year appropriation for the Department being enacted for FY 2024.

Specific Information
This program seeks applications for grant funds from state, local, and tribal law enforcement and correctional entities to develop and implement law enforcement or corrections crisis response training programs. BJA encourages state applicants to explore the enhancement of existing academy training efforts focusing on disability awareness and crisis response. BJA similarly suggests applicants develop or expand programs that incorporate BJA’s Crisis Response and Intervention Training (CRIT) Curriculum along with trauma-informed best practices designed to increase understanding of behavioral health conditions and disabilities, navigate community resources, and improve de-escalation skills within the applicant organization and among patrol and facility-based staff.

BJA’s CRIT Curriculum can be found here: https://www.informedpoliceresponses.com/.

This program requires a two-phase process consisting of planning and implementation activities. Grantees will work closely with an assigned technical assistance coach who will help review and finalize their training plan before moving into an implementation phase.

Solicitation Goals and Objectives

Goals
This program seeks to improve responses to and outcomes for people in crisis who come into contact with law enforcement.

Objectives
With this solicitation, the CRIT Program supports law enforcement agencies throughout the country to pursue the following objectives:

1. Plan, develop, or enhance a patrol or institutional confinement training program to improve crisis response and intervention for people in crisis, including collaborative training with community service providers.
2. Evaluate a training program based on BJA’s CRIT Curriculum.
For information about what the applicant needs to submit regarding Goals, Objectives, and Deliverables please see the [How to Apply section on the Application Goals, Objectives, Deliverables, and Timeline Web-Based Form](#).

**Priority Areas**

In order to further OJP’s mission, OJP will provide priority consideration when making award decisions to the following:

1A. Applications that propose project(s) that are designed to meaningfully advance equity and remove barriers to accessing services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

To receive this consideration, the applicant must describe how the proposed project(s) will address identified inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization. Project activities under this consideration may include but are not limited to the following: improving victim services, justice responses, prevention initiatives, reentry services and other parts of an organization’s or community’s efforts to advance public safety. Applicants should propose activities that address the cultural (and linguistic, if appropriate) needs of communities, outline how the proposed activities will be informed by these communities, and implement culturally responsive and inclusive outreach and engagement.

1B. Applicants that demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because they (or at least one proposed subrecipient that will receive at least 40 percent of the requested award funding, as demonstrated in the Budget web-based form) are a population specific organization that serves communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

For purposes of this solicitation, population specific organizations are nonprofit, nongovernmental, or Tribal organizations that primarily serve members of a specific underserved population and have demonstrated experience and expertise providing targeted services to members of that specific underserved population.

To receive this additional priority consideration, applicants must describe how being a population specific organization (or funding the population specific subrecipient organization(s)) will enhance their ability to implement the proposed project(s), and should also specify which historically underserved populations are intended or expected to be served or have their needs addressed under the proposed project(s).

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee an award.

**Federal Award Information**

**Awards, Amounts, and Durations**

Anticipated Number of Awards: 8: 4 in each category
Anticipated Maximum Dollar Amount per Award: up to $250,000
Period of Performance Start Date: October 1, 2024
Period of Performance Duration (Months): 36
Anticipated Total Amount To Be Awarded Under This Solicitation: $2,000,000

Additional Information: while the maximum allowable funding amount is $250,000, OJP encourages applicants, including those that are new or that have never before received a federal award, to submit a proposed budget that best supports their project objectives and organizational capabilities, even if the proposed budget is at a lower amount than the maximum allowable funding level.

Continuation Funding Intent
OJP may, in certain cases, provide additional funding in future years to awards made under this funding opportunity through continuation awards. OJP will consider, among other factors, OJP’s strategic priorities, a recipient’s overall management of the award, and the progress of the work funded under the award, when making continuation award decisions.

Availability of Funds
This funding opportunity, and awards under this funding opportunity, are subject to the availability of funding and to any changes or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Type of Award
OJP expects to make awards under this funding opportunity as grants. See the “Administrative, National Policy, and Other Legal Requirements” section of the Application Resource Guide for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants.

Cost Sharing or Matching Requirement
This funding opportunity does not require a match.

Eligibility Information
For eligibility information, see the Synopsis section.

For the purposes of this notice of funding opportunity, other units of local government include towns, boroughs, parishes, villages, or other general purpose political subdivisions of a State.

For the purposes of this notice of funding opportunity, “state” means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.
How To Apply

Application Resources
When preparing and submitting an application, the following resources may aid prospective applicants:

1. Grants.gov “How to Apply for Grants”
2. OJP “How To Apply” section in the Application Resource Guide
3. JustGrants Application Submission Training

This solicitation (notice of funding opportunity) incorporates guidance provided in the OJP Grant Application Resource Guide (Application Resource Guide), which provides additional information for applicants to prepare and submit applications to OJP for funding. If this solicitation requires something different from any guidance provided in the Application Resource Guide, the difference will be noted in this solicitation and the applicant is to follow the guidelines in this solicitation, rather than the guidance in the Application Resource Guide that is in conflict.

How To Apply

Registration
Before submitting an application, all applicants must register with the System for Award Management (SAM.gov). An applicant must renew their registration every 12 months. If an applicant does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Applicants are encouraged to start the SAM.gov registration process at least 30 days prior to the application deadlines. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not complete the process in time and will not be considered for late submission.

Submission
Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants.

Step 1: After registering with SAM.gov, the applicant must submit the SF-424 and SF-LLL in Grants.gov at https://grants.gov/register by the Grants.gov deadline. To leave time to address any technical issues that may arise, an applicant should submit the SF-424 and SF-LLL as early as possible and recommended not later than 48 hours before the Grants.gov deadline. If an applicant fails to submit in Grants.gov by the deadline, they will be unable to apply in JustGrants. Applicants can confirm Grants.gov submission by verifying their application status shows as “submitted” or “agency tracking number assigned.”

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at JustGrants.usdoj.gov by the JustGrants deadline.

OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline. Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare all the requirements of the application. Applicants may save their progress
in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants.

An applicant will receive emails when successfully submitting in Grants.gov and JustGrants and should maintain all emails and other confirmations received from SAM.gov, Grants.gov, and JustGrants systems.

For additional information, see the “How To Apply” section in the Application Resource Guide and the DOJ Application Submission Checklist.

Submission Dates and Time
The SF-424 and the SF-LLL must be submitted in Grants.gov by 08:59 p.m. ET, May 15, 2024.

The full application must be submitted in JustGrants by 08:59 p.m. ET, May 22, 2024.

To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time (i.e., waiting until the due dates identified in this solicitation for those systems to begin the application steps) is not an acceptable reason to request a technical waiver.

Experiencing Unforeseen Technical Issues Preventing Submission of an Application (Technical Waivers)
OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented submission of the application on time.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. A tracking number is the most typical documentation and is generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks, and for this reason, long call wait times for support do not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov: contact the SAM.gov Help Desk (Federal Service Desk), Monday–Friday from 8:00 a.m. to 8:00 p.m. ET at 866-606-8220.
- Grants.gov: contact the Grants.gov Customer Support Hotline, 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or support@grants.gov.
- JustGrants: contact the JustGrants Service Desk at JustGrants.Support@usdoj.gov or 833-872-5175, Monday–Friday from 7:00 a.m. to 9:00 p.m. ET and Saturday, Sunday, and federal holidays from 9:00 a.m. to 5:00 p.m. ET.
If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within 24 hours of the Grants.gov deadline to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within 24 hours of the JustGrants deadline to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must —
- describe the technical difficulties experienced (provide screenshots if applicable);
- include a timeline of the applicant’s submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded);
- include an attachment of the complete grant application and all the required documentation and materials;
- include the applicant’s Unique Entity Identifier (UEI); and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information listed above), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the Application Resource Guide.

Application and Submission Information

Content of Application Submission and Available Surveys
The following application elements must be included in the application to meet the basic minimum requirements to advance to peer review and receive consideration for funding:

- SF-424 and SF-LLL (in Grants.gov)
- Proposal Abstract (in JustGrants)
- Proposal Narrative (in JustGrants)
- Financial Management and System of Internal Controls Questionnaire, including applicant disclosure of high-risk status (in JustGrants)

If OJP determines that an application does not include these elements, it will not proceed to peer review and will not receive any further consideration.

Content of the SF-424 in Grants.gov
The SF-424 must be submitted in Grants.gov. It is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See the Application Resource Guide for additional information on completing the SF-424.

In Section 8F of the SF-424, please include the name and contact information of the individual who will complete the application in JustGrants. JustGrants will use this information (email address) to assign the application to this user in JustGrants.
Intergovernmental Review: This funding opportunity is not subject to Executive Order (E.O.) 12372. In completing the SF-424, an applicant should answer question 19 by selecting “Program is not covered by E.O. 12372.”

Content of the JustGrants Application Submission

Entity and User Verification (First Time Applicant)
For first time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from DIAMD-NoReply@usdoj.gov) to the individual listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. This email should arrive within 24 hours after this individual receives confirmation from Grants.gov of their SF-424 and SF-LLL submissions. Register the Entity Administrator (the person who manages who can access JustGrants on behalf of the applicant), the Application Submitter, and Authorized Representative for the applicant with JustGrants as early as possible and (recommended) not later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Find additional information on JustGrants Application Submission in the Application Resource Guide.

Standard Applicant Information
The “Standard Applicant Information” section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and make edits as needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and verify and confirm the organization’s unique entity identifier, legal name, and address.

Proposal Abstract
A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known)—must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. See the Application Resource Guide for an example of a proposal abstract.

Data Requested With Application
The following application elements should be submitted in the web-based forms in JustGrants.

Financial Management and System of Internal Controls Questionnaire (including applicant disclosure of high-risk status)
The Financial Management and System of Internal Controls Questionnaire helps OJP assess the financial management and internal control systems, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based Questionnaire form in JustGrants. See the Application Resource Guide: Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High Risk Status) for additional guidance on how to complete the questionnaire.
Brief Applicant Entity Questionnaire

The Office of Justice Programs (OJP) is collecting the following information to help assess its efforts to attract a broader range of applicants. These questions apply to the applicant entity and its work and scope only, and not to the specific project(s) being proposed within the application. Responses to the questions will not be considered in the application review process. The questions included in the questionnaire are available in the Standard Forms & Instructions: Brief Applicant Entity Questionnaire.

Proposal Narrative

The Proposal Narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point font; have no less than 1-inch margins; and not exceed 15 numbered pages, inclusive of tables, charts, and graphs, which must also use standard 12-point font. If the Proposal Narrative fails to comply with these length restrictions, BJA may consider such noncompliance in peer review and in final award decision. The Proposal Narrative must include the following sections:

a. Description of the Issue
   - Identify or introduce the issue to be addressed by the grant and why this project/these proposed activities are necessary (significance/value).
   - Describe and demonstrate understanding of the nature and scope of the problem to be addressed, using data and research as support.
   - Describe successful efforts to date, such as initial steps taken, and data collected to address the needs identified.
   - Describe the need for assistance and resources to address the problem; briefly introduce how the applicant proposes to address the problem.

b. Project Design and Implementation
   - Describe, in detail, how the applicant proposes to undertake and accomplish the objectives and deliverables in both the planning and implementation phases.
   - Describe the strategy to address the needs identified in the Description of the Issue.
   - Include a timeline/project task plan that identifies the major tasks and deliverables of the proposed project and who is responsible for each activity.
   - Describe whether any of the program-specific priority areas will be met.
   - Specify how federal support will be used to supplement, and not supplant, state, local, Indian tribe, or tribal organization funding sources that would otherwise be available.

   If an applicant is seeking consideration under Priority 1A, it should explain in this section how the proposed project(s) will meaningfully address identified inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization. The applicant should also identify how the project design and implementation will specifically incorporate the input and/or participation of these communities.

c. Capabilities and Competencies
   - Describe the capabilities and competencies of the applicant to manage the award.
• Provide a detailed description of the capacity of the partners and the key personnel to deliver the training and perform the key tasks described under Project Design and Implementation.

• Include a letter of support from the applicant agency’s executives demonstrating agency commitment to the project. Demonstration of agency commitment will contribute to scoring under this criterion.

• Describe how the proposed management structure and staffing of the project will facilitate the training delivery. The management and organization structure described should match the staffing needs necessary to accomplish the tasks outlined in the timeline. Information regarding personnel assigned to these tasks and whether their resumes and role descriptions are included will contribute to the assignment of points relative to this criterion.

If the applicant is seeking priority consideration under Priority 1B, it should: (1) describe within this section how being a population specific organization (or funding a population specific subrecipient organization at a minimum of 40% of the project budget) will enhance its capabilities and competencies to implement the proposed project; (2) specify which populations are intended or expected to be served, have their needs addressed, and/or be affected by the proposed project; and (3) include information to confirm that the population specific organization is specifically designed to serve communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization (examples of such information include, but are not limited to, the website address, charter, mission statement, or operating principles of the population specific organization).

d. Plan for Collecting the Data Required for This Solicitation’s Performance Measures

• Describe the manner in which the data required for this solicitation’s performance measures will be collected, including the system(s) used and the person(s) responsible.

• Describe the process to accurately report data.

• Describe the process for measuring project performance. Identify who will collect the data, who is responsible for performance measurements, and how the information will be used to guide and evaluate the project’s impact.

• Describe whether and how other relevant performance measures will be documented, monitored, and evaluated.

Note: An applicant is not required to submit performance data with the application. Rather, performance measure information is included to provide notice that award recipients will be required to submit performance data as part of each award’s reporting requirements.

OJP will require each award recipient to submit regular performance data that show the completed work’s results. The performance data directly relate to the solicitation goals and objectives identified in the “Goals and Objectives” section.

Applicants can visit OJP’s performance measurement page at www.ojp.gov/performance for more information on performance measurement activities.

BJA will require award recipients to submit performance measure data and performance report in JustGrants. BJA will provide further guidance on the post-award submission
process, if the applicant is selected for award. A list of performance measure questions for this program can be found here. Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

Note on Project Evaluations
An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the “Note on Project Evaluations” section in the Application Resource Guide.

Application Goals, Objectives, Deliverables, and Timeline Web-Based Form
The applicant will submit the project’s goals, objectives, deliverables and timeline in the JustGrants web-based form. This is a summary of the goals, objectives, deliverables, and timeline that relate to the proposal narrative. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the Application Submission Job Aid for step-by-step directions.

- **Goals:** The applicant should describe the project’s intent to change, reduce, or eliminate the problem noted in the proposal narrative.
- **Program Objectives and Timeline:** The applicant should include objectives to accomplish its goals. Objectives are specific, measurable actions to reach the project’s desired results. The included timelines should be clearly linked to the goal.

BJA will make site-based awards for grantees to pursue one or more of the following objectives:

**Category 1: Implement Training Program for Law Enforcement Officers, Law Enforcement Agencies, Probation and Parole (Field Based), and Sheriff’s Departments (Patrol Based)**

- Analyze existing collaborative crisis response and intervention training policies and practices in collaboration with local stakeholders and agency staff and leadership. Use relevant data to assess and reevaluate the training needs of the agency and the individuals it serves.
- Create, design, and implement a new or enhanced training program in line with BJA’s CRIT Curriculum, found at https://www.informedpoliceresponses.com/.
- Adopt and implement new technology, such as dashboards and usable databases, to track training implementation across the agency/department, calls for service or incident responses for CRIT related events, and responses to calls/incidents including use of force data relative to CRIT training.
- Plan and implement other best-practice response models such as co-responder, mobile crisis or mobile response teams, case management, and 911 dispatch models using BJA’s CRIT curriculum.
- Seek and deploy other best practice training for officers to increase awareness and understanding of behavioral health conditions, disabilities, and/or traumatic brain injury.
- Define and track process measures as well as short- and long-term program outcomes. Program measures may include increased knowledge, skills, improved responses, and safer encounters between law enforcement and community
members.

- Reference the Police Mental Health Collaboration Toolkit to employ data-driven practices (e.g., report program performance to stakeholders) to improve program implementation as appropriate.

- Build long-term maintenance of the program through other, nonfederal funding mechanisms and a train-the-trainer component. Determine and implement qualifications for officers/staff who recruit and train fellow officers on effective crisis-intervention techniques including de-escalation.

- Improve officer and citizen safety through increased community collaboration, communication, and deployment strategies. Build and enhance positive community relations and trust through sustained and regular outreach to citizens, families, advocates, and stakeholders, and include such individuals, where appropriate, in trainings and other events at agency headquarters.

- Create support by officers and build program support through development of crisis response awards and other recognition for officers that demonstrate leadership commitment to, and the importance of, specializing in this area of law enforcement.

- Provide information and actively collaborate with BJA and BJA’s partners on program process and outcome evaluation efforts specific to implementation of BJA’s CRIT Curriculum.

**Category 2: Training Program for Correctional Officers, Probation and Parole, and Sheriffs’ Departments (facility based, e.g., jails)**

- Perform a problem analysis of training and deployment policies and practices, in collaboration with local stakeholders and agency leadership, using relevant data. The applicant will use this analysis to understand the training, partnership, resource, and deployment needs of both the applicant and the applicant’s community.

- Create, design, and implement a new or enhanced training program in line with BJA’s CRIT Curriculum, found at [https://www.informedpoliceresponses.com/](https://www.informedpoliceresponses.com/).

- Implement a jail-based CIT curriculum, such as the curriculum developed by the National Institute for Corrections available here.

- Seek and deploy other best practice training, such as management of withdrawal for individuals with substance use disorders, pharmacotherapy in detention/correctional settings, and working with individuals with behavioral health conditions and disabilities, to include understanding the impacts of confinement on individuals with disabilities, as well as recognizing and mitigating trauma in incarcerated populations.

- Define and track process measures as well as short- and long-term program outcome measures. Program measures may include increased knowledge, skills, improved responses, and safer encounters.

- Build long-term sustainment through other, nonfederal funding mechanisms and a train-the-trainer component.

- Determine and implement qualifications for officers best suited to recruit and train staff in crisis response.

- Address officer and detainee/inmate safety through increased collaboration.
• Enhance officer knowledge of behavioral health, reentry and wraparound services, disability resources, and diversion opportunities through the delivery of crisis response training, which includes service partners and associated community agencies as co-trainers.

• **Deliverables and Timeline:** Project deliverables refer to outputs—tangible (for example, a report or a website) or intangible (for example, greater feelings of safety reported by the community)—that are documented and submitted within the scope of a project. Deliverables include timelines.

**Deliverables Expected by Successful Applicants**
- During the planning phase, grantees will work with the assigned technical assistance coach over (up to) the first 12 months to document a coordinated documented training plan and implementation strategy.
- Crisis response training for field-based law enforcement, preferably utilizing BJA’s CRIT Curriculum, as outlined in the implementation plan. Grantees can expect to begin implementation once the planning phase is complete, and the implementation plan has been reviewed and accepted by BJA’s training and technical assistance provider.
- Ongoing collection of data pertaining to program implementation, including the number of officers trained, activities conducted, and data showing effectiveness of the training.
- Final process evaluation report, as applicable.
- A plan for obtaining the necessary support to administer and sustain the training and continue the proposed collaboration program following the conclusion of federal support. The PMHC Self-Assessment Tool can help agencies assess their progress and develop the plan.

Program objectives and deliverables should be included in one timeline.

**Budget and Associated Documentation**
This program does not require a match. If a match is provided, the applicant should identify within their budget which items, services etc., will/would be covered by matching sources and explain what type of match will be provided.

In addition to the unallowable costs identified in the DOJ Grants Financial Guide, award funds may not be used for the following:

**Funding Restrictions**
Prizes, rewards, entertainment, trinkets, or any other monetary incentives, client, stipends, gift cards, vehicles, food and beverages

All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

**Budget Detail and Narrative Web-Based Form**
The applicant will complete the JustGrants web-based budget form, which includes both detailed calculations and budget narrative sections.

For additional information about how to prepare a budget for federal funding, see the “Application Resource Guide” section on Budget Preparation and Submission Information.
the technical steps to complete the budget form in JustGrants in the Complete the Application in JustGrants: Budget training.

If the applicant is seeking priority consideration under Priority 1A and has proposed activities to incorporate the input and participation of communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence and victimization, financial support for the identified activities and participation must be reflected in the web-based budget form.

If the applicant is seeking priority consideration under Priority 1B based on the identification of a proposed subrecipient as a population specific organization, the proposed funding for the subrecipient must reflect a minimum of 40 percent of the total award funding within the web-based budget form. The budget narrative must also describe how the activities that will be funded with the (minimum) 40 percent of award funding provided to the subrecipient specifically relate to the proposed project that will meaningfully address identified inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs
OJP strongly encourages every applicant that proposes to use award funds for any conference-, meeting-, or training-related activity (or similar event) to review carefully—before submitting an application—the Application Resource Guide for information on prior approval, planning, and reporting of conference/meeting/training costs.

Costs Associated With Language Assistance (if applicable)
If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. See the Application Resource Guide for information on costs associated with language assistance.

Unmanned Aircraft Systems
The use of BJA grant funds for unmanned aircraft systems (UAS), including unmanned aircraft vehicles (UAV), and all accompanying accessories to support UAS or UAV, is unallowable.

Budget/Financial Attachments
Pre-Agreement (Pre-Award) Costs (if applicable)
Pre-agreement costs are defined as costs requiring approval incurred by the applicant prior to the start date of the period of performance of the federal award. OJP does not typically approve pre-agreement costs. If a successful applicant, in anticipation of the Federal award, but before the start date of the period of performance, incurs costs which are necessary for efficient and timely performance of the funded project, those costs may not be charged to the award. See the “Costs Requiring Prior Approval” section in the DOJ Grants Financial Guide Post-Award Requirements for more information.

Indirect Cost Rate Agreement (if applicable)
Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary to the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for facility operation and
maintenance, depreciation, and administrative salaries. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III – VII of 2 C.F.R. Part 200. A non-federal applicant should follow the guidelines applicable to its type of organization. If applicable, an applicant with a current federally-approved indirect cost rate agreement will upload it as an attachment in JustGrants. See the DOJ Financial Guide for additional information on Indirect Cost Rate Agreement.

Consultant Rate (if applicable)
Costs for consultant services require prior approval from OJP. If the proposed project expects to fund consultant services, compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. See the DOJ Grants Financial Guide for information on the consultant rates, which require prior approval from OJP.

Limitation on Use of Award Funds for Employee Compensation for Awards Over $250,000; Waiver (if applicable)
If an applicant proposes to hire employees with Federal award funds, for any award of more than $250,000 made under a funding opportunity, an award recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the federal government’s Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. See the Application Resource Guide for information on the “Limitation on Use of Award Funds for Employee Compensation for Awards over $250,000; Waiver.”

Disclosure of Process Related to Executive Compensation (if applicable)
This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its “Disclosure of Process Related to Executive Compensation” provisions. Applicants to this funding opportunity are not required to provide this disclosure.

Additional Application Components
The applicant will attach the additional requested documentation in JustGrants.

Curriculum Vitae or Resumes (if applicable)
Provide resumes of key personnel who will work on the proposed project.

Tribal Authorizing Resolution (if applicable)
An application in response to this solicitation may require inclusion of tribal authorizing documentation as an attachment. If applicable, the applicant will upload the tribal authorizing documentation as an attachment in JustGrants. See the Application Resource Guide for information on tribal authorizing resolutions.

Letters of Support (if applicable)
Attach letters to demonstrate agency leadership support.

Research and Evaluation Independence and Integrity Statement (if applicable)
If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the Application Resource Guide.
Disclosures and Assurances
The applicant will address the following disclosures and assurances.

Disclosure of Lobbying Activities
The SF-LLL attachment that was completed and submitted in Grants.gov is attached to this section.

Applicant Disclosure of Duplication in Cost Items
To ensure funding coordination across grant making agencies, and to avoid unnecessary or inappropriate duplication among grant awards, the applicant will disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds. Complete the JustGrants web-based Applicant Disclosure of Duplication in Cost Items form. See the Application Resource Guide for additional information.

DOJ Certified Standard Assurances
Review and accept the DOJ Certified Standard Assurances in JustGrants. See the Application Resource Guide for additional information.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing
Review and accept in JustGrants the DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing. See the Application Resource Guide for additional information.

Applicant Disclosure and Justification – DOJ High-Risk Grantees
If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ High-Risk Grantee is an award recipient that has received a DOJ High-Risk designation based on a documented history of unsatisfactory performance; financial instability; management system or other internal control deficiencies; noncompliance with award terms and conditions on prior awards or is otherwise not responsible. See the Application Resource Guide for additional information.

Application Review Information

Review Criteria

Basic Minimum Review Criteria
OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are requirements for all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Merit Review Criteria
Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:
• Statement of the Problem/Description of the Issue (15%): evaluate the applicant’s understanding of the program/issue to be addressed.
• Project Design and Implementation (40%): evaluate the strength of the proposal, including information provided in the goals, objectives, timelines, and deliverables web-based form.
• Capabilities and Competencies (30%): evaluate the applicant’s administrative and technical capacity to successfully accomplish the goals and objectives.
• Plan for Collecting the Data Required for this Solicitation’s Performance Measures (5%): evaluate the applicant’s understanding of the performance data reporting requirements and the plan for collecting the required data.
• Budget (10%): evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

Other Review Criteria/Factors
Other important considerations for OJP include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the Budget web-based form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles. Costs are allowable when they are reasonable, allocable to, and necessary for the performance of the federal award, and when they comply with the funding statute and agency requirements (to include the conditions of the award), including the cost principles set out in the Uniform Requirements 2 C.F.R. Part 200, Subpart E.

Risk Criteria/Factors
Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed $250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

Important note on Responsibility/Qualification Data (formerly FAPIIS): An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

Review Process
Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above. Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and BJA recommendations, but also other factors as indicated in this section.
Federal Award Administration Information

Federal Award Notices
Generally, award notifications are made by the end of the current Federal fiscal year, September 30. See the Application Resource Guide for information on award notifications and instructions.

Evidence-Based Programs or Practices
OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices (programs or practices that have been evaluated as effective), see the Application Resource Guide.

Information Regarding Potential Evaluation of Programs and Activities
OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. For additional information on what should be included in the application, see the Application Resource Guide section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

Administrative, National Policy, and Other Legal Requirements
If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the Application Resource Guide.

Civil Rights Compliance
If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit it from discriminating on the basis of race, color, national origin, sex, religion, or disability in how the recipient delivers its program’s services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include Title VI of the Civil Rights Act of 1964 (Title VI), the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail here: Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2024 Awards under the “Civil Rights Requirements” section, and additional resources are available from the OJP Office for Civil Rights.

Part of complying with civil rights laws that prohibit national origin discrimination includes recipients taking reasonable steps to ensure that people who are limited in their English proficiency (LEP) because of their national origin have meaningful access to a recipient’s program and activity. An LEP person is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To help recipients meet this obligation to serve LEP persons, DOJ has published a number of resources, including a language access assessment and planning tool, which are available at https://www.lep.gov/language-access-planning. Additional resources are available at https://www.ojp.gov/program/civil-rights-office/limited-english-proficient-lep. If the award recipient proposes a program or activity that would deliver services or benefits to LEP
The recipient may use grant funds to support the costs of taking reasonable steps (e.g., interpretation or translation services) to provide meaningful access. Similarly, recipients are responsible for ensuring that their programs and activities are readily accessible to qualified individuals with disabilities. Applicants for OJP funding must allocate grant funds or explain how other available resources will be used to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services for deaf or hard of hearing individuals or the purchase of adaptive equipment for individuals with mobility or cognitive disabilities. For resources, see [https://www.ADA.gov](https://www.ADA.gov) or contact OJP.

**Financial Management and System of Internal Controls**
Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the Application Resource Guide for additional information.

**Information Technology Security Clauses**
An application in response to this solicitation may require inclusion of information related to information technology security. See the Application Resource Guide for more information.

**General Information About Post-Federal Award Reporting Requirements**
In addition to the deliverables described in the “Program Description” section, all award recipients under this solicitation will be required to submit certain reports and data.

Required reports. Award recipients must submit quarterly financial reports, semi-annual performance reports, final financial and performance reports, and, if applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions. Future awards and fund drawdowns may be withheld if reports are delinquent (in appropriate cases, OJP may require additional reports).
