

FY 2024 MISSING AND UNIDENTIFIED HUMAN REMAINS PROGRAM

IMPORTANT DEADLINES

GRANTS.GOV:
JULY 17, 2024

JUSTGRANTS:
JULY 24, 2024

Who May Apply:

City or township, county, or state governments; accredited, publicly funded Combined DNA Index System (CODIS) forensic laboratories, medical examiner offices, toxicology laboratories, or crime laboratories; publicly funded university forensic anthropology laboratories; nonprofit organizations that have working collaborative agreements with state and county forensic offices, including medical examiners, coroners, and justices of the peace, for entry of data into CODIS or the National Missing and Unidentified Persons System (NamUs); a state university anthropology department with a forensic tract with laboratories

Why Apply:

Receive funding to improve the reporting, transportation, forensic testing, and identification of missing persons and unidentified human remains in the U.S., including migrants—utilizing various forensic disciplines such as anthropology, odontology, and DNA.

Maximum per Award:

- Up to \$1,000,000 per award for statewide agencies.
- Up to \$500,000 per award for counties and/or units of local government.
- Up to \$1,000,000 for one applicant to provide services to small, rural, and/or tribal entities on a national scale.

BJA encourages the following entities to apply:

- Agencies that have not previously received BJA funding.
- Convening or governing bodies that can apply on behalf of one or more entities.

Examples of strategies/ activities that can be funded:

- Inventory all missing persons and unidentified human remains and enter into CODIS.
- Report into NamUs, the National Crime Information Center, and the Violent Criminal Apprehension Program.
- Determine cases to undergo identification efforts.
- Return human remains to relatives.
- Develop a plan to prioritize cases that may be associated with a threat to public safety.
- Establish a multidisciplinary team of forensic experts, investigators, victim advocates, and other relevant positions to establish best identification methods.
