Bureau of Justice Assistance					
Fiscal Year (FY) 2026 Edward Byrne Memorial Justice Assistance Grant (JAG) Program - State Allocations					
State/Territory	FY 26 State Allocations	Variable Pass Through (VPT) Rate	Required VPT Amount	Less than \$10,000 Pass Through Amount	Maximum Administrative Costs
1. The State Allocations listed may include either a reduction for Sex Offender Registration and Notification Act (SORNA) noncompliance or a SORNA bonus allocation for SORNA compliance and/or a reduction for Prison Rape Elimination Act (PREA) non-compliance or a PREA bonus allocation for PREA compliance. Please refer to the SORNA web page (https://smart.ojp.gov/sorna), JAG Frequently Asked Questions (https://bja.ojp.gov/program/jag/frequently-asked-questions) and/or PREA FAQs (https://bja.ojp.gov/doc/jag-prea-faqs.pdf) for more information.					
2. Required Variable Pass-through (VPT) percentage for each State's initial allocation; calculated by U.S. Census. VPT is not applicable to the Territories.					
3. The Required Variable Pass-Through (VPT) amount, calculated by subtracting the Maximum Administrative Costs (5.) from the Initial 60% Initial Allocations (not shown) and then multiplying the resulting total by the VPT Rate (2.)					
4. The sum of allocations for units of local governments within a state that do not qualify for a direct allocation from BJA of at least \$10,000. States must pass-through 100% of the less than \$10,000 funds to ineligible jurisdictions and/or the state police. The <\$10,000 amounts apply to states only; not Territories or the District of Columbia.					
5. The maximum allowable administrative costs that can be charged to the JAG award, based on statute limitation of 10% applied to the state allocation (1.).
