OJP Grant Application Resource Guide

February 23, 2026

The Office of Justice Programs (OJP) Grant Application Resource Guide provides guidance to assist OJP grant applicants in applying for OJP funding. It complements notices of funding opportunities (NOFOs) by providing more detail about policies, statutes, and regulations that apply to many (or in some cases, all) OJP funding applicants or to grants and cooperative agreements awarded in fiscal year (FY) 2025. For detailed instructions on using the JustGrants system to submit applications, review the [Application Submission Resources](#). Some OJP NOFOs expressly modify a provision of this guide; in such cases, the applicant should follow the guidelines in the NOFO.

OJP is committed to advancing work that furthers the U.S. Department of Justice's (DOJ) mission to uphold the rule of law, to keep our country safe, and to protect civil rights. OJP provides federal leadership, funding, and other critical resources to directly support law enforcement, combat violent crime, protect American children, provide services to American crime victims, and address public safety challenges, including human trafficking and the opioid crisis.
