

2010 LOUISIANA JAG ALLOCATIONS

Listed below are all jurisdictions in the state that are eligible for a 2010 JAG grant award, as determined by the JAG formula. If your jurisdiction is listed with another city or county government in a shaded area, you are in a funding disparity. In this case, the units of local government must develop a Memorandum of Understanding (MOU) and apply for an award with a single, joint application.

Finding your jurisdiction:

(1) Disparate jurisdictions are listed in shaded groups below, in alphabetic order by county.

(2) Eligible single jurisdictions are listed alphabetically below the shaded, disparate groupings.

* Counties that have an asterisk (*) under the "Formula-Based Individual Amounts" column did not submit the level of violent crime data to qualify for a direct award from BJA, but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and must be a signatory on the required Memorandum of Understanding (MOU). A sample MOU is provided online at: <http://www.ojp.usdoj.gov/BJA/grant/jag10/10JAGMOU.pdf>.

¹Formula-Based Individual Amounts - Disparate jurisdictions do not need to abide by the listed individual amounts which are provided for information only. Jurisdictions in a funding disparity are responsible for determining individual allocations within the Joint Application Award Amount and for documenting individual allocations in the MOU.
