⁴ While these numbers address the total number of claims submitted during the 180-day period preceding this report (11/7/22 – 5/5/23) for which a final determination has not been made, they do not address the applications submitted during the specified period. (Applications are distinguished here from claims since they do not yet contain the basic required documentation needed to become claims.) The total number of applications containing either a Part A, Part B, or both Parts A and B which were submitted during the specified period was: 449 (with 68 of these applications having since become claims). Of these 449 applications, 35 were 9/11-related (with 7 of these applications having since become claims).

⁵ For death and disability claims at the PSOB Office level, the date the claim was submitted to the Bureau is the date on which initial claim documentation was filed by the claimant; for Hearing Officer Appeals, the date the claim was submitted to the Bureau is the date on which the Hearing Officer appeal was filed by the claimant; for BJA Director Appeals, the date the claim was submitted to the Bureau is the date on which the BJA Director appeal was filed by the claimant; and for education claims, the date the claim was submitted to the Bureau is the date on which all claim documentation was submitted by the claimant for that educational term or terms.

K. The number of final determinations which were appealed during the 180-day period preceding this report (11/7/22 – 5/5/23), regardless of when the final determination was first made: **23**

L. The average number of claims processed per reviewer of the Bureau during the 180-day period preceding this report (11/7/22 – 5/5/23):

- For the **285** death and disability claims processed (determined) at the PSOB Office level during this period, the average number of claims processed per reviewer, at six reviewers per claim, was: **48 claims**
- For the **306** education claims processed (determined) at the PSOB Office level during this period, the average number of claims processed per reviewer, at five reviewers per claim, was: **61 claims**
- For the **22** appeals processed (determined) at the Hearing Officer and BJA Director levels during this period, the average number of claims processed per reviewer, at three reviewers per appeal, was: **7 appeals**

Note: These figures were calculated by averaging the number of claims “processed” (“determined”) for the reporting period by the number of reviewers per claim, and does not represent the applications and claims reviewed, but not determined, in the reporting period. For each completed death, disability, or education claim determined at the PSOB Office level, at a minimum, BJA has received the initial application, conducted outreach for basic pending documentation, reviewed the completed application for factual and legal complexity, assigned a claim number, analyzed the evidence, prepared a draft(s) determination, reviewed and signed off on the draft as factually and legally sufficient, requested funds (approvals), and provided notifications throughout the review process. Because different staff perform different functions to produce a completed determination approving or denying every claim for benefits, the most meaningful indicator of claims processing is the number of determinations issued in the reporting period.

M. For any claim submitted to the Bureau that required the submission of additional information from a public agency, and for which the public agency completed providing all of the required

information during the 180-day period preceding this report (11/7/22 – 5/5/23)⁸, the average length of the period beginning on the date the public agency was contacted by the Bureau and ending on the date on which the public agency submitted all required information to the Bureau

- Average duration between date public agency contacted by the Bureau and date public agency submitted all basic required information to the Bureau: **216 days**⁹

N. For any claim submitted to the Bureau for which the Bureau issued a subpoena to a public agency during the 180-day period preceding this report (11/7/22 – 5/5/23) in order to obtain information or documentation necessary to determine the claim, the name of the public agency, the date on which the subpoena was issued, and the dates on which the public agency was contacted by the Bureau before the issuance of the subpoena

O. Information on the compliance of the Bureau with the obligation to offset award amounts under section 1201(f)(3)

(i) The number of claims that are eligible for compensation under both this part and the September 11th Victim Compensation Fund of 2001 (49 U.S.C. 40101 note; Public Law 107-42) (commonly referred to as the ‘VCF’)

- Number of claims eligible for compensation under the PSOB benefit as well as the September 11th Victim Compensation Fund of 2001 (“VCF”): **26**

(ii) For each claim described in clause (i) for which compensation has been paid¹⁰ under the VCF, the amount of compensation paid under the VCF

⁸ The set of claims from which this duration is derived are those which moved from the application stage to the claim stage during the 180-day period because they had sufficient documentation to become claims.

⁹ This figure only takes into account those agencies that responded to and fully completed requests for additional information; it does not take into account those agencies that did not respond to requests for additional information or otherwise failed to provide all additional information that was requested.

¹⁰ The term “paid” is being used here in the sense of “having been deemed eligible for VCF compensation” as opposed to necessarily having actually been paid by VCF. Those entries in the chart with an amount of \$0.00 indicate claims that were *eligible* for VCF compensation, but for which compensation had yet to be *paid* by VCF at the time of this Report.

(iii) The number of claims described in clause (i) for which the Bureau has made a final determination

¹¹ The amount of compensation paid under the VCF as of the time of PSOB's latest data verification with the VCF prior to PSOB's approval determination.

- Number of claims eligible for compensation under the PSOB benefit as well as the September 11th Victim Compensation Fund of 2001 (“VCF”) for which the Bureau has made a final determination: **26**
- (iv) The number of claims described in clause (i) for which the Bureau has not made a final determination
- Number of claims eligible for compensation under the PSOB benefit as well as the September 11th Victim Compensation Fund of 2001 (“VCF”) for which the Bureau has not made a final determination: **N/A**¹²

¹² A claim can only be deemed “eligible for compensation under the PSOB benefit” once the claim has been fully determined by PSOB. Therefore, a value of “N/A” has been entered here since no PSOB claim would be deemed “eligible for compensation under the PSOB benefit” without the Bureau first having made a final determination on the claim.
