# Tribal Courts Assistance Program CDFA #16.608

## Overview of Tribal Courts Assistance Program

Authorized by 25 U.S.C. 3681, the Tribal Courts Assistance Program (TCAP) helps develop new tribal courts, improves the operations of existing tribal courts, and provides funding for technical assistance and training of tribal court staff.

### Deadline: Registration

Registering with Grants.gov is a one-time process; however, if you are a first-time registrant, it could take up to several weeks to have your registration validated and confirmed and to receive your user password. It is highly recommended you start the registration process as early as possible to prevent delays in submitting your application package to our agency by the deadline specified. There are three steps that you must complete before you are able to register: 1) register with Central Contractor Registry (CCR), 2) register yourself as an Authorized Organization Representative (AOR), and 3) be authorized as an AOR in your organization. For more information, go to [www.grants.gov](http://www.grants.gov). **Note: Your CCR registration must be renewed once a year. Failure to renew your CCR registration will prohibit submission of a grant application through Grants.gov.**

### Deadline: Applications

The due date for applying for funding under this announcement is 8:00 p.m. e.t. on January 4, 2007.

### Eligibility

Pursuant to 28 U.S.C. § 524 note, applicants are limited to federally recognized tribal governments, including eligible Alaska Native villages and corporations,\* and authorized intertribal consortia (see 25 U.S.C. § 450b[e]). Under this solicitation, a tribal government or intertribal consortium may submit only one application—a tribal government may not be part of two applications—and only one tribal government may serve as the applicant agency for an intertribal consortium. Applicants must receive written authorization from each federally recognized member tribe and certify that the partnership was established before this application's deadline. Recipients of prior BJA tribal court planning grants may only apply under Category III. Recipients of FY 2005 or FY 2006 TCAP grants are not eligible for FY 2007 supplemental funding.

\* Applicants are advised that funds awarded through this program to the tribes listed below may not be used for courts or law enforcement officers for a tribe or village, pursuant to Public Law 108-199 § 112(a)(1). The following tribes are subject to the above restriction on use of funds: (1) tribes in which fewer than 25 Native members live in the village year round; and (2) tribes that are located within the boundaries of the Fairbanks North Star Borough,

the Matanuska Susitna Borough, the Municipality of Anchorage, the Kenai Peninsula Borough, the City and Borough of Juneau, the Sitka Borough, or the Ketchikan Borough.

## **Tribal Courts Assistance Program-Specific Information**

*All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.*

TCAP helps develop new tribal courts, improves the operations of existing tribal courts, and provides funding for technical assistance and training of tribal court staff.

For information on tribal courts and training, visit the National Tribal Justice Resource Center's web site at [www.tribalresourcecenter.org](http://www.tribalresourcecenter.org).

### **Award Categories**

Tribes may submit a TCAP application in one of three categories:

#### **CATEGORY I: PLANNING AND IMPLEMENTING AN INTERTRIBAL COURT SYSTEM FOR SMALLER POPULATIONS. Grant maximum: \$200,000.**

Applicants from consortia of tribal governments—at least two per consortium—each serving a population of less than 1,000 to plan, develop, and implement a new tribal court system. Funds may be used to facilitate the development and initial implementation of an intertribal court system to meet the needs of more than one tribe in the same geographic region. Should distances and/or inhospitable terrain adversely impact the development of a collaborative partnership for TCAP, tribes serving populations of less than 1,000 may apply as a single entity by including this justification in their applications.

#### **CATEGORY II: PLANNING AND IMPLEMENTING A SINGLE-TRIBE COURT SYSTEM. Grant maximum: \$200,000.**

Applicants from tribal governments serving populations of 1,000 or greater for the development and initial implementation of a tribal court.

#### **CATEGORY III: ENHANCING OR CONTINUING THE OPERATION OF TRIBAL COURTS.**

Applicants from tribal communities of any size to enhance or continue the operation of existing tribal courts, including establishing a core structure for a tribal court, improving case management, training court personnel, developing civil and criminal code, acquiring equipment and software, enhancing prosecution and indigent defense, supporting probation diversion and alternative sentencing, designing services and multidisciplinary protocols for juvenile victims of physical and sexual abuse, and structuring intertribal or tribal appellate systems. Category III awards will be awarded under two tiers: I) tribes and tribal consortia serving populations of less than 5,000 (grant maximum: \$150,000); and II) tribes serving populations of 5,000 or more (grant maximum: \$175,000). Applicants under both tiers must include information about their current operating budget and dockets to support the requested funding.

### **Length of Awards**

The minimum project period for TCAP awards is 24 months. The project start date should be on or after July 1, 2007 and end 24 months later.
