Tribal Civil and Criminal Legal Assistance Grants, Training, and Technical Assistance
(CFDA #16.815)

Overview

Authorized by 25 USC 3651, et seq., BJA’s Tribal Civil and Criminal Legal Assistance (TCCLA) grants enhance tribal justice systems and improve access to those systems. Targeted to non-profit organizations, the grants serve to strengthen and improve the representation of indigent defendants in criminal cases and indigent respondents in civil causes of action under the jurisdiction of Indian tribes.

Deadlines: Registration and Application

Registration is required prior to submission. OJP strongly encourages registering with Grants.gov several weeks before the deadline for application submission. The deadline for applying for funding under this announcement is 11:59 p.m. eastern time on May 12, 2011. Please see the “How to Apply” section, page 11 for more details. Please note that while the deadline for submission is 11:59 p.m. eastern time on may 12, 2011, staff assistance through the BJA Justice Information Center is only available until 8:00 p.m. eastern time (see “Contact Information” on the title page for more information about BJA's Justice Information Center).

Eligibility

Please refer to the title page for eligibility under this program.

Tribal Civil and Criminal Legal Assistance Grants, Training, and Technical Assistance—Specific Information

The TCCLA program helps enhance tribal justice systems and improve access to those systems. TCCLA provides grants for direct legal services for indigent defendants and respondents in tribal justice systems. In addition, this solicitation calls for applications to provide advocacy training and technical assistance, not limited to the legal assistance grantees under Categories 1 and 2, for the development, enrichment, and enhancement of judicial system personnel within tribal justice systems.

Tribal Law and Order Act of 2010

It is encouraged that applicants and tribal criminal justice systems review the Indian Civil Rights Act of 1968 (25 U.S.C. 1302), as amended by Section 234 of the Tribal Law and Order Act of 2010 (TLOA), Public Law 111-211. The TLOA amendments to the Indian Civil Rights Act provide for enhanced tribal court sentencing authority in criminal cases when tribal courts use qualified judges, set forth additional minimum standards for tribal courts with respect to defendant rights (including the right to effective assistance of qualified counsel), and make publicly available tribal criminal codes, rules of evidence, and rules of criminal procedure of the
tribal government before charging a defendant; and record the criminal proceedings in which the tribal court invoked TLOA’s enhanced sentencing authority.

Goals, Objectives, and Deliverables

The goal of TCCLA is to enhance tribal justice systems and improve access to those systems. Grantee objectives include providing procedural justice in tribal civil and criminal legal procedures, and advocacy training and technical assistance. Specific deliverables include indigent defense representation in tribal civil and criminal proceedings, regional or national advocacy trainings for all tribal court professionals across the United States, distance learning module for judicial personnel, and dissemination of information to help build capacity in tribal justice systems.

Evidence-Based Programs or Practices

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence (generally obtained through one or more outcome evaluations). Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based.

Amount and Length of Awards

Applicants may submit their applications under any of the following categories. Applicants should clearly indicate in the abstract under which category they are applying.

Category 3 applicants are strongly encouraged to partner with other organizations to submit joint applications for the required services and deliverables. (Please note: one organization partner must agree to serve as the lead organization for the purpose of submitting the application and, if the application is selected for award, for purposes of award administration.)

Note: Applications that do not respond to the identified categories will not be peer reviewed or considered for funding under this solicitation.

Applicants should substantiate the need for all equipment budgeted.

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

BJA anticipates making one or more awards under Category 1. No single award will exceed $1,150,000. Applications for all dollar amounts are encouraged. The project period is up to 24 months.
Under Category 1, applications are solicited to provide civil legal assistance services for Indian tribes, members of Indian tribes, and tribal justice systems, including guardians ad-litem and court-appointed special advocates pursuant to the federal poverty guidelines.

**CATEGORY 2: TRIBAL CRIMINAL LEGAL ASSISTANCE GRANTS.** Competition ID: BJA-2011-2970.

BJA anticipates making one or more awards under Category 2. No single award will exceed $1,150,000. Applications for all dollar amounts are encouraged. The project period is up to 24 months.

Under Category 2, applications are solicited to provide criminal legal assistance services for Indian tribes, members of Indian tribes, and tribal justice systems, pursuant to the federal poverty guidelines. Criminal legal assistance services may include adult criminal actions, juvenile delinquency actions, guardian ad-litem appointments arising out of criminal or delinquency acts.

**CATEGORY 3: TRIBAL JUSTICE ADVOCACY TRAINING AND TECHNICAL ASSISTANCE (TTA) GRANTS.** Competition ID: BJA-2011-2971.

BJA anticipates making one award under Category 3, in an amount of up to $600,000. The project period is 24 months.

Under Category 3, applications from advocacy training and technical assistance providers must demonstrate the capacity to:

- Deliver national or regional scope advocacy training and technical assistance to tribal justice systems.
- Coordinate to ensure no duplication of trainings, and work closely with all DOJ Tribal Justice System Training and Technical Assistance providers (www.tribaljusticeandsafety.gov/consultation.html).

The selected advocacy training and technical assistance provider under Category 3 shall provide the following:

- Plan and conduct two training events based on gaps in service currently provided to Tribal Justice Systems in the area of advocacy.
- Provide ongoing technical assistance to all tribal court systems during the period of the grant, not limited to the legal assistance grantees, including four onsite assistance visits during the grant period. Technical assistance formats include, but are not limited to, telephone, distance learning, web-based, written, and/or onsite assistance.
- Develop and disseminate, during the grant period, one publication to be determined in conjunction with BJA, as well as other program-and training-related materials.
- Conduct distance learning training, as appropriate, to complement classroom training.
- Provide scholarships to support tribes with inadequate resources to attend tribal justice systems trainings, specifically the two trainings that will be provided as deliverables under Category 3.

**Budget Information**

**Limitation on Use of Award Funds for Employee Compensation; Waiver:** With respect to any award of more than $250,000 made under this solicitation, federal funds may not be used to pay total cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the
Federal Government’s Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (The 2011 salary table for SES employees is available at www.opm.gov/oca/11tables/indexSES.asp.) Note: A recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds. (Any such additional compensation will not be considered matching funds where match requirements apply.)

The limitation on compensation rates allowable under an award may be waived on an individual basis at the discretion of the Assistant Attorney General (AAG) for OJP. An applicant that wishes to request a waiver must include a detailed justification in the budget narrative of its application. Unless the applicant submits a waiver request and justification with the application, the applicant should anticipate that OJP will request the applicant to adjust and resubmit its budget.

The justification should include: the particular qualifications and expertise of the individual, the uniqueness of the service being provided, the individual’s specific knowledge of the program or project being undertaken with award funds, and a statement explaining that the individual’s salary is commensurate with the regular and customary rate for an individual with his/her qualifications and expertise, and for the work that is to be done.

**Match Requirement:** This solicitation does not require a match.

**Performance Measures**

To assist in fulfilling the Department’s responsibilities under the Government Performance and Results Act (GPRA), Public Law 103-62, applicants that receive funding under this solicitation must provide data that measure the results of their work. Any award recipient will be required, post award, to provide the data requested in the “Data Grantee Provides” column so that OJP can calculate values for the “Performance Measures” column. Performance measures for this solicitation are as follows:

Submission of performance measures data is not required for the application. Instead, applicants should discuss in their application their proposed methods for collecting data for performance measures. Please refer to the section “What an Application Should Include” (below) for additional information.

**Note on project evaluations:** Applicants that propose to use funds awarded through this solicitation to conduct project evaluations should be aware that certain project evaluations (such as systematic investigations designed to develop or contribute to generalizable knowledge) may constitute “research” for purposes of applicable DOJ human subjects protections. However, project evaluations that are intended only to generate internal improvements to a program or service, or are conducted only to meet OJP’s performance measure data reporting requirements likely do not constitute “research.” Applicants should provide sufficient information for OJP to determine whether the particular project they propose would either intentionally or unintentionally collect and/or use information in such a way that it meets the DOJ regulatory definition of research.

Research, for the purposes of human subjects protections for OJP-funded programs, is defined as, “a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge.” 28 C.F.R. § 46.102(d). For additional information on determining whether a proposed activity would constitute research, see the decision tree to assist applicants on the “Research and the Protection of Human Subjects” section of the OJP Other Requirements for OJP Applications’ web page (www.ojp.usdoj.gov/funding/other_requirements.htm). Applicants whose proposals may involve a research or statistical component also should review the “Confidentiality” section on that web page.

**Notice of New Post-Award Reporting Requirements**

Applicants should anticipate that all recipients (other than individuals) of awards of $25,000 or more under this solicitation, consistent with the Federal Funding Accountability and Transparency Act of 2006 (FFATA), will be required to report award information on any first-tier subawards totaling $25,000 or more, and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the reporting requirements should it receive funding. Reports regarding subawards will be made through the FFATA Subaward Reporting System (FSRS), found at www.fsrs.gov/.

Please note also that applicants should anticipate that no subaward of an award made under this solicitation may be made to a subrecipient (other than an individual) unless the potential subrecipient acquires and provides a Data Universal Numbering System (DUNS) number.

**How to Apply**

Applications will be submitted through Grants.gov. Grants.gov is a “one-stop storefront” that provides a unified process for all customers of federal awards to find funding opportunities and apply for funding. Complete instructions on how to register and submit an application can be found at www.Grants.gov. If the applicant experiences technical difficulties at any point during this process, please call the Grants.gov Customer Support Hotline at 800–518–4726, 24 hours a day, 7 days a week, except federal holidays. Registering with Grants.gov is a one-time
process; however, **processing delays may occur, and it can take up to several weeks** for first-time registrants to receive confirmation and a user password. OJP highly recommends that applicants start the registration process as early as possible to prevent delays in submitting an application package by the specified application deadline.

All applicants are required to complete the following steps:

1. **Acquire a DUNS number.** A DUNS number is required for [Grants.gov](https://www.grants.gov) registration. In general, the Office of Management and Budget requires that all applicants (other than individuals) for federal funds include a DUNS (Data Universal Numbering System) number in their applications for a new award or renewal of an existing award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, one-time activity. Obtain a DUNS number by calling Dun and Bradstreet at 866–705–5711 or by applying online at [www.dnb.com](http://www.dnb.com). A DUNS number is usually received within 1-2 business days.

2. **Acquire or renew registration with the Central Contractor Registration (CCR) database.** OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. An applicant must be registered in the CCR to successfully register in Grants.gov. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Please note, however, that applicants must update or renew their CCR registration annually to maintain an active status. Information about CCR registration procedures can be accessed at [www.ccr.gov](http://www.ccr.gov).

3. **Acquire an Authorized Organization Representative (AOR) and a Grants.gov username and password.** Complete the AOR profile on Grants.gov and create a username and password. The applicant organization’s DUNS Number must be used to complete this step. For more information about the registration process, go to [www.grants.gov/applicants/get_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp).

4. **Acquire confirmation for the AOR from the E-Business Point of Contact (E-Biz POC).** The E-Biz POC at the applicant organization must log into Grants.gov to confirm the applicant organization’s AOR. Please note that there can be more than one AOR for the organization.

5. **Search for the funding opportunity on Grants.gov.** Please use the following identifying information when searching for the funding opportunity on Grants.gov. The Catalog of Federal Domestic Assistance (CFDA) number for this solicitation is 16.815 titled “Tribal Civil and Criminal Legal Assistance Grants, Training, and Technical Assistance,” and the funding opportunity number is BJA-2011-2968.

6. **Select the correct Competition ID.** Some OJP solicitations posted to Grants.gov contain multiple purpose areas, denoted by the individual Competition ID. If applying to a solicitation
with multiple Competition IDs, select the appropriate Competition ID for the intended purpose area of the application.

7. **Submit an application consistent with this solicitation by following the directions in Grants.gov.** Within 24–48 hours after submitting the electronic application, the applicant should receive an e-mail validation message from Grants.gov. The validation message will state whether the application has been received and validated, or rejected, with an explanation. **Important:** Applicants are urged to submit applications at least **72 hours prior** to the due date of the application to allow time to receive the validation message and to correct any problems that may have caused a rejection notification.

**Experiencing Unforeseen Grants.gov Technical Issues**

If an applicant experiences unforeseen Grants.gov technical issues beyond the applicant’s control that prevent submission of its application by the deadline, the applicant must contact the Bureau of Justice Assistance staff within **24 hours after the deadline** and request approval to submit its application. At that time, the Bureau of Justice Assistance staff will instruct the applicant to submit specific information detailing the technical difficulties. The applicant must e-mail: a description of the technical difficulties, a timeline of submission efforts, the complete grant application, the applicant DUNS number, and Grants.gov Help Desk tracking number(s) received. After the program office reviews all of the information submitted, and contacts the Grants.gov Help Desk to validate the technical issues reported, OJP will contact the applicant to either approve or deny the request to submit a late application. If the technical issues reported cannot be validated, the application will be rejected as untimely.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time, (2) failure to follow Grants.gov instructions on how to register and apply as posted on its Web site, (3) failure to follow all of the instructions in the OJP solicitation, and (4) technical issues experienced with the applicant’s computer or information technology (IT) environment.

Notifications regarding known technical problems with Grants.gov, if any, are posted at the top of the OJP funding Web page, www.ojp.usdoj.gov/funding/solicitations.htm.

**What an Application Should Include**

This section describes what an application should include and sets out a number of elements. Applicants should anticipate that failure to submit an application that contains all of the specified elements may negatively affect the review of the application; and, should a decision be made to make an award, it may result in the inclusion of special conditions that preclude access to or use of award funds pending satisfaction of the conditions.

Moreover, applicants should anticipate that some application elements are so critical that applications unresponsive to the scope of the solicitation, or that do not include a program
narrative and budget detail worksheet including a budget narrative, will neither proceed to peer review nor receive further consideration.

OJP strongly recommends use of appropriately descriptive file names (e.g., “Abstract,” “Program Narrative,” “Budget Detail Worksheet and Budget Narrative,” “Timelines,” “Memoranda of Understanding,” “Resumes”) for all attachments. OJP recommends that resumes be included in a single file.

1. Information to complete the Application for Federal Assistance (SF-424)
   The SF-424 is a standard form required for use as a cover sheet for submission of pre-applications, applications, and related information. Grants.gov and GMS take information from the applicant’s profile to populate the fields on this form. When selecting "type of applicant," if the applicant is a for-profit entity, please select "For-Profit Organization" or "Small Business" (as applicable).

2. Abstract
   A one-page abstract that highlights:
   - The lead organization’s name
   - The location and/or jurisdiction(s) served
   - Relevant partner names
   - One paragraph highlight of the problem
   - Whether the program is pre-existing or new
   - One paragraph on carrying out data collection

3. Program Narrative
   The program narrative must respond to the solicitation and Selection Criteria 1-4 listed below in the order given. The program narrative should be double-spaced, using a standard 12-point font (Times New Roman is preferred) with not less than 1-inch margins, and should not exceed 15 pages. Please number pages “1 of 15,” “2 of 15,” etc.

   If the program narrative fails to comply with these length-related restrictions, noncompliance may be considered in peer review and in final award decisions.

   The following sections should be included as part of the program narrative:
   a. Statement of the Problem
   b. Project Design and Implementation
   c. Capabilities and Competencies
   d. Plan for Collecting the Data Required for this Solicitation’s Performance Measures
      Submission of performance measures data is not required for the application. Performance measures are included as an alert that successful applicants will be required to submit specific data to the Bureau of Justice Assistance as part of their reporting requirements. For the application, the applicant should indicate an understanding of these requirements and discuss how the applicant will gather the required data, should the applicant receive funding.

      Further information is available under the Selection Criteria section, page 15.
4. Budget Detail Worksheet and Budget Narrative

a. Budget Detail Worksheet
A sample Budget Detail Worksheet can be found at www.ojp.gov/funding/forms/budget_detail.pdf. If the budget is submitted in a different format, the budget categories listed in the sample budget worksheet should be included.

For questions pertaining to budget and examples of allowable and unallowable costs, please see the OJP Financial Guide at www.ojp.usdoj.gov/financialguide/index.htm.

b. Budget Narrative
The Budget Narrative should thoroughly and clearly describe every category of expense listed in the Budget Detail Worksheet. The narrative should be mathematically sound and correspond with the information and figures provided in the Budget Detail Worksheet. The narrative should explain how all costs were estimated and calculated and how they are relevant to the completion of the proposed project. The narrative may include tables for clarification purposes but need not be in a spreadsheet format. As with the Budget Detail Worksheet, the Budget Narrative should be broken down by year.

The application must contain a budget and budget narrative that responds to the solicitation and the Selection Criteria listed below. Applicants should substantiate the need for all equipment budgeted.

For Category 1 and 2, applicants should budget for the costs of travel and accommodations for advocate(s) or attorney(s) to attend one to three trainings during the grant period. For Category 3, applicants should budget for the cost of travel and accommodations for staff to travel to two Department of Justice-sponsored grant meetings.

5. Indirect Cost Rate Agreement (if applicable)
Indirect costs are allowed only if the applicant has a federally approved indirect cost rate. (This requirement does not apply to units of local government.) A copy of the rate approval should be attached. If the applicant does not have an approved rate, one can be requested by contacting the applicant's cognizant federal agency, which will review all documentation and approve a rate for the applicant organization or, if the applicant's accounting system permits, costs may be allocated in the direct cost categories. If DOJ is the cognizant federal agency, obtain information needed to submit an indirect cost rate proposal at www.ojp.usdoj.gov/financialguide/part3/part3chap17.htm.

6. Tribal Authorizing Resolution (if applicable)
If an application is being submitted by either (1) a tribe or tribal organization or (2) a third party proposing to provide direct services or assistance to residents on tribal lands, then a current authorizing resolution of the governing body of the tribal entity or other enactment of the tribal council or comparable governing body authorizing the inclusion of the tribe or tribal organization and its membership should be included with the application. In those instances when an organization or consortium of tribes proposes to apply for a grant on behalf of a tribe or multiple specific tribes, then the application should include a resolution from all tribes that will be included as a part of the services/assistance provided under the grant. A consortium of tribes for which existing consortium bylaws allow action without support from all tribes in the consortium (i.e., without authorizing resolution or other enactment of each
tribal governing body) may submit a copy of its consortium bylaws with the application in lieu of tribal resolutions.

7. **Additional Attachments: Project Timeline, Resumes, and Memorandums of Understanding**
   
   Attach a *project timeline* with each task, expected completion date, and responsible person or organization; *resumes* for key positions; and if applicable, *memorandums of understanding* (MOUs) that outline the partners’ responsibilities.

   Additional forms that may be required in connection with an award are available on OJP’s funding page at [www.ojp.usdoj.gov/funding/forms.htm](http://www.ojp.usdoj.gov/funding/forms.htm). For successful applicants, receipt of funds may be contingent upon submission of all necessary forms. Please note in particular the following forms:

   c. [Accounting System and Financial Capability Questionnaire](http://www.ojp.usdoj.gov/funding/forms.htm) (required for any applicant other than an individual that is a non-governmental entity and that has not received any award from OJP within the past 3 years; this form must be downloaded, completed, and then uploaded).

   d. [Standard Assurances](http://www.ojp.usdoj.gov/funding/forms.htm) (required to be submitted in GMS prior to the receipt of any award funds).

**Selection Criteria**

The following five selection criteria will be used to peer review each application, with the different weight given to each based on the percentage value listed after each individual criterion. For example, the first criterion, “Statement of the Problem,” is worth 20 percent of the entire score in the application review process.

1. **Statement of the Problem (20 percent of 100)**
   
   Demonstrate a thorough understanding of the complex issues confronting tribal justice systems in American Indian and Alaska Native communities. For Categories 1 and 2, identify the problem in providing legal assistance to indigent defendants and respondents in tribal justice systems. For Category 3, identify the need for effective, targeted advocacy training and technical assistance to judicial system personnel in tribal justice systems, outlining the issues to be addressed in the two advocacy trainings, using data to support the need for the training.

2. **Project Design and Implementation (30 percent of 100)**
   
   Describe your strategy to address the needs identified in the Statement of the Problem. Clearly state how you will enhance tribal legal assistance for Category 1 (civil) or 2 (criminal) and identify the clients to be served under the grant, giving estimates of number of cases.
Please use data to support your estimates. For Category 3 (training and technical assistance) describe how your strategy will implement the category-specific deliverables listed on pages 6 and ensure in writing you are not duplicating existing advocacy training(s) provided by other DOJ Tribal TTA providers. (www.tribaljusticeandsafety.gov/consultation.html) For all categories, tie project activities/deliverables to goals and objectives in the program design’s strategy; and include a timeline, milestones, and responsible individual or organization as an attachment.

3. **Capabilities and Competencies (30 percent of 100)**
   For all categories, describe the applicant’s management structure, staffing, and in-house or contracted capacity to complete each of the proposed tasks/projects. Include resumes or position descriptions of personnel or contractors who will be responsible for activities under the grant (as an attachment); and if applicable, define the roles and responsibilities and qualifications of co-applicants and partners in MOUs (in an attachment).

   For Categories 1 and 2, provide specific examples of the applicant’s expertise in:
   - Working with American Indian and/or Alaska Native (AI/AN) communities, including knowledge of federal AI/AN police and law enforcement and justice systems and services, knowledge of AI/AN Indian Self-Governance and Self-Determination laws, federal trust responsibility, and knowledge of tribal government governance and intergovernmental protocols.
   - Providing cost-effective legal assistance to individuals in tribal justice systems, specifically handling civil or criminal legal assistance cases, depending on the category.

   For Category 3, provide specific examples of the applicant’s expertise in:
   - Working with American Indian and/or Alaska Native (AI/AN) communities, including knowledge of federal AI/AN police and law enforcement and justice systems and services, knowledge of AI/AN Self-Governance and Self-Determination laws, federal trust responsibility, and knowledge of tribal government governance and intergovernmental protocols.
   - Providing training and technical assistance that is comprehensive and user-friendly to develop and enhance tribal justice systems.
   - Developing culturally competent curricula based on adult learning theory.
   - Developing uniform protocols for the assessment and delivery of technical assistance, as well as tracking, evaluation, and follow-up.
   - Developing and disseminating publications, teleconferencing, peer-to-peer consultations, onsite assistance, and ongoing offsite assistance by phone and e-mail.
   - Working with federal agencies (DOJ, Indian Health Service, Bureau of Indian Affairs, Substance Abuse and Mental Health Services Administration), other federal agencies, and other tribal justice providers to coordinate services.

4. **Plan for Collecting the Data Required for this Solicitation’s Performance Measures (10 percent of 100)**
   Explain how the program’s effectiveness will be demonstrated. For each performance measure selected, describe: 1) what data will be collected and how, 2) how it will be assessed/analyzed, and 3) how the information will be used to inform the project’s progress.

5. **Budget (10 percent of 100)**
   Provide a budget and budget narrative that are complete, allowable, and cost effective (as an attachment). For Category 1 and 2, applicants should budget for the costs of travel and
accommodations for advocate(s) or attorney(s) to attend one to three trainings during the
grant period. For Category 3, applicants should budget for the cost of travel and
accommodations for staff to travel to two Department of Justice-sponsored grant meetings.

Review Process

OJP is committed to ensuring a fair and open process for awarding grants. The Bureau of
Justice Assistance reviews the application to make sure that the information presented is
reasonable, understandable, measurable, and achievable, as well as consistent with the
solicitation.

Peer reviewers will review the applications submitted under this solicitation that meet basic
minimum requirements. The Bureau of Justice Assistance may use either internal peer
reviewers, external peer reviewers, or a combination to review the applications under this
solicitation. An external peer reviewer is an expert in the field of the subject matter of a given
solicitation who is NOT a current U.S. Department of Justice employee. An internal reviewer is a
current U.S. Department of Justice employee who is well-versed or has expertise in the subject
matter of this solicitation. Eligible applications will be evaluated, scored, and rated by a peer
review panel. Peer reviewers’ ratings and any resulting recommendations are advisory only. In
addition to peer review ratings, considerations for award recommendations and decisions may
include, but are not limited to, underserved populations, geographic diversity, strategic priorities,
past performance, and available funding.

The Office of the Chief Financial Officer (OCFO), in consultation with the Bureau of Justice
Assistance, conducts a financial review of applications for potential discretionary awards to
evaluate the fiscal integrity and financial capability of applicants; examines proposed costs to
determine if the Budget Detail Worksheet and Budget Narrative accurately explain project costs;
and determines whether costs are reasonable, necessary, and allowable under applicable
federal cost principles and agency regulations.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final
award decisions will be made by the Assistant Attorney General (AAG), who also may give
consideration to factors including, but not limited to, underserved populations, geographic
diversity, strategic priorities, past performance, and available funding when making awards.

Additional Requirements

Applicants selected for awards must agree to comply with additional legal requirements upon
acceptance of an award. OJP strongly encourages applicants to review the information
pertaining to these additional requirements prior to submitting an application. Additional
