The U.S. Department of Justice, Office of Justice Programs’ (OJP) Bureau of Justice Assistance (BJA) is pleased to announce that it is seeking applications for funding under the Recovery Act Edward Byrne Memorial Justice Assistance Grant (JAG) Program.

On February 17, 2009, President Obama signed into law the landmark American Recovery and Reinvestment Act of 2009 (the “Recovery Act”). As one of its many elements, the Recovery Act provides the U.S. Department of Justice (DOJ) with funding for grants to assist state, local, and tribal law enforcement (including support for hiring), to combat violence against women, to fight internet crimes against children, to improve the functioning of the criminal justice system, to assist victims of crime, and to support youth mentoring. DOJ is committed to working with our national, state, local and tribal partners to ensure this funding invests in the American workforce.

Specifically, under this solicitation, BJA will be making awards to assist state, local, and tribal efforts to prevent or reduce crime and violence.

Recovery Act: Edward Byrne Memorial Justice Assistance Grant (JAG) Program: State Solicitation
CFDA# 16.803

Overview of the Edward Byrne Memorial Justice Assistance Grant Program

This grant program is authorized by the American Recovery and Reinvestment Act of 2009 (Public Law 111-5) (the “Recovery Act”) and by 42 U.S.C. 3751(a).

The stated purposes of the Recovery Act are: to preserve and create jobs and promote economic recovery; to assist those most impacted by the recession; to provide investments needed to increase economic efficiency by spurring technological advances in science and health; to invest in transportation, environmental protection, and other infrastructure that will provide long-term economic benefits; and to stabilize state and local government budgets, in order to minimize and avoid reductions in essential services and counterproductive state and local tax increases.

The Recovery Act places great emphasis on accountability and transparency in the use of taxpayer dollars. Among other things, it creates a new Recovery Accountability and Transparency Board and a new website – Recovery.gov – to provide information to the public, including access to detailed information on grants and contracts made with Recovery Act funds.

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program is the primary provider of federal criminal justice funding to state and local jurisdictions. JAG funds support all components of the criminal justice system, from multijurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives. JAG funded projects may address crime through the provision of services directly to individuals and/or communities and by improving the effectiveness and efficiency of criminal justice systems, processes, and procedures.

Deadline: Registration

Registering with OJP’s Grants Management System (GMS)

Applications must be submitted through OJP’s online Grants Management System (GMS). To access the system, go to https://grants.ojp.usdoj.gov. Applicants should begin the process immediately to meet the GMS registration deadline, especially if this is the first time they have used the system. Each application requires a separate GMS registration. The registration process for organizations includes: (1) Obtaining a Data Universal Numbering System (DUNS) number; (2) Registering your organization with the Central Contractor Registration (CCR) database; and (3) Registering with GMS prior to applying.

The deadline to register is 8:00 p.m. Eastern Time on April 9, 2009.

A DUNS number is required. All applicants under this solicitation must include a DUNS (Data Universal Numbering System) number in their application. Applications without a DUNS number are incomplete.
A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving Federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, simple, one-time activity. Obtain one by calling 1-866-705-5711 or by applying online at http://fedgov.dnb.com/webform/displayHomePage.do.

**Central Contractor Registration (CCR) is required.** In addition to the DUNS number requirement, OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Please note, however, that applicants must update or renew their CCR registration at least once per year to maintain an active status. Information about registration procedures can be accessed at www.ccr.gov.

**Deadline: Applications**

The due date for applying for funding under this announcement is 8:00 p.m. Eastern Time on April 9, 2009.

**Eligibility**

Applicants are limited to states, the District of Columbia, the Commonwealth of Puerto Rico, the Northern Mariana Islands, the Virgin Islands, Guam, and American Samoa. Please view the eligibility list at: www.ojp.usdoj.gov/BJA/recoveryJAG/recoveryallocations.html.

**Additional Requirements Related to the Recovery Act (including certification requirements):**

**Reporting on the Use of Funds.** In order to be eligible to receive funds under this solicitation, applicants must certify that they will satisfy the reporting requirements of section 1512(c) of the Recovery Act, which requires detailed reporting (including reporting on subawards) not later than **ten calendar days after the end of each calendar quarter**. Detailed information on section 1512(c) appears below, under “Accountability and Transparency under the Recovery Act.” A template for the certification is included in the appendix. Applicants may expect that a standard form and/or standard reporting mechanism will be made available at a future date.

**Funding Distribution and Appropriate Use of Funds.** Section 1607 of the Recovery Act requires either a certification by the Governor or a concurrent resolution of the state legislature concerning funds distribution and assurance of appropriate use of funds. States may not receive funds under this Recovery Act solicitation unless section 1607 is satisfied. (Refer to the OJP Recovery Act Additional Requirements web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm for the text of section 1607.)

**Certification regarding Infrastructure Investments.** Pursuant to section 1511 of the Recovery Act, a state or local government (including a federally-recognized Indian tribal government) may not receive funds for an infrastructure investment (for example, construction or major renovation of a correctional facility) unless the Governor, mayor, or other chief executive, as appropriate, certifies that the infrastructure investment has received the full vetting required by law and that
the chief executive accepts responsibility that the infrastructure is an appropriate use of taxpayer dollars. The certification must include a description of the infrastructure investment, the estimated total cost, and the amount of Recovery Act funds to be used, and must be posted on a web site that is linked to Recovery.gov. (Refer to the OJP Recovery Act Additional Requirements web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm for the text of section 1511.)

Consistent with section 1511, all applicants under this solicitation must complete a “General Certification as to Requirements for Receipt of Funds for Infrastructure Investments,” a template for which is included in the appendix. Recipients that are awarded funds for one or more infrastructure investment projects must also submit and post a certification that satisfies section 1511 as to each such specific project prior to obligating, expending, or drawing down funds for such a project. Applicants or recipients that intend to prepare a section 1511 certification should consult the OJP Recovery Act Additional Requirements web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm. If a standard form becomes available, OJP will include a notice in the appropriate section of the web page.

JAG Program-Specific Information

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. Applicants also should anticipate that awards under the Recovery Act will be one-time awards and accordingly should propose project activities and deliverables that can be accomplished without additional DOJ funding.

Established to streamline justice funding and grant administration, the JAG Program allows states, tribes, and local governments to support a broad range of activities to prevent and control crime based on their own local needs and conditions. JAG blends the previous Byrne Formula and Local Law Enforcement Block Grant (LLEBG) Programs to provide agencies with the flexibility to prioritize and place justice funds where they are needed most.

Formula
The Bureau of Justice Statistics (BJS) calculates, for each state and territory, a minimum base allocation which, based on the statutory JAG formula, can be enhanced by (1) the state’s share of the national population, and (2) the state’s share of the country’s Part 1 violent crime statistics. Once the state funding is calculated, 60 percent of the allocation is awarded to the state, and 40 percent to eligible units of local government.

States also have a variable percentage of the allocation that is required to be “passed through” to units of local government. This amount, also calculated by BJS, is based on each state’s crime expenditures. In addition, the formula is used to calculate direct allocations for local governments within each state, based on their share of the total violent crime reported within the state. Local governments entitled to at least $10,000 awards may apply directly to BJA for local JAG grants. To view the list of required passthrough percentages, go to: www.ojp.usdoj.gov/BJA/recoveryJAG/JAGrecoveryvpt.pdf

Award Amount
Eligible state/territory recipients are entitled to the state allocation determined by the above formula plus any funds designated for the state’s units of local government whose direct allocation would be less than $10,000. Funds from these “less than $10,000 jurisdictions” must
be distributed by the state to state police departments that provide criminal justice services and/or to any units of local government whose allocations would be less than $10,000.

**Purpose Areas**
JAG funds may be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice, as well as criminal justice-related research and evaluation activities that will improve or enhance:

- Law enforcement programs.
- Prosecution and court programs.
- Prevention and education programs.
- Corrections and community corrections programs.
- Drug treatment and enforcement programs.
- Planning, evaluation, and technology improvement programs.
- Crime victim and witness programs (other than compensation).

**SAA Responsibilities**
In each state, the Governor or other Chief Executive Officer designates a state agency (State Administering Agency, or SAA) to apply for and administer these funds. The SAA is responsible for:

- Coordination of JAG funds among state and local justice initiatives.
- Preparation and submission of the state JAG application.
- Administration of JAG funds including establishing funding priorities, distributing funds, monitoring subrecipients’ compliance with all JAG special conditions and provisions, and providing ongoing assistance to subrecipients.
- Submitting financial reports, programmatic reports, performance measure data, and subgrant information.

States are strongly encouraged to prioritize evidence-based or evidence-generating practices because such practices are proven or may be effective and may be replicable.

States are also strongly encouraged to conform Recovery Act spending to their existing statewide strategic plan. If such a plan does not now exist, states are strongly encouraged to develop and undertake, as soon as practicable, a strategic planning process using a community-based engagement model in order to guide spending under this and future fiscal year allocations.

**Administrative Funds**
An SAA may use up to 10 percent of the state award, including up to 10 percent of any accrued interest, for costs associated with administering JAG funds.

**Governing Body Review**
The SAA must make the grant application available for review to the governing body of the state, or to an organization designated by that governing body, not fewer than 30 days before the application is submitted to BJA.

**Public Comment**
At the time of application submission, an SAA must provide an assurance that the application was made public and an opportunity to comment was provided to citizens and to neighborhood
or community organizations to the extent the applicable law or established procedure makes such an opportunity available.

**Length of Awards**

Awards are made in the first fiscal year of the appropriation and may be expended during the following 3 years, for a total grant period of 4 years.

**Passthrough**

JAG requires that states pass through a pre-determined percentage (variable passthrough) of funds to units of local government, such as a city, county, township, town; tribe; or faith- or community-based group. Calculated by BJS, this percentage is established by assessing the total criminal justice expenditures by the state and units of local government. If an SAA believes its assessment is incorrect, the SAA may appeal the percentage by providing alternate, verifiable data to BJA.

★ If an SAA wishes to fund a project that will be administered by the state but be counted as variable pass through for JAG purposes, it may do so if the project will directly benefit a unit(s) of local government, and if each local jurisdiction to benefit voluntarily signs a waiver. This waiver must certify that the local jurisdiction recognizes that the funds in question are set aside for local government use; believes that the proposed project will provide a direct local benefit; and agrees that funding the project at the state level is in the best interests of the unit of local government.

**Trust Fund**

SAAs may draw down any or all JAG funds after acceptance of the award. To do so, a trust fund must be established in which to deposit the funds. The trust fund may or may not be an interest-bearing account. If subrecipients draw down JAG funds in advance, they also must establish a trust fund in which to deposit funds.

Recipients of funds, however, should be aware that the authority to retain such advance funding may be withdrawn should the recipient persistently remain delinquent in applicable reporting required by the Recovery Act. Specific information relating to this will be detailed in grant award documents.

**Prohibited Uses**

No JAG funds may be expended outside of the JAG purpose areas. Even within the purpose areas, however, JAG funds may not be used directly or indirectly for security enhancements or equipment for nongovernmental entities not engaged in criminal justice or public safety. Nor may JAG funds be used directly or indirectly to provide for any of the following matters unless BJA certifies that extraordinary and exigent circumstances exist, making them essential to the maintenance of public safety and good order:

- Vehicles (excluding police cruisers), vessels (excluding police boats), or aircraft (excluding police helicopters).
- Luxury items.
- Real estate.
- Construction projects (other than penal or correctional institutions).
- Any similar matters.
Non-Supplanting
Federal funds must be used to supplement existing state and local funds for program activities and must not replace those funds that have been appropriated for the same purpose. See the OJP Financial Guide (Part II, Chapter 3). Additional information appears on the “OJP Recovery Act Additional Requirements” web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm.

Recovery Act: Buy American
All applicants that propose to use grant funds to construct, alter, maintain, or repair a public building or public work should be aware that the Recovery Act (in section 1605) contains a “Buy American” provision that applies to iron, steel, and manufactured goods, subject to certain exceptions. The provision is to be applied in a manner consistent with United States obligations under international agreements. Government-wide guidance on this provision is not yet available, but is expected. For the text of section 1605, please refer to the “OJP Recovery Act Additional Requirements” web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm.

Recovery Act: Wage Rate Requirements
All applicants should be aware that the Recovery Act contains a provision on wage rate requirements that concerns projects funded or assisted by Recovery Act funds that employ laborers and mechanics. See section 1606 of the Recovery Act, the text of which appears on the “OJP Recovery Act Additional Requirements” web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm. Government-wide guidance on this provision is not yet available, but is expected.

Recovery Act: Preference for Quick-Start Activities
Pursuant to section 1602 of the Recovery Act, recipient of funds under this solicitation for infrastructure investment are to give preference to activities that can be started and completed expeditiously, and also are expected to use grant funds in a manner that maximizes job creation and economic benefit. For the details of this requirement, please refer to the text of section 1602, which appears on the “OJP’s Recovery Act Additional Requirements” web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm.

Recovery Act: Contracts
Generally speaking, the Recovery Act places special emphasis on the use of fixed-price contracts awarded through competitive procedures. As information becomes available, OJP will provide guidance to applicants as to what, if any, particular procurement requirements or procedures may apply to contracts awarded with Recovery Act grant funds, apart from those that appear in 28 C.F.R. Part 66 and 28 C.F.R. Part 70.

Recovery Act: Limit on Funds
The Recovery Act specifically provides that funds may not be used by any state or local government, or any private entity, for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool.

Recovery Act: Use of Funds in Conjunction with Funds from Other Sources.
Recovery Act funds may be used in conjunction with other funding as necessary to complete projects, but tracking and reporting of Recovery Act funds must be separate, to meet the reporting and other requirements of the Recovery Act and other applicable law. There can be no commingling of funds. (See “Accountability and Transparency under the Recovery Act,” below.)
Accountability and Transparency under the Recovery Act

Separate Tracking and Reporting of Recovery Act Funds and Outcomes
Consistent with the special purposes and goals of the Recovery Act, and its strong emphasis on accountability and transparency, it is essential that all funds from a Recovery Act grant be tracked, accounted for, and reported on separately from all other funds (including DOJ grant funds from non-Recovery Act grants awarded for the same or similar purposes or programs). Recipients must also be prepared to track and report on the specific outcomes and benefits attributable to use of Recovery Act funds.

The accounting systems of all recipients and subrecipients must ensure that funds from any award under this Recovery Act solicitation are not commingled with funds from any other source.

Misuse of grant funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under a grant, and civil and/or criminal penalties.

Quarterly Financial and Programmatic Reporting
Consistent with the Recovery Act emphasis on accountability and transparency, reporting requirements under Recovery Act grant programs will differ from and expand upon OJP’s standard reporting requirements for grants. In particular, section 1512(c) of the Recovery Act sets out detailed requirements for quarterly reports that must be submitted within 10 days of the end of each calendar quarter. Receipt of funds will be contingent on meeting the Recovery Act reporting requirements.

Under this Recovery Act program, quarterly financial and programmatic reporting will be required, and will be due within 10 calendar days after the end of each calendar quarter, starting July 10, 2009.

The information from grantee reports will be posted on a public website. To the extent that grant funds are available to pay a grantee’s administrative expenses, those funds may be used to assist the grantee in meeting the accelerated time-frame and extensive reporting requirements of the Recovery Act.

Recovery Act grant recipients may expect that the information posted by OJP will identify grantees that are delinquent in their reporting. In addition, in keeping with standard OJP practice, grant recipients who do not submit required reports by the due date will not be permitted to draw down funds thereafter, during the pendency of the delinquency, and may be subject to other appropriate actions by OJP, including, but not limited to, restrictions on eligibility for future OJP awards, restrictions on draw-down on other OJP awards, and suspension or termination of the Recovery Act award.
Funding recipients may expect that a standard form and/or reporting mechanism may be available. Additional instructions and guidance regarding the required reporting will be provided as they become available. For planning purposes, however, all applicants should be aware that the Recovery Act section 1512(c) provides as follows:

Recipient Reports: Not later than 10 days after the end of each calendar quarter, each recipient that received recovery funds from a Federal agency shall submit a report to that agency that contains—

1. the total amount of recovery funds received from that agency;
2. the amount of recovery funds received that were expended or obligated to projects or activities; and

   (D) an estimate of the number of jobs created and the number of jobs retained by the project or activity; and
   (E) for infrastructure investments made by state and local governments, the purpose, total cost, and rationale of the agency for funding the infrastructure investment with funds made available under this Act, and name of the person to contact at the agency if there are concerns with the infrastructure investment.

4. Detailed information on any subcontracts or subgrants awarded by the recipient to include the data elements required to comply with the Federal Funding Accountability and Transparency Act of 2006 (Public Law 109-282), allowing aggregate reporting on awards below $25,000 or to individuals, as prescribed by the Director of the Office of Management and Budget.

**Subawards under Recovery Act Grants**

**Reporting; DUNS and CCR.** As indicated above, quarterly reporting requirements for Recovery Act awards include reporting with respect to subawards. In order to facilitate that reporting, award recipients must work with their first-tier subawardees (if any) to ensure that, no later than the due date of the award recipient's first quarterly report after a subaward is made, the subawardee has a DUNS numbers and is registered with the Central Contractor Registration (CCR) database. See “Deadline: Registration,” above, for more information on CCR and DUNS numbers.

**Monitoring of subawards.** All applicants should bear in mind that any recipient of an award under this solicitation will be responsible for monitoring of subawards under the grant in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the OJP Financial Guide. Primary recipients will be responsible for oversight of subawardee spending and monitoring of specific outcomes and benefits attributable to use of Recovery Act funds.
