This program furthers the Department's mission by assisting state, local, and tribal law enforcement efforts to prevent or reduce crime and violence.

This solicitation incorporates the [OJP Grant Application Resource Guide](#) by reference. The OJP Grant Application Resource Guide provides guidance to applicants on how to prepare and submit applications for funding to OJP. **If this solicitation expressly modifies any provision in the OJP Grant Application Resource Guide, the applicant is to follow the guidelines in this solicitation as to that provision.**

This solicitation expressly modifies the OJP Grant Application Resource Guide by not incorporating the "Limitation on Use of Award Funds for Employee Compensation; Waiver" provisions in the "Financial Information" section of the OJP Grant Application Resource Guide.

Eligible Applicants:

State governments, Other

Other

By law, for purposes of the JAG Program, the term "states" includes the District of Columbia, the Commonwealth of Puerto Rico, the Northern Mariana Islands, the U.S. Virgin Islands, Guam, and American Samoa. (Throughout this solicitation, each reference to a "state" or "states" includes all 56 jurisdictions.) The expected eligible allocations by state for the fiscal year (FY) 2021 JAG Program can be found at: [Fiscal Year \(FY\) 2021 State Edward Byrne Memorial Justice Assistance Grant \(JAG\) Allocations \(ojp.gov\)](#). Contact Information

For technical assistance with submitting the **SF-424** and **SF-LLL** in Grants.gov, contact the Grants.gov Customer Support Hotline at 800-518-4726, 606-545-5035, [Grants.gov customer support webpage](#), or email at support@grants.gov. The Grants.gov Support Hotline operates 24 hours a day, 7 days a week, except on federal holidays.

For technical assistance with submitting the **full application** in DOJ's Justice Grants System (JustGrants), contact the JustGrants Service Desk at JustGrants.Support@usdoj.gov or 833-872-5175. The JustGrants Service Desk operates 5 a.m. to 9 p.m. eastern time, Monday-Friday, and 9 a.m. to 5 p.m. Saturday, Sunday, and federal holidays.

An applicant that experiences unforeseen Grants.gov or JustGrants technical issues beyond its control that prevent it from

on receiving, processing, analyzing, and validating incident-based data from local LE agencies in their state; training local agencies on how to collect and submit NIBRS data; and technical assistance for LE agency personnel responsible for (1) managing the agency's crime incident data, (2) processing and validating the data, and (3) extracting and submitting IBR data to the state UCR Program according to the state's standard and/or directly to the FBI according to the NIBRS standard.

BJA will waive the set-aside requirement for states that have been certified as NIBRS compliant by the FBI as of the posting date of the State JAG Program solicitation. States that achieve full compliance with NIBRS after receiving an award should email evidence of NIBRS compliance (written documentation from the FBI that certifies NIBRS compliance) to their State Policy Advisor listed in the JustGrants System. Upon review of the documentation submitted, BJA will confirm the NIBRS compliance and then take the necessary action to clear any withholding special condition associated with the NIBRS set-aside requirement. States must retain documentation on file that demonstrates the FBI certification of NIBRS compliance. Such documentation must be made available for BJA review upon request. If approved, states will not be subject to the 3 percent set-aside requirement.

Prison Rape Elimination Act of 2003 (PREA) — In 2012, DOJ published the National PREA Standards, which were promulgated to prevent, detect, and respond to sexual victimization and abuse in confinement settings. The National PREA Standards are set out at [28 C.F.R. Part 115](#) and apply to confinement facilities, including adult prisons and jails, juvenile facilities, and police lockups.

Under PREA, if a state's chief executive (e.g., governor) does not certify full compliance with the National PREA Standards, the state is subject to the loss of 5 percent of certain DOJ grant funds, including JAG award funds, unless the chief executive submits an assurance to DOJ that no less than 5 percent of such funds will be used solely for the purpose of enabling the state to achieve and certify full compliance with the National PREA Standards in future years. See [34 U.S.C. § 30307\(e\)\(2\)](#).

A reduction in an FY 2021 JAG award to a state due to the PREA provision will **not** affect the portion of the JAG award that is reserved for local jurisdictions.

For additional information concerning PREA implementation, send inquiries to the PREA Management Office at PREACompliance@usdoj.gov and/or review the [PREA FAQs](#).

Sex Offender Registration and Notification Act (SORNA) — SORNA, which is Title I of the Adam Walsh Child Protection and Safety Act of 2006, mandates a 10 percent reduction in a JAG award to a state that has failed to substantially implement SORNA. Further, states that have substantially implemented SORNA have an ongoing obligation to maintain that status each year. A reduction in the JAG award is applied for each year a jurisdiction has failed to substantially implement SORNA.

A reduction in an FY 2021 JAG award to a state under the provisions of SORNA will **not** affect the portion of the JAG award that is reserved for local jurisdictions.

For additional information regarding SORNA implementation, including the requirements and a list of states that will be affected in FY 2021 by the 10 percent reduction to the JAG award, send an inquiry to AskSMART@usdoj.gov. Additional SORNA guidance can be found within the [SORNA FAQs](#).

Death in Custody Reporting Act (DCRA) — Beginning in FY 2021, BJA will require reporting from states pursuant to DCRA. The Death in Custody Reporting Act requires states and federal law enforcement agencies to report certain information to the Attorney General regarding the death of any person occurring during interactions with law enforcement officers or while in custody. All reporting for DCRA will be submitted via the BJA Performance Measurement Tool (PMT), located at <https://bjapmt.ojp.gov>.

For each quarter in a fiscal year, states must either (1) identify all reportable deaths that occurred in their jurisdictions during the corresponding quarter and provide basic information about the circumstances of the death or (2) affirm that no reportable deaths occurred in the state during the reporting period.

A state must complete the required questions related to deaths in custody in the PMT and submit the information by the reporting deadline. The reporting deadline to submit the quarterly summary is the last day of the month following the close of the quarter. For each quarter, BJA will send two reminders prior to the reporting deadline.

For each reportable death, a state must enter into the PMT:

- The decedent's name, date of birth, gender, race, and ethnicity
- The date, time, and location of the death
- The law enforcement or correctional agency involved

- Manner of death

States must answer all questions in the PMT before they can submit their quarterly reports. If a state does not have sufficient information to complete one of the questions, then the state may select the “unknown” answer, if available, and then identify when the information is anticipated to be obtained.

A state that fails to comply may, **at the discretion of the Attorney General**, be subject to not more than a 10 percent reduction in funds that would otherwise be allocated for that fiscal year to the state under the JAG Program. The Department of Justice will review the implementation of the penalty in future years.

Goals, Objectives, Deliverables, and Timeline

In general, the FY 2021 JAG Program is designed to provide states with additional personnel, equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice. Although the JAG Program provides assistance directly to states, through pass-through (and similar) requirements, the JAG Program also is designed to assist units of local government with respect to their criminal justice needs.

Objectives

The objectives are directly related to the JAG Program accountability measures described at <https://bja.ojp.gov/sites/g/files/xyckuh186/files/media/document/jag-pmt-accountability-measures.pdf> and demonstrate the results of the work completed, as discussed under What an Application Should Include.

The goals and objectives are directly related to the performance measures that demonstrate the results of the work completed, as discussed under the Application and Submission Information section.

Deliverables

A state that receives an FY 2021 JAG award will be required to produce various types of reports including quarterly financial reports, quarterly performance reports, and semiannual progress reports in JustGrants.

Evidence-Based Programs or Practices

OJP strongly emphasizes the use of data and evidence in policymaking and program development in criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](#).

Information Regarding Potential Evaluation of Programs and Activities

General requirement for federal authorization of any subaward; statutory authorization of subawards under the JAG Program statute. Generally, a recipient of an OJP award may not make subawards (“subgrants”) unless the recipient has specific federal authorization to do so. Unless an applicable statute or DOJ regulation specifically authorizes (or requires) particular subawards, a recipient must have authorization from OJP before it may make a subaward.

However, JAG subawards that are required or specifically authorized by statute (see [34 U.S.C. § 10152\(a\)](#) and [34 U.S.C. § 10156](#)) do not require prior approval. This includes subawards made by states under the JAG Program. For additional information regarding subawards and authorizations, please refer to the subaward section in the [OJP Grant Application Resource Guide](#).

The Budget and Budget Worksheet (attachment) is a critical element and applicants will be unable to successfully submit an application in JustGrants unless an attachment is uploaded in this section. If an applicant does not have a budget to submit at the time of application, an attachment must be uploaded noting as such, and BJA will add the appropriate special condition withholding funds for budget documentation.

Indirect Cost Rate Agreement (if applicable)

Applicants will submit their indirect cost rate agreement by uploading the agreement as an attachment in JustGrants. See the [OJP Grant Application Resource Guide](#) for additional information.

This rule does not eliminate or alter the JAG-specific restriction in federal law that states charges for administrative costs may not exceed 10 percent of the award amount, regardless of the approved indirect cost rate.

Financial Management Questionnaire (including applicant disclosure of high-risk status)

Applicants will download the questionnaire in JustGrants and submit by uploading the completed questionnaire as an attachment in JustGrants. See the [OJP Grant Application Resource Guide](#) for additional information.

Additional Application Components

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. Applicants will submit a description of their research and evaluation independence and integrity by uploading the document as an attachment in JustGrants. For additional information regarding demonstrating research/evaluation independence and integrity, including appropriate safeguards, see the [OJP Grant Application Resource Guide](#).

Certifications and Assurances by the Chief Executive of the Applicant Government

A JAG application is not complete, and a state may not access award funds, unless the chief executive of the applicant state (e.g., the governor) properly executes, and the state submits, the “Certifications and Assurances by the Chief Executive of the Applicant Government” attached in the section above entitled Other Program Requirements. The most up-to-date certification form can be found at: [FY 2021 Byrne JAG - Certifications and Assurances by the Chief Executive of the Applicant Government \(ojp.gov\)](#).

Application Review Information

Review Process

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. See the [OJP Grant Application Resource Guide](#) for information on the application review process for this solicitation.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant that has one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider any such comments by the

applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General will make all final award decisions.
