## Program Description

### Overview

CTAS combines many of the Department of Justice's (DOJ's) existing tribal government-specific competitive solicitations into a single solicitation requiring only one application from each tribe or tribal consortium. This approach reduces the number of applications required to access funds and provides federally recognized tribes, tribal consortia, and tribal designees the opportunity to develop a comprehensive approach to public safety and victimization issues.

**Note: CTAS is not a program but a single solicitation under which tribes can apply to seven separate grant programs from four grant-making offices.**

DOJ has incorporated feedback from tribes and made the following changes to CTAS for FY 2022:

- Applications to CTAS will continue to be completed and submitted through Grants.gov and the Justice Grants system, JustGrants. Information on this process is outlined in section H. How to Apply.
- Purpose Area 9 has added a new category.
- Proposal abstracts will be completed in the JustGrants web-based form.

Each tribe or tribal consortium may submit only one CTAS application. This application can include proposals for project funding under one or more purpose areas. As such, multiple awards may be made in response to a single application.

In addition to applying for FY 2022 CTAS funding, federally recognized tribes and tribal consortia are encouraged to submit separate applications to any DOJ grant program for which they may be eligible. For information on additional funding sources, visit [www.grants.gov](http://www.grants.gov) and the websites of individual federal agencies.

The Department of Justice is committed to advancing work that promotes civil rights, increases access to justice, supports crime victims, protects the public from crime and evolving threats, and builds trust between law enforcement and the community. For all Fiscal Year 2022 solicitations, applicants should consider these priorities, and address them within their applications as applicable.

The four DOJ components offering tribal government-specific grants through CTAS are listed below. For more information, visit [www.justice.gov/tribal/](http://www.justice.gov/tribal/).

- Office of Community Oriented Policing Services (COPS Office)
- Office of Justice Programs, Bureau of Justice Assistance (BJA)
- Office of Justice Programs, Office for Victims of Crime (OVC)
- Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention (OJJDP)

This document is not to exceed 10 pages double-spaced. **The Tribal and Community Justice Profile is required and must be uploaded directly into JustGrants as an attachment in the Additional Application Components section.**

The Tribal Community and Justice Profile will be rated based on the following criteria:

Budget and Associated Documentation\*\* (15% of application score)**

**Budget Worksheet and Budget Narrative (excel spreadsheet)**

The Budget Worksheet should provide a detailed computation for each budget line item, listing the total cost of each and showing how it was calculated by the applicant. For example, costs for personnel should show the annual salary rate and the percentage of time devoted to the project for each employee paid with grant funds. The Budget Worksheet should present a complete itemization of all proposed costs. There should be a clear link between the activities proposed and the items included in the budget.

The Budget Narrative must clearly describe every category of expense listed in the Budget Worksheet. DOJ expects proposed budgets to be complete, cost-effective, and allowable. The narrative must correspond with the information and figures provided in the Budget Worksheet. The narrative must also explain how all costs were estimated and how they are relevant to the completion of the proposed project. **The Budget Worksheet is required and must be uploaded directly into JustGrants as an attachment.**

## **PA #1 Public Safety and Community Policing (COPS Office)**

### **Budget and Associated Documentation**

#### **Proposal Narrative**

##### **Purpose Area Narrative(s)\*\* (60% of application score):**

Each purpose area has a separate narrative template designed to address its unique focus and requirements. Applicants must submit a **separate narrative for each purpose area** to which they are applying. Through a series of questions, the template for each purpose area covers the following topics:

- Project or program design and implementation
- Capabilities and competencies
- Evaluation efforts to measure impact, outcomes, and performance and data collection

Applicants should ensure the project goals described in their proposals are consistent with each purpose area's goals and activities. The Purpose Area Narrative must be double-spaced and not exceed the 10-15 page limit (review the template section for additional guidance). Purpose Area Narrative templates can be found at <https://www.justice.gov/tribal/open-solicitations>.

**Each electronic file should be saved and uploaded to the application in JustGrants with a title that reflects what it contains as well as the applicant tribe. For example, a file may be saved as "[Tribe]. Purpose Area1 Narrative.doc."**

The Purpose Area Narrative will be rated based on the following criteria:

- The extent to which the application fully responds to the requested information.
- The extent to which the application explains the connection between the purpose area request and the need(s) identified in the Tribal Community and Justice Profile

Applicants will describe activities and funding needs, including strategic planning, hiring, travel, training, and equipment, in one application. Successful applicants may be awarded a Tribal Resources Grant Program–Hiring Grant (TRGP-Hiring), a Tribal Resources Grant Program–Equipment/Training Grant (TRGP-E/T), or both. Hiring Grants and Equipment/Training grants have different requirements and award periods of performance, as described below.

#### **Federal Award Information:**

Maximum award amount: The maximum award amount for FY 2022 awards under Purpose Area 1 is based on the current number of sworn officers in your agency. The COPS Office will use the staffing numbers provided on the demographic questions (budgeted number of sworn officers) to determine the maximum size of the award. The budgeted number is the number of sworn officer positions funded in your agency's budget, including funded but frozen positions, as well as state, BIA, and or locally funded vacancies.

If your agency has:

- Fewer than 10 sworn officers: Maximum amount of \$600,000 (combined TRGP-Hiring and TRGP-E/T)
- 10 to 19 sworn officers: Maximum award amount of \$700,000 (combined TRGP-Hiring and TRGP-E/T)
- 20 or more sworn officers: Maximum award amount of \$900,000 (combined TRGP-Hiring and TRGP-E/T)

**Award Period of Performance:**

TRGP-Hiring grants: 5-year implementation period. TRGP hiring grants cover the entry-level salary and approved benefits of full-time awarded officer positions incurred during the 60 months following the grant award start date, unless an extension for additional time is granted. Each awarded officer must be retained with state or local funds for a minimum of 12 months after federal funding ends.

TRGP Equipment and Training grants, including civilian full-time anti-methamphetamine and or anti-opioid coordinator positions: 3-year (36-month) implementation period.

**Applicants may apply for funding to cover the following costs:**

**Strategic planning:** Strategic planning activities related to community policing

**Hiring:**

In the application and budget, your agency will specify which hiring categories it is requesting funding for: new hire, rehire previously laid off, or rehire scheduled for lay off. If, after receiving the award, your agency needs to change one or more of these categories, your agency must request a post-award modification and must receive prior approval before spending Purpose Area 1 hiring funding. To obtain information on modifying the hiring award, please contact the DOJ Office Response Center at 1-800-421-6770.

Applicants that do not already have an information- gathering system compatible with the Federal Bureau of Investigation (FBI) Uniform Crime Reporting (UCR) System are encouraged to request funds for National Incident-Based Reporting System (NIBRS)/UCR-compliant crime data systems. Applicants may also request hardware and software required to access national criminal justice related databases (e.g., National Crime Information Center).

**Training:** Law enforcement training such as basic training at a state academy or the Indian Police Academy in Artesia, New Mexico, as well as specialized police training, community policing training, crime reporting (e.g., NIBRS) training, and anti-methamphetamine, anti-opioid or human trafficking training.

Applicants must budget for, and if awarded, complete basic law enforcement training for all full-time career law enforcement officers funded by the grant. For Alaska hiring recipients, training such as the Basic Village Police Officer (VPO)/ Tribal Police Officer (TPO) Academy offered by Yuut Elitnaurviat in Bethel, AK is available on a regular basis.

Applicants must budget travel costs, including airfare, lodging, mileage and per diem for training costs associated with a required DOJ-wide CTAS new grantee orientation meeting in Year 1 of the award. For budgeting purposes, please include costs for attendance by two staff members responsible for grant implementation, monitoring, and reporting at this 2-day meeting using Washington, D.C., as the location. Please see the GSA web site for determining allowable per diem travel costs: <https://www.gsa.gov/travel/plan-book/per-diem-rates>.

**Travel:** Airfare, lodging, and mileage reimbursement for meeting or training costs related to Purpose Area 1 activities, including costs associated with any DOJ-required training. Please determine costs based on your agency’s travel policy and in absence of a policy, please follow the GSA website to determine travel costs. See the GSA web site for information on the FY 2022 federal per diem rates that should be used in calculating lodging and per diem costs: <https://www.gsa.gov/portal/category/21287>.

**Overtime:** Overtime for sworn officers engaging in community policing-related activities is an allowable cost; however, any overtime expenses requested for sworn officer positions must be listed in the “Other Costs” section of your application’s budget. Overtime expenses must exceed the expenditures that your agency is obligated or funded to pay in its current budget. Overtime requests are limited as follows:

### **Focus Areas:**

The COPS Office will provide additional consideration to applicants that identify Missing or Murdered Indigenous Persons (MMIP) and or Human Trafficking as a problem or challenge they are addressing in their Purpose Area 1 application. An applicant may request funding for efforts to address human trafficking and/or MMIP prevention or investigation such as training or officer salaries, including officers requested to be part of unresolved (cold) case MMIP task forces or teams.

### **Budget Information**

Purpose Area 1 Demographic Questions (PA 1 applicants only):

The PA 1 Demographic questions are designed to capture the unique characteristics of each tribe in order to paint a more detailed picture of each tribe’s strengths and challenges. Each applicant applying for Purpose Area 1 should answer the questions in its entirety. If the applicant is unable to answer all or part of the form, an explanation for the missing information should be provided in the available space. The demographic questions should be answered within Just Grants.

If you do not see the drop down/category for the required documents, you may upload the required document in the Other Attachments category. DOJ recommends that uploaded files be clearly named to indicate the applicant tribe's name and the file contents to ensure that reviewers can easily locate application documents. For example, a file may be saved as "[Tribe]. Purpose Area1 Narrative.doc".

##### **Proposal Narrative**

**Purpose Area Narrative(s)\*\*** (60% of application score):

Each purpose area has a separate narrative template designed to address its unique focus and requirements. Applicants must submit a separate narrative for each purpose area to which they are applying. Through a series of questions, the template for each purpose area covers the following topics:

- Evaluation efforts to measure impact, outcomes, and performance and data collection
- Capabilities and competencies
- Project or program design and implementation

Applicants should ensure the project goals described in their proposals are consistent with each purpose area's goals and activities. The Purpose Area Narrative must be double-spaced and not exceed the 10-15 page limit (review the template section for additional guidance). Purpose Area Narrative templates can be found at <https://www.justice.gov/tribal/open-solicitations>.

**Each electronic file should be saved and uploaded to the application in JustGrants with a title that reflects what it contains as well as the applicant tribe. For example, a file may be saved as "[Tribe]. Purpose Area2 Narrative.doc."**

The Purpose Area Narrative will be rated based on the following criteria:

- The extent to which the application explains the connection between the purpose area request and the need(s) identified in the Tribal Community and Justice Profile
- The extent to which the application fully responds to the requested information.

The Comprehensive Tribal Justice Systems Strategic Planning Program is supported by the following four DOJ offices: BJA, COPS Office, OJJDP and OVC. The program supports tribes seeking to develop strategic plans. In addition, Purpose Area 2 grantees that submit approved strategic plans will receive priority consideration for CTAS funding to implement their strategic plans in whole or in part in a future fiscal year or years following submission of applications under purpose areas directly connected to the strategic plans (one time per purpose area).

**Applicants may apply for funding to include the following:**

**Strategic planning:** Develop a justice systemwide strategic plan that identifies the priority needs facing the applicant's justice system and outline a detailed, strength-based, victim-centered strategy that includes:

- Law enforcement
- Courts
- Community corrections
- Alternatives to incarceration
- Collaborative strategies to address serious and violent crime
- Strategies to address crime related to substance and alcohol abuse, including opioids and stimulants
- Tribal jails programming
- Crime victims' rights and services for all victims of crime, including services to promote safety for victims of child abuse, domestic violence, dating violence, sexual assault, and stalking  
Addressing juvenile justice needs from prevention through re-entry
- Community resources that support alternatives to incarceration and re-entry into the community following incarceration (i.e., jail, prison, etc.)

**Enhance capacity to collect and analyze data: Build ongoing capacity to better understand and define crime and tribal safety issues.** By accessing accurate and robust data related to the nature and extent of persons who commit criminal offenses and the nature of the offenses, human trafficking, the incidence of domestic violence, victim services, child abuse, and other crime issues (along with other tribal data), applicants can assess risk and distress in tribal nations. In addition, the planning process should build capacity to review data that will track the implementation of the strategic plan and assess its outcomes.

**Personnel:** It is recommended to engage a full- or part-time (approximately 75 percent full-time employee) project manager to facilitate the planning process and work with the Purpose Area 2-identified TTA provider to coordinate daily activities.

**Training and technical assistance:** DOJ will fund a TTA provider at no cost to grantees to assist in the strategic planning process. This includes extensive on-site and office-based support for facilitating the strategic planning process, forming a strategic planning team, conducting a comprehensive needs

assessment, identifying community strengths and resources, defining community challenges, developing strategies to strengthen the applicant's justice system and promote community wellness and safety, and completing the final written strategic plan to be submitted to DOJ. **Costs for outside TTA providers or outside organizations to create a strategic plan for the tribe will not be an allowable expense.**

**Equipment or Supplies:** No equipment should be budgeted for this project. Costs of office equipment, computing devices, or information technology such as computers, fax machines, printers, scanners, and tools to support data collection and analysis should be included in the "Supplies" or "Other" categories. See e.g., 2 CFR 200.1 definitions ("Equipment," "Supplies," "General Purpose Equipment," "Computing Devices," "Information Technology Systems").

**Travel:** Applicants should budget for airfare, lodging, mileage, and per diem associated with regional and national meetings or strategic planning trainings, including costs associated with DOJ-required trainings. Applicants must budget travel costs, including airfare, lodging, mileage and per diem for training costs associated with a required DOJ-wide CTAS new grantee orientation meeting in Year 1 of the award. For budgeting purposes, please include costs for attendance by two staff members designated with grant implementation, monitoring, and reporting at this 2-day meeting using Washington, D.C., as the location. Please see the GSA web site for determining allowable per diem travel costs <https://www.gsa.gov/travel/plan-book/per-diem-rates>.

**Other Costs:** To support the development of the strategic plan, costs related to the printing and distribution of the plan, community outreach, and data collection may be expensed. Funds may not be used for stipends, incentive items, food, or beverages.

**Each electronic file should be saved and uploaded to the application in JustGrants with a title that reflects what it contains as well as the applicant tribe. For example, a file may be saved as "[Tribe]. Purpose Area3 Narrative.doc."**

The Purpose Area Narrative will be rated based on the following criteria:

- The extent to which the application explains the connection between the purpose area request and the need(s) identified in the Tribal Community and Justice Profile
- The extent to which the application fully responds to the requested information.

Applicants may apply for funding to include the following:

**Tribal courts:** Plan new or enhance existing tribal courts. Support staffing of prosecutors, attorneys, advocates, probation and pretrial service officers, tribal court judges and other court staff, and clerical support staff, including indigent defense services. Support an effective response to jurisdictional changes resulting from *McGirt v. Oklahoma* and related decisions. Support activities relating to implementation of the enhanced sentencing authority provisions of the Tribal Law and Order Act, the special domestic violence criminal jurisdiction under the Violence Against Women Reauthorization Act of 2013, or to address crimes related to missing or murdered Indigenous persons.

**Alternative justice courts:** Plan new or enhance existing peacemaking courts, healing to wellness courts, veterans treatment courts, sentencing circles, community courts, and other traditional or alternative justice courts.

**Risk and needs assessment:** Develop and integrate the use of risk and needs assessment tools into the tribal justice system decision making process. To follow up on results, coordinate access to key social services, tracking and case management of services, and ongoing risk assessment reviews.

This includes law enforcement diversion, prosecution diversion, community supervision, mental health services and substance use disorder treatment, electronic alcohol and other monitoring of persons who committed an offense, recovery support services including job training and placement, housing assistance and education, and family, peer, and community supports.

**Prevention:** Protect communities from crime related to alcohol and substance use disorders and production of substances, including opioids, methamphetamine, and prescription drugs. Support culturally relevant and appropriate evidence-based substance abuse prevention programs (see <https://www.samhsa.gov/nrepp>). Enhance security by addressing issues such as lighting, surveillance equipment, and community emergency alert and telephone systems.

**Treatment:** Integrate tribal, federal, state, and local services with culturally appropriate treatment for individuals who are at risk of justice system involvement, diverted from the tribal justice system, or involved in the tribal justice system (including the incarcerated population), as well as re-entering individuals and their families.

**Corrections (institutional and community):** Develop, implement, and enhance programming for tribal members incarcerated in tribal, federal, state, or local correctional facilities or under community supervision to reduce their risks for reoffending and support successful rehabilitation. Programming could include collaborations to address behavioral health needs, effective treatment such as cognitive behavioral therapy, education and vocational services, and other programming that will reduce the risk for recidivism.

**Strategic planning:** Develop Tribal Action Plans (see <https://www.samhsa.gov/tribal-ttac/training-technical-assistance/tap>) for alcohol and substance abuse. Increase coordination with relevant nontribal agencies and organizations, and, among all levels of the tribe, engage in strategic planning efforts to address the needs of the tribe's justice system. Comprehensively address alcohol and substance use disorder-related crime.

**Training:** Budget for registration fees and lodging costs associated with training events related to Purpose Area 3 activities and costs associated with obtaining expert knowledge to assist with the development or enhancement of the program such as culturally appropriate training, technical assistance, treatment, and information technology. In planning their training needs, applicants should note that training will also be offered at no cost to grantees as part of the funded projects.

**Travel:** Applicants should budget for airfare, lodging, mileage and per diem for training costs related to Purpose Area 3 activities, including costs associated with DOJ-required training. Applicants must budget travel costs, including airfare, lodging, mileage, and per diem for training costs associated with a required DOJ-wide CTAS new grantee orientation meeting in Year 1 of the award. **Each electronic file should be saved and uploaded to the application in JustGrants with a title that reflects what it contains as well as the applicant tribe. For example, a file may be saved as "[Tribe]. Purpose Area4 Narrative.doc."**

The Purpose Area Narrative will be rated based on the following criteria:

- The extent to which the application explains the connection between the purpose area request and the need(s) identified in the Tribal Community and Justice Profile
- The extent to which the application fully responds to the requested information.

Applicants may apply for funding to include the following:

**Renovation, expansion, or new prefabricated/permanent modular:** Renovate, expand, or replace existing single jurisdiction or regional tribal justice-related facilities or build new single jurisdiction or regional prefabricated or permanent modular facilities where there are no existing permanent structures available or sufficient to address staff/resident/detainee/inmate safety and security issues; add capacity for recidivism reduction programming; enhance facility service/function capacity; provide capacity, equipment, or infrastructure to support staff training, fitness, and wellness; and/or complement efforts to implement the enhanced authorities and provisions under the Tribal Law and Order Act and the Violence Against Women Reauthorization Act of 2013.

Please note that temporary modular facilities are not allowable under Purpose Area 4. Temporary modular facilities are for short-term needs (e.g., natural disaster relief) and are not recommended for permanent applications.

**Other costs associated with renovation/expansion of a facility or the completion of existing construction projects:** Provide for: infrastructure costs such as roads, sewer and water hook-ups, land preparation, and other costs normally associated with construction site work; items associated with managing the planned construction or renovation process; construction materials necessary to construct or renovate facilities and associated infrastructure; furniture, surveillance cameras, or other items affixed or integral to the facility; staff housing; or other costs associated with the completion of a renovation, expansion, or construction project funded through other confirmed funding sources.

**Specific requirements:**

**Purpose Area 4 Narrative (Operations and Maintenance Assistance):** If applicants are requesting assistance from the Bureau of Indian Affairs (BIA), Indian Health Services, or another agency external to the tribe to meet facility operations and maintenance needs, applicants should describe the existing request(s) for staffing, operations, and maintenance of the proposed renovated or expanded facility. Applicants should also provide the status of these requests. A tribe may submit, by authorizing resolution or other satisfactory evidence of legal authority, a commitment to fund the future staffing, maintenance, and operation of the renovated facilities in lieu of BIA or other agency funding support letters if the tribe chooses to be responsible for this ongoing cost.

**Purpose Area 4 Narrative (Regional Projects):** Applicants interested in pursuing regional projects that involve two or more tribes will be required to submit memorandums of understanding, letters of support, or other documentation that demonstrate the support from the other participating tribes. Requests for funding to support regional projects will not be awarded without supporting documentation.

**Purpose Area 4 Narrative (Project Feasibility):** All applicants requesting funding for renovation or expansion projects will be required to indicate in the program narrative whether the existing building proposed for improvements appears to be a viable structure for renovation and/or expansion with a design developed and approved by a qualified architect/engineer/contractor. If your tribe receives an award, the BJA TJSIP training and technical assistance (TTA) provider will conduct a visual tour and surface inspection of the proposed facility to verify project feasibility. The purpose of this requirement is to ensure that using grant funds to renovate or expand the existing facility is justifiable. Award funds will be placed on hold until the BJA TJSIP TTA provider has completed the project feasibility verification process.

**Purpose Area 4 Narrative (Staffing Levels):** Applicants requesting funds for renovation or expansion of prefabricated or permanent modular projects must specify whether the tribe is going to maintain current staffing levels or require new staff as a result of the facility modification. In the event that additional staff members or other operational and maintenance funding will be needed as a result of the renovation or expansion, applicants must provide a staffing budget for the necessary operational staff and indicate how the new staff members will be funded as part of the facility operational plan. If funding for the new staff members is not in place at the time of application submission, the tribe must provide a tribal resolution or legal equivalent that indicates the source of funding that will be used to support the new staff members and the time frame for when the tribe expects to have funding in place to support the new staff members. In instances where renovation or expansion projects will result in additional bed space for corrections or community-based facilities, applicants must provide data in their applications that clearly substantiate the need for enhanced capacity.

**Purpose Area 4 Narrative (Planning Process):** Applicants must demonstrate that they have completed a planning process that supports the need for renovation or expansion funding under TJSIP. Applicants must certify the extent of planning completed and present all relevant documents related to the completed planning activities with their applications. Applicants that have completed a formal or structured justice system planning process, such as the BJA Planning Alternatives and Correctional Institutions for Indian Country or the National Institute of Corrections Planning of New Institutions process, should attach documentation such as a master plan or needs assessment to receive priority consideration for funding under TJSIP. If applicants are seeking to renovate, expand, or replace, they should describe the development of a plan that explores building options to ensure a cost-effective design and provide the status of any requests to other agencies regarding the staffing, maintenance, and operation of the facilities being planned or renovated.

**Travel Budget Requirement:** Applicants must budget for airfare, lodging, and mileage reimbursement for training costs related to purpose area activities, including costs associated with the DOJ-required training. Applicants must also budget travel costs, including airfare, lodging, mileage, and per diem for training costs associated with a required DOJ-wide CTAS new grantee orientation meeting in Year 1 of the award. For budgeting purposes, please include costs for attendance by two staff members designated with grant implementation, monitoring, and reporting at this 2-day meeting using Washington, D.C., as the location. Please see the GSA website for determining allowable per diem travel costs: <https://www.gsa.gov/travel/plan-book/per-diem-rates>.

**Real Property Requirement:** In accordance with DOJ real property standards (2 C.F.R. §200.311), BJA will continue to monitor facility usage and capacity levels once the grant ends. BJA and OJP retain a financial interest in funding the acquisition or improvement of real property because interest accrues on improvements to land or buildings such as construction or renovation. This extends solely to property use. So that the intent of the funding statute or authority is met throughout the useful life of a facility, even after a grant closes, BJA will require the grantee to submit regular reports on the status of the real property in which OJP/BJA retains an interest. If a grantee ceases to need a grant-funded facility for the originally authorized purpose during its useful life, the grantee is obligated to request property disposition instructions from OJP/BJA, pursuant to 2 C.F.R. §200.311 (c).

**National Environmental Policy Act (NEPA) Budget Allocation:** The National Environmental Policy Act (NEPA) of 1969 (Public Law 90-190; 42 U.S.C. § 4371, et seq.) established a national policy to promote the protection and enhancement of the environment. This policy was in response to growing concerns about the ecological balance and preservation of wildlife in the United States while meeting the demands of a growing population. Any BJA grantee with a project involving construction, expansion, renovation, facility planning, site selection, site preparation, and security or facility upgrades must be in compliance with the NEPA requirements during the initiation of the project as part of its planning, site selection, and site preparation. The BJA grantee must complete the NEPA process prior to actual construction, expansion, renovation, or remodeling (including security upgrades).

A categorical exclusion, a class of actions which either individually or cumulatively would not have a significant effect on the human environment and therefore would not require preparation of an environmental assessment or environmental impact statement under NEPA, may be available for some projects where the NEPA impact is minimal. An environmental assessment (EA) assesses the need for a project or proposed action, alternatives to the project/action, and the environmental impacts of the proposed and alternative project/action. If a grantee is required to conduct an EA, BJA will provide this service free of charge to the grantee. Applicants do not need to allocate funding for this process in their

grant applications. For more information regarding NEPA, please visit <https://bja.ojp.gov/national-environmental-policy-act-nepa-guidance>.

**Project Insurance:** Construction and major renovation projects create unique insurance challenges, and property owners need to understand the obligations and responsibilities they assume when contracting with their preferred builders or contractors. It is best to consult with an experienced independent insurance agent to assess the scope of a construction project and determine which policy is best suited to protect the owner's interests. BJA will require proof of project insurance prior to releasing funds to commence the construction/renovation/expansion project.

**Authorization for Real Property Use:** Applicants must include documentation from the tribe's appropriate tribal governing body authorizing the use of tribal land or facilities for the purpose of renovation, expansion, or replacement. The documentation must specify the proposed facility(s) and/or area of land to be used for the project.

**Permanent Modular Facility Construction Minimum Requirements:** Considering the significant investment in these projects, BJA provides minimum requirements that permanent modular structures must meet to ensure that grantees opt for structurally sound permanent modular structures. Please ensure that your quote/estimate accounts for costs associated with the permanent minimum requirements. For more information on these requirements visit <https://www.justice.gov/tribal/open-solicitations>. In addition, applicants should identify the modular building code and zoning requirements that would apply to the proposed project, including any applicable tribal, local, county, or state requirements, and assure that the building site allows modular construction in accordance with those specific applicable codes and zoning requirements.

**Regional (two or more tribes) Facility Award Amounts:** Regional facility award amounts are based on the population sizes of tribes that will be served as a result of the project. The requirements are as follows: 50–10,000: up to \$2,600,000; 10,001–50,000: up to \$3,900,000; 50,001 or more: up to \$5,200,000. In the project narrative of the application, please provide the population number of the tribal jurisdiction to be served.

**Grant Project Period:** Program planning should include a determination of the period of performance, not to exceed 60 months, necessary to complete the renovation, expansion, or replacement project without a no-cost grant extension.

To build your Purpose Area 4 narrative, use the provided template located at <https://www.justice.gov/tribal/open-solicitations>.

### **Proposal Narrative**

**Purpose Area Narrative(s)\*\*** (60% of application score):

Each purpose area has a separate narrative template designed to address its unique focus and requirements. Applicants must submit **a separate narrative for each purpose area** to which they are applying. Through a series of questions, the template for each purpose area covers the following topics:

- Evaluation efforts to measure impact, outcomes, and performance and data collection
- Capabilities and competencies
- Project or program design and implementation

Applicants should ensure the project goals described in their proposals are consistent with each purpose area’s goals and activities. The Purpose Area Narrative must be double-spaced and not exceed the 10-15 page limit (review the template section for additional guidance). Purpose Area Narrative templates can be found at <https://www.justice.gov/tribal/open-solicitations>.

**Each electronic file should be saved and uploaded to the application in JustGrants with a title that reflects what it contains as well as the applicant tribe. For example, a file may be saved as “[Tribe]. Purpose Area6 Narrative.doc.”**

The Purpose Area Narrative will be rated based on the following criteria:

- The extent to which the application explains the connection between the purpose area request and the need(s) identified in the Tribal Community and Justice Profile
- The extent to which the application fully responds to the requested information.

Applicants may apply for funding to include the following:

**Personnel/Staffing:** Funding may support the salary and fringe benefits for personnel involved in investigation, prosecution, and victim services focused on cases of criminal child abuse and neglect. Staffing may include dedicated prosecutors, law enforcement investigators, child protection services personnel, forensic interviewers, case managers, clinical mental health professionals, pediatric sexual assault nurse examiners (SANEs), and other victim assistance and allied professionals.

**Expanding services:** Funding may support expanding existing victim service programming to provide a more comprehensive array of services to child victims and their families. Funds may also be used to support outreach and education activities that educate the community about child abuse and neglect and how to access the services that are available.

**Travel:** Funding may support airfare, lodging, per diem, and other allowable incidental costs for meetings or trainings related to purpose area activities, including costs associated with travel for at least two appropriate staff to attend DOJ-required trainings (i.e., one CTAS grantee orientation, one OVC mandatory training, and the biennial OVC-sponsored National Indian Nations Conference).

**Training:** Funding may be used for costs associated with developing and conducting local in-service trainings relevant to the investigation and prosecution of criminal child abuse and neglect cases. Funding may also be used to send grant-funded staff—and, upon approval from your OVC grant manager, staff from collaborating partner agencies and organizations—to local, tribal, state, and regional training events that address the handling, investigation, and prosecution of child abuse and neglect cases or address the provision of trauma-informed services to the victims and their families.

### Specific requirements

**Eligibility:** (1) For Purpose Area 6 Children’s Justice Act Partnerships for Indian Communities, federally recognized Indian tribes (as defined in footnote 1) are eligible to apply. Additionally, an organization that is acting as the authorized designee of a federally recognized Indian tribe may apply.

In addition, under this purpose area, FY 2020 and FY 2021 Purpose Area 6 CJA program awardees are not eligible to apply for the FY 2022 Purpose Area 6 CJA program.

**Budget:** The proposed budget should not exceed \$450,000 for a 36-month project period, and must be consistent with activities described in the program narrative.

Travel budget requirement: Applicants must budget travel costs, including airfare, lodging, mileage, and per diem for training costs associated with a required DOJ-wide CTAS new grantee orientation meeting in Year 1 of the award. For budgeting purposes, please include costs for attendance by two staff members designated with grant implementation, monitoring, and reporting at this 2-day meeting using Washington, D.C., as the location. Please see the GSA web site for determining allowable per diem travel costs: <https://www.gsa.gov/travel/plan-book/per-diem-rates>.

Training and Technical Assistance Activities: Upon award, OVC will provide access to free training and technical assistance (TTA) to assist with developing and implementing grant-funded projects. This may include professional development training; specific training for project staff and staff members from collaborating partner agencies and organizations or other experts on how to serve victims of child abuse and neglect; assistance with establishing mechanisms to capture required performance measurement data; development of project deliverables; or other TTA needs that may be identified. OVC expects all awardees to actively participate in activities and services offered through OVC and to use the OVC-designated TTA providers as their primary training and technical assistance resource.

Award Information: OVC expects to make any award under this purpose area in the form of a grant. See the Administrative, National Policy, and Other Legal Requirements section of the [OJP Grant Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants.

OVC expects to make up to 7 awards of up to \$450,000 each. Each award is for a 36-month period of performance, to begin on October 1, 2022, and end on September 30, 2025.

The funds for this program are authorized by the Victims of Crime Act (VOCA) of 1984. VOCA states that the funds are available for award recipients to use during the federal fiscal year that the award was made, plus three additional federal fiscal years (e.g., VOCA funds awarded in FY 2022 are available for use through the end of FY 2025).

#### **Proposal Narrative**

**Purpose Area Narrative(s)\*\* (60% of application score):**

Each purpose area has a separate narrative template designed to address its unique focus and requirements. Applicants must submit a separate narrative for each purpose area to which they are applying. Through a series of questions, the template for each purpose area covers the following topics:

- Evaluation efforts to measure impact, outcomes, and performance and data collection
- Capabilities and competencies
- Project or program design and implementation

The Purpose Area Narrative must be double-spaced and not exceed the 10-15 page limit (review the template section for additional guidance). Purpose Area Narrative templates can be found at <https://www.justice.gov/tribal/open-solicitations>.

**Each electronic file should be saved and uploaded to the application in JustGrants with a title that reflects what it contains as well as the applicant tribe. For example, a file may be saved as “[Tribe]. Purpose Area9 Narrative.doc.”**

The Purpose Area Narrative will be rated based on the following criteria:

- The extent to which the application explains the connection between the purpose area request and the need(s) identified in the Tribal Community and Justice Profile
- The extent to which the application fully responds to the requested information.

OJJDP’s Tribal Youth Program (TYP) seeks to support and enhance tribal efforts to prevent and reduce juvenile delinquency and strengthen a fair and beneficial juvenile justice system response for American Indian and Alaska Native youth. OJJDP understands that tribal nations have widely varying circumstances, strengths, and needs that may challenge their ability to prevent juvenile delinquency or to intervene and treat tribal youth when necessary. The funding in this purpose area enables tribes to develop, expand, or strengthen approaches along the juvenile justice continuum that can range from prevention to intervention and treatment. This program helps tribes develop effective and equitable juvenile justice systems that create safer communities and empower youth to lead productive lives.

OJJDP recommends applicants ensure proposals for TYP funding are created with broad, tribal-wide planning efforts and with community support, which will be critically important in sustaining efforts beyond the award period. This may include the substantive involvement of key stakeholders such as tribal youth, elders and tribal leaders as well as service providers, law enforcement, child welfare, court and probation officials, and schools, as appropriate and applicable to the proposed program design.

**Note:** The population of youth served under this grant must not include youth who are age 18 or older

Applicants may apply for funding to include the following:

**Staffing:** Salary and fringe benefits for positions to support implementation of the program and other costs for professional support services and for evaluation.

**Equipment and supplies:** Computer hardware and software for internet access and email capability, cell phones, telephones, printers, and copiers as needed for program implementation; general office supplies, postage, and other necessary program and outreach supplies.

**Travel:** Airfare, lodging, and mileage reimbursement for meeting or training costs related to program activities, including costs associated with DOJ-required training (see “Specific requirements” in the following section).

**Programs and Services:** Prevention and intervention programs, services, and strategies that support youth, families, and the tribal juvenile justice system.

## **Specific requirements:**

**Important note:** Please review eligibility requirements above for Category 1 (planning grants) Category 2 (developing a new tribal youth program) or Category 3 (enhance or expand an existing tribal youth program) carefully to ensure that you meet the eligibility criteria.

**Technical assistance:** A training and technical assistance (TTA) provider has already been identified by OJJDP to support Purpose Area 9 grantees at no cost to the grantees. Applicants should not include requests for funding to support onsite training consultants as this will be managed by the existing TTA provider.

**Travel:** Applicants must budget travel costs for attendance at the following Purpose Area 9-specific trainings:

Two Purpose Area 9-specific training events for two people for three days (for budgeting purposes, please use Washington, D.C., as the location for these meetings).

**Other:** OJJDP requires all newly awarded grantees to attend a mandatory online orientation meeting via webinar during the first year of the project. OJJDP also requires grantees to attend the biennial tribal youth national conferences that occur during their project period.

In addition, in the first year of the project, OJJDP will provide newly funded grantees intensive training and technical assistance to help them develop a comprehensive strategic plan and the capacity to collect and utilize performance management and program evaluation data.

**Performance measurement:** In addition to collecting the appropriate project-specific data, grantees will be required to submit data to OJJDP for performance measurement. See the following links for more information:

### **Disclosure of Process Related to Executive Compensation**

If applicable, applicants will submit a description of the process used to determine compensation by uploading the document and an attachment in JustGrants. See the “Application Attachments” section of the [OJP Grant Application Resource Guide](#) for additional information.

### **Applicant Disclosure of High Risk Status for any Applicant Requesting Funding under CTAS:**

If applicable, applicants will submit their status as an attachment in JustGrants. See the [OJP Grant Application Resource Guide](#) for additional information. A DOJ High Risk Grantee is a recipient that has received a DOJ High Risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, or noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible.

### **Applicant Disclosure of Pending Applications and Active Awards:**

Applicants are required to disclose whether they have pending applications for federally funded grants or subgrants (including cooperative agreements) or active awards that include continuation funding to support the same project being proposed under this solicitation and to cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation. The disclosure should include both direct applications/awards for federal funding (e.g., applications to federal agencies) and indirect applications/awards for such funding (e.g., applications to state agencies that will subgrant federal funds).

DOJ seeks this information to help avoid any inappropriate duplication of funding. Leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate duplication.

Applicants will complete the JustGrants web-based Applicant Disclosure of Pending Applications form. See the [OJP Grant Application Resource Guide](#) for additional information.

### **Template:**

If an application fails to comply with the length-related guidance stated for the Tribal Community and Justice Profile and the Purpose Area Narrative(s), this noncompliance may be considered in peer review and final award decisions.

DOJ recommends that uploaded files be clearly named to indicate the applicant tribe's name and the file contents to ensure that reviewers can easily locate application documents. For example, a file may be saved as "[Tribe]. Purpose Area1 Narrative.doc".

All other attachments—such as letters of support, résumés, and job descriptions for unfilled positions—should use descriptive file names and should identify the specific purpose area in the attachment(s)

The applicant may enter as much or as little text as needed for each question in the Purpose Area Narrative template as long as the total length of the entire Purpose Area Narrative does not exceed the limit for each purpose area. (See each Purpose Area Narrative template for specific limits.)

Applicants must double space and use a 12-point font size. (See Purpose Area Narrative templates for additional guidance.)

For all supporting documents pertaining to the Coordinated Tribal Assistance Solicitation, visit <https://www.justice.gov/tribal/open-solicitations>.

### **Tribal Authorizing Resolution**

Tribal Authority to Apply for Grants under CTAS:

For FY 2022 CTAS, only tribal consortia applying on behalf of multiple tribes or designees applying on behalf of a tribe, where allowable, will be asked to submit documentation reflective of their legal authority to apply for funds under CTAS on behalf of the designating tribe(s).

Regarding a **tribal consortium** application, the applicant must submit documentation that the consortium has the authority to apply, as described above, on behalf of each tribal consortium member, unless existing consortium bylaws or other tribal governance documents allow action without explicit authorization from the member tribes in the consortium. In that case, a copy of the bylaws or other governance documents that allow the tribal consortium's action without explicit support from all consortium members must be included with the application. **This documentation must be current, must be sufficient to demonstrate authority for the application, must contain authorized signature(s), and must be submitted by the application deadline, March 15, 2022.**

If the applicant is a **tribal designee**, it is eligible to apply only under Purpose Area 6 OVC Children's Justice Act Partnerships for Indian Communities. For this purpose area, the applicant will need a tribal resolution or other satisfactory evidence of legal authority from the tribe as part of the application, which must (1) authorize the applicant to submit an application on behalf of the federally recognized Indian tribe and (2) state the tribe's support for the project and its commitment to participate in the project if it is selected for funding. **This resolution or other satisfactory evidence of legal authority must be current, must be sufficient to demonstrate authority for the application, must contain authorized signature(s), and must be submitted by the application deadline, March 15, 2022.**

## **Timeline Form**

### **Application Timeline(s) (5% of application score)**

The applicant is encouraged to use a single, detailed timeline for all purpose areas under which the applicant is requesting funding. The timeline should include the entire period of the grant activities to include performance goals, project milestones and activities, and completion dates. It should assign responsibility and expected completion of each task by year and then by month or quarter for the duration of the award. Use "Year 1," "Month 1," "Quarter 1," etc., not calendar dates. Grantees will be expected to update their timeline when changes occur throughout the life of the award(s). The timeline template is located at <https://www.justice.gov/tribal/open-solicitations>. **Please attach the timeline as an attachment under the Additional Application Components Section.**

The Project/Program Timeline submission will be rated on the following criteria:

- How well the proposed goals, objectives, and activities clearly tie into the program or project design and support a feasible approach
- The extent to which the timeline is complete and all activities can be reasonably completed within the award period and with the resources allocated

## **Disclosure And Assurance**

### **Disclosure Of Lobbying Activities**

Applicants that request more than \$100,000 under any CTAS purpose area are required to complete and submit Form SF-LLL (Disclosure of Lobbying Activities) with their FY 2022 CTAS applications. Access to funds may be withheld if this form is not submitted.

Applicants will complete and submit the SF-LLL in Grants.gov. See the [OJP Grant Application Resource Guide](#) for additional information. An applicant that does not expend any funds for lobbying activities is to enter "N/A" in the text boxes for item 10 ("a. Name and Address of Lobbying Registrant" and "b. Individuals Performing Services").

Consistent with 31 U.S.C. 1352 (and 28 C.F.R. part 69), applicant "Indian tribes" and "tribal organizations" generally are not required to submit Form SF-LLL. (See 31 U.S.C. 1352(g).) "Indian tribes" and "tribal organizations," as 31 U.S.C. 1352 defines those terms, still must obtain any required lobbying disclosure forms and certifications from a subrecipient (at any tier) or contractor (and subcontractor(s)) receiving more than \$100,000 in DOJ award funds that is not an "Indian tribe" or "tribal organization." A CTAS grantee must forward to the DOJ awarding agency any subrecipient, contractor, or subcontractor lobbying disclosure form it is required—by law under 31 U.S.C. 1352—to obtain.

See the DOJ Grants Financial Guide for information on lobbying restrictions, and on lobbying restriction and certification requirements.

Access the form (SF-LLL) at <http://www.ojp.gov/funding/Apply/Resources/Disclosure.pdf>.

## Certified Standard Assurance

### Certs Regarding Lobbying

Must be accepted in JustGrants.

### How to Apply

Submit an application by following the two-step process below.

**Step 1:** Applicants will submit an **SF-424** and an **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html>. To register in Grants.gov, applicants will need to obtain a Data Universal Numbering System (DUNS) at <https://www.dnb.com/duns-number.html> and System for Award Management (SAM) registration or renewal.

**Step 2:** Applicants will submit the full application, including attachments, in JustGrants at <https://justicegrants.usdoj.gov>.

To be considered timely, an application must be submitted by the application deadline using JustGrants, and the applicant must have received a validation message from Grants.gov that indicates successful and timely submission. DOJ encourages applicants to submit applications at least 72 hours prior to the application due date to allow time for the applicant to receive validation messages or rejection notifications from Grants.gov, and to correct in a timely fashion any problems that may have caused a rejection notification.

DOJ encourages applicants to review the “How To Apply” section in the [OJP Grant Application Resource Guide](#).

DOJ may not make a federal award to an applicant until the applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time the federal awarding agency is ready to make a federal award, the federal awarding agency may determine that the applicant is not qualified to receive a federal award and use that determination as a basis for making a federal award to another applicant.

### Submission Dates and Time

Application submission deadline:

- Applications will be submitted in Grants.gov by March 10, 2022 at 8:59 pm EST. OJP urges applicants to submit applications at least 72 hours prior to the application due date to allow time for the applicant to receive validation messages or rejection notifications from Grants.gov and to correct in a timely fashion any problems that may have caused a rejection notification.
- The full application will be submitted in JustGrants by March 15, 2022 at 8:59 pm EST.
- For applicants without internet access only: Contact the Response Center at 800-421-6770 no later than February 26, 2022, to discuss how to submit an application by alternative means.

## Late Submissions:

DOJ offers a process for CTAS applicants to provide advance notice to DOJ if submission of their application will be delayed due to unforeseen Grants.gov or JustGrants technical issues. **Applicants must provide notice via email or phone prior to the close of the solicitation. If applicants do not provide advance notice to DOJ about an issue that may cause a delay in the submission of the application, then the application will not be considered for funding.** If applicants follow the steps outlined below, late submission may be considered. An extension of deadlines is not guaranteed.

If you experience unforeseen Grants.gov or JustGrants technical issues beyond your control which prevent you from submitting your application by the deadline, **please immediately contact the JustGrants service desk** (email [JustGrants.Support@usdoj.gov](mailto:JustGrants.Support@usdoj.gov) or call 833-872-5175) to **create a record of the issue before 8:59 p.m. ET.** You must also contact the Response Center (800-421-6770) **before the solicitation closes at 8:59 p.m. and email the CTAS excel budget worksheet/budget narrative, tribal justice and community profile document, the timeline document, and the applicable Purpose Area(s) narrative document(s) to [tribalgrants@usdoj.gov](mailto:tribalgrants@usdoj.gov) by the 8:59 p.m. ET deadline.** Your email to the Response Center should include, your DUNS number and a JustGrants service desk ticket number(s). After DOJ reviews all of the information submitted as well as contacting the Grants.gov or JustGrants service desk to validate the technical issues you reported, DOJ will contact you to either approve or deny your emailed application. If the technical issues you reported cannot be validated, your application will be rejected. Any requests to submit applications due to technical issues after the 8:59 p.m. deadline will be rejected as untimely.

**Note: DOJ does not automatically approve requests to submit a late application.** After DOJ reviews the applicant's request and contacts the Grants.gov or JustGrants service desk to verify the reported technical issues, DOJ will inform the applicant whether the request to submit a late application has been approved or denied. If DOJ determines that the untimely application submission was due to the applicant's failure to follow all required procedures, DOJ will deny the applicant's request to submit its application.

The following conditions generally are insufficient to justify late submissions:

- Inability to register in SAM, Grants.gov, or JustGrants in sufficient time (SAM registration and renewal can take as long as 10 business days to complete.)
- Inability to follow Grants.gov or JustGrants instructions on how to register and apply.
- Inability to follow each instruction in the DOJ solicitation.
- Technical issues with the applicant's computer or information technology environment such as issues with firewalls.

## Extraordinary natural or manmade disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to 7 calendar days late by sending an email to [tribalgrants@usdoj.gov](mailto:tribalgrants@usdoj.gov). The message should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time. The email message must be sent by the 8:59 p.m. ET deadline or as soon as possible given the specific emergency.

## **Application Review Information**

### **Review Criteria**

Applications will be scored as follows (see the “What an Application Should Include” section and the application checklist for complete application contents, including items that are not scored):

- a. Tribal Community and Justice Profile (20% of application score) \*\*
- b. Purpose Area Narrative for each purpose area for which the applicant is applying (60% of application score) \*\*
- c. Budget Detail Worksheet and Narrative (15% of application score) \*\*
- d. Application Timeline (5% of application score)

Items noted by \*\* (double asterisks) MUST be included in the application submission in order for it to meet the minimum requirements to advance to peer review and receive consideration for funding. An application that does not include the attachments noted by \*\* at the time of application will neither be peer reviewed, nor will the application receive further consideration.

### **Review and Selection Process**

DOJ is committed to ensuring a fair and open process for making awards. Peer reviewers will be reviewing the applications submitted under this solicitation that meet eligibility and minimum requirements. Each relevant DOJ component may use either internal peer reviewers, external peer reviewers, or a combination to review the applications under this solicitation. An external peer reviewer is an expert in the field of the subject matter of a given grant program who is not a current federal employee. An internal reviewer is a current federal employee who is well versed or has expertise in the subject matter of the particular grant program. Applications that meet eligibility and minimum requirements will be evaluated, scored, and rated by peer reviewers. Peer reviewers’ ratings and any resulting recommendations are advisory only, although their views are considered carefully.

Prior to award, applications for potential awards will receive a financial integrity review to evaluate the fiscal integrity and financial capability of applicants and to examine proposed costs and the extent to which the Budget Worksheet and Narrative accurately support and explain project costs. This review also will assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be either conducted by DOJ officials in consultation with the applicable DOJ component or directly conducted by the DOJ component’s staff. DOJ will also take into consideration the total amount of funding requested and the capacity of the tribe to manage the funds.

In addition, prior to making an award greater than the simplified acquisition threshold (currently set at \$250,000), any information about applicants that is in the designated integrity and performance system accessible through the System for Award Management (SAM) will be reviewed and considered. An applicant may review and comment on any information about the applicant in SAM that a federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered.

Past performance with DOJ grant funding will be considered in this review process. Past performance review may include a reduction in score for prior poor performance. Factors that may be included in the past performance review are whether progress reports demonstrate effectiveness of the project, whether past activities of the applicant have been limited to program purpose areas, and the extent to

which the applicant has adhered to all special conditions in the prior awards. In addition, the extent to which the applicant has complied with programmatic and financial reporting requirements, the extent to which the applicant has completed closeout of prior awards in a timely manner, whether the applicant has received financial clearances in a timely manner, whether the applicant has resolved any issues identified in an audit or onsite monitoring visit in a timely manner, whether the applicant has adhered to single audit requirements, and the extent to which the applicant has spent prior grant funds in a timely manner will be examined.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the head of the DOJ awarding agency (i.e., by the head of OJP or COPS Office, as applicable), who may also give consideration to factors including applicants' prior completion of a strategic plan under a Purpose Area 2 award, prior funding history, current award balances, underserved populations, population served, geographic diversity, strategic priorities (such as expanded jurisdictional responsibilities in Oklahoma and rural areas including Alaska), past programmatic performance, **significant concerns of DOJ components regarding ability of the applicant to administer federal funds**, and available funding when making awards.

The Department of Justice is committed to advancing work that promotes civil rights, increases access to justice, supports crime victims, protects the public from crime and evolving threats, and builds trust between law enforcement and the community. For all FY 2022 solicitations, applicants should consider these priorities and address them within their applications as applicable.

## **Federal Award Administration Information**

### **Federal Award Notices**

CTAS award notifications will be sent from JustGrants. Recipients will complete the entire process of reviewing and accepting the award within JustGrants. All of the Award Package information is available on one screen, along with a Work Queue that calls out awards requiring response. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; assign a Financial Manager, a Grant Award Administrator, and an Authorized Representative(s) for each award; and review and accept the award.

DOJ may elect to fund applications submitted under this FY 2022 solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and on the availability of appropriations

### **Administrative, National Policy, and Other Legal Requirements**

If selected for funding, in addition to implementing the funded project consistent with the agency-approved project proposal and budget, the recipient must comply with award terms and conditions and other legal requirements, including DOJ regulations or other federal laws that will be incorporated into the award by reference or are otherwise applicable to the award. DOJ strongly encourages prospective applicants to review the information pertaining to these requirements prior to submitting an application. More information about these requirements can be found at the [OJP Grant Application Resource Guide](#), and for the COPS Office, visit <https://cops.usdoj.gov/grants>.

Please note in particular the following two documents that applicants will accept in JustGrants at the time of application. Each details the legal requirements for which applicants must provide specific assurances and certifications of compliance. Applicants may find these documents at <https://www.justice.gov/tribal/open-solicitations>.

- Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements (<https://www.justice.gov/tribal/open-solicitations>)
- Standard Assurances (<https://www.justice.gov/tribal/open-solicitations>)

Upon award approval, DOJ will electronically transmit the award document to the prospective award recipient. In addition to other award information, the award document contains award terms and conditions that specify national policy requirements with which recipients of federal funding must comply; uniform administrative requirements, cost principles, and audit requirements; and program-specific terms and conditions that are based on the applicable program (statutory) authority or requirements set forth in DOJ solicitations and program announcements, and other requirements which may be attached to appropriated funding. For example, certain projects may call for special requirements, terms, or conditions relating to intellectual property; data or information sharing or access; information security or audit requirements, expenditures, and milestones; or publications or press releases. DOJ also may place additional terms and conditions on an award based on its risk assessment of the applicant or for other reasons it determines necessary to fulfill the goals and objectives of the program.

DOJ expects that all (or virtually all) DOJ awards made in FY 2022 will also include the text of certain other conditions, such as administrative conditions, as outlined in the “[Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2021 Awards](#).” For applicants applying to Purpose Area 1 (COPS Office), please see the FY 2022 COPS Tribal Resources Grant Program (TRGP) TRGP Hire and TRGP Equipment/Training Award Terms, Conditions, and Additional Requirements at <https://cops.usdoj.gov/grants>

As stated earlier, DOJ anticipates that it may make some awards from this solicitation in the form of cooperative agreements. Cooperative agreement awards include standard “federal involvement” conditions that describe the general allocation of responsibility for execution of the funded program. Generally stated, under cooperative agreement awards, responsibility for the day-to-day conduct of the funded project rests with the recipient in implementing the funded and approved proposal, budget, and the award terms and conditions. Responsibility for oversight and redirection of the project, if necessary, rests with DOJ.

In addition to any “federal involvement” condition(s), DOJ cooperative agreement awards include a condition specifying certain reporting requirements in connection with conferences, meetings, retreats, seminars, symposium, training activities, or similar events funded under the award, consistent with DOJ policy and guidance on conference approval, planning, and reporting.

### **General Information about Post-Federal Award Reporting Requirements**

In addition to the deliverables described in the Program Description section, any recipient of an award under this solicitation will be required to submit certain reports and data.

Required reports. Recipients typically must submit quarterly financial reports, periodic (either quarterly, annual or semi-annual, depending on the purpose area), performance reports, final financial and progress reports, and, if applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions. Future awards and fund drawdowns may be withheld if reports are delinquent. (In appropriate cases, OJP may require additional reports.)

See the [OJP Grant Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measures data.
