Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2020 Local Solicitation CFDA #16.738

A. Program Description

Overview

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program is the primary provider of federal criminal justice funding to states and units of local government. BJA will award JAG Program funds to eligible units of local government as described in this FY 2020 JAG Program Local Solicitation (BJA will issue a separate solicitation for states).

Statutory Authority:

The JAG Program is authorized by Title I of Pub. L. No. 90-351 (generally codified at 34 U.S.C. 10151-10726), including subpart 1 of part E (codified at 34 U.S.C. 10151 - 10158); see also 28 U.S.C. 530C(a).

Program-specific Information

Permissible uses of JAG Funds

In general, JAG funds awarded to a unit of local government under this FY 2020 solicitation may be used to provide additional personnel, equipment, supplies, contractual support, training, technical assistance, and information systems for **criminal justice**, including any one or more of the following:

- Law enforcement programs
- Prosecution and court programs
- Prevention and education programs
- Corrections and community corrections programs
- Drug treatment and enforcement programs
- Planning, evaluation, and technology improvement programs
- Crime victim and witness programs (other than compensation)
- Mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams

Additionally, JAG funds awarded to a unit of local government under this FY 2020 solicitation may be used to enforce state and local laws that establish offenses similar to offenses established in 21 U.S.C. § 801 *et seq.* and/or to improve the functioning of the **criminal justice** system, with emphasis on violent crime and serious offenders, by providing additional personnel, equipment, training, technical assistance, and information systems for the more widespread apprehension, prosecution, adjudication, detention, and rehabilitation of persons who violate these laws and to assist the victims of such crimes (other than compensation). Additional details can be found on the [JAG Resource Page](#).

Note that the statute defines “criminal justice” as “activities pertaining to crime prevention, control, or reduction, or the enforcement of the criminal law, including, but not limited to, police efforts to prevent, control, or reduce crime or to apprehend criminals, including juveniles, activities of courts having criminal jurisdiction, and related agencies (including but not limited to prosecutorial and defender services, juvenile delinquency agencies and pretrial service or release agencies), activities of corrections, probation, or parole authorities and related agencies assisting in the rehabilitation, supervision, and care of criminal offenders, and programs relating to the prevention, control, or reduction of narcotic addiction and juvenile delinquency.”

BJA Areas of Emphasis

BJA recognizes that many state and local criminal justice systems currently face challenging fiscal environments and that an important, cost-effective way to relieve those pressures is to share or leverage resources through cooperation among federal, state, and local law enforcement. BJA intends to focus much of its work on addressing violent crime, enforcing firearms laws, officer safety and wellness, safe policing for safe communities, and fentanyl detection. BJA encourages each recipient of a FY 2020 JAG award to join federal law enforcement agencies across the board in addressing these challenges. Additional details on the BJA areas of emphasis can be found on the [JAG Resource Page](#).

Limitations on the Use of JAG Funds

Prohibited uses of funds – JAG funds may not be used (whether directly or indirectly) for any purpose prohibited by federal statute or regulation, including those purposes specifically prohibited by the JAG Program statute as set out in [34 U.S.C. § 10152](#).

JAG funds may not be used (directly or indirectly) for security enhancements or equipment for nongovernmental entities not engaged in criminal justice or public safety. Additionally, JAG funds may not be used (directly or indirectly) to pay for any of the following items unless the BJA Director certifies that extraordinary and exigent circumstances exist making them essential to the maintenance of public safety and good order:

- Vehicles, vessels, or aircraft*
- Luxury items
- Real estate
- Construction projects (other than penal or correctional institutions)
- Any similar matters

*Police cruisers, police boats, and police helicopters are allowable vehicles under JAG and do not require BJA certification.

For a list of prohibited expenditures under JAG and information about requesting BJA certification for a prohibited item (including unmanned aircraft, unmanned aerial vehicles, and/or unmanned aerial systems purchases) or for examples of allowable vehicles that do not require BJA certification, refer to the JAG Prohibited Guidance section of the [JAG Resource Page](#) or the [JAG FAQs](#).

Cap on use of JAG award funds for administrative costs – Up to 10 percent of a JAG award, including up to 10 percent of any earned interest, may be used for costs associated with administering the award, which can include indirect costs.

Prohibition of supplanting; prohibition on use of JAG funds as match – JAG funds may not be used to supplant state or local funds but must be used to increase the amounts of such funds that would, in the absence of federal funds, be made available. See the [JAG FAQs](#) for examples of supplanting.

Although supplanting is prohibited, the leveraging of federal funding is encouraged.

Absent specific federal statutory authority to do so, JAG award funds may not be used as a match for other federal awards.

Other restrictions on use of JAG funds that require compliance, certification, and/or prior approval – If a unit of local government chooses to use its FY 2020 JAG funds for particular, defined types of expenditures, it must satisfy certain preconditions. Examples of items that require compliance, certification, and/or prior approval by BJA before purchase include: body-worn cameras, body armor, interoperable communications, DNA testing of evidentiary materials, uploading DNA profiles to a database, and entry of records into state repositories. Additional information, including the process to obtain prior approval and as well as a body armor and/or body-worn camera certification form, can be found on the [JAG Resource Page](#).

Allocation determination and Units of Local Government requirements regarding use of JAG funds

Eligible allocations under JAG are posted annually on the [JAG web page](#). Award allocations are determined by a four-step statutory formula. Additional information can be found on the [JAG Resource Page](#) or the [JAG Technical Report](#).

According to the JAG program statute, a “disparity” may exist between the funding eligibility of a county and its associated municipalities. See 34 U.S.C. § 10156(d)(4). Units of local government identified by BJA as disparate must select a fiscal agent that will submit a joint application for the allocation to include all disparate municipalities. A memorandum of understanding (MOU) that identifies which jurisdiction will serve as the applicant or fiscal agent for joint funds must be completed and signed by the authorized representative for each participating jurisdiction. Once an award is made, the fiscal agent will be responsible for distributing award funds to the other jurisdictions in the disparate group through subawards that include all appropriate award conditions. To verify eligibility on the [JAG web page](#), an applicant should click on its respective state and note the following regarding the state’s allocation table:

- (1) Disparate units of local government are listed in shaded groups, in alphabetic order by county. Units of local government identified as disparate must select one unit of local government to submit an application on behalf of the disparate group.
- (2) Counties that have an asterisk (*) under the “Direct Allocation” column did not submit the level of violent crime data to qualify for a direct award from BJA, but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and must be a signatory on the required MOU; and
- (3) Direct allocations are listed alphabetically below the shaded, disparate groupings.

Please note that disparate jurisdictions do not need to abide by the listed individual allocations, which are provided for information only. Jurisdictions in a funding disparity are

responsible for determining individual amounts within the Eligible Joint Allocation and for documenting individual allocations in the MOU.

A unit of local government that applies for and receives a FY 2020 JAG award **must note the following:**

- Trust Fund – Units of local government may draw down JAG funds either in advance or on a reimbursement basis. To draw down in advance, a trust fund must be established in which to deposit the funds. The trust fund **must** be in an interest-bearing account, unless one of the exceptions in 2 C.F.R. § 200.305(b)(8) apply. If subrecipients draw down JAG funds in advance, they also must establish a trust fund in which to deposit the funds. For additional information, see [2 C.F.R. § 200.305](#).
- Certifications and Assurances by the Chief Executive of the Applicant Government (which incorporates the 30-day governing body review requirement) – A JAG application is not complete, and a unit of local government may not access award funds, unless the chief executive of the applicant unit of local government (e.g., the mayor) properly executes, and the submits, the “Certifications and Assurances by the Chief Executive of the Applicant Government.” The most up-to-date version of this certification can be found at <https://bja.ojp.gov/sites/g/files/xyckuh186/files/media/document/fy-20-local-jag-ce-certification.pdf>.

Please note that this certification takes the place of the review narrative attachment and contains assurances that the governing body notification and public comment requirements, which are required under the JAG statute (at 34 U.S.C. § 10153(a)(2)), have been satisfied.

OJP will not deny an application for a FY 2020 award for failure to submit these “Certifications and Assurances by the Chief Executive of the Applicant Government” by the application deadline, but a unit of local government will not be able to access award funds (and its award will include a condition that withholds funds) until it submits these certifications and assurances, properly executed by the chief executive of the unit of local government (e.g., the mayor).

- National Incident-Based Reporting System (NIBRS) 3 Percent Set-aside – In preparation for the FBI’s 2021 NIBRS compliance deadline, BJA requires, through the application of a special condition, JAG award recipients not certified by the FBI as NIBRS compliant to dedicate 3 percent of their JAG award toward achieving full compliance with the FBI’s NIBRS data submission requirements under the Uniform Crime Reporting Program. Additional information can be found on the [JAG Resource Page](#).

Required compliance with applicable federal laws

All applicants should understand that OJP awards, including certifications provided in connection with such awards, are subject to review by DOJ, including by OJP and by the DOJ Office of the Inspector General. Applicants also should understand that a materially false, fictitious, or fraudulent statement (or concealment or omission of a material fact) in a certification submitted to OJP in support of an application may be the subject of criminal prosecution, and also may result in civil penalties and administrative remedies for false claims or otherwise. Administrative remedies that may be available to OJP with respect to a FY 2020

award include suspension or termination of the award, placement on the DOJ high-risk grantee list, disallowance of costs, and suspension or debarment of the recipient.

Objectives

In general, the FY 2020 JAG Program is designed to provide additional personnel, equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice. Although the JAG Program provides assistance directly to states, through pass-through (and similar) requirements, the JAG Program also is designed to assist units of local government with respect to their criminal justice needs.

As discussed in more detail in the [General Information about Post-federal Award Reporting Requirements](#) discussion, a unit of local government that receives a FY 2020 JAG award will be required to produce various types of reports and to submit data related to performance measurement and accountability.

The objectives are directly related to the JAG Program performance measures described at <https://bjapmt.ojp.gov/help/jagdocs.html> and demonstrate the results of the work completed, as discussed under [What an Application Should Include](#).

Evidence-based Programs or Practices

OJP strongly emphasizes the use of data and evidence in policy making and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](#).

A useful matrix of evidence-based policing programs and strategies is available through the BJA-supported [Matrix Demonstration Project](#). It offers a number of program models designed to effectively implement promising and evidence-based strategies through the BJA Innovation Suite of programs, including Innovations in Policing, Prosecution, Supervision, Reentry, and others (see <https://www.bja.gov/Programs/CRPPE/innovationsuite.html>). BJA encourages units of local government to use JAG funds to develop and implement these crime innovation strategies, including effective partnerships with universities and research partners and with nontraditional criminal justice partners.

Information Regarding Potential Evaluation of Programs and Activities

Applicants should note OJP may conduct or support an evaluation of the programs and activities funded under the JAG Program. For additional information, see the [OJP Grant Application Resource Guide](#) section, entitled, “Information Regarding Potential Evaluation of Programs and Activities.”

Please note that the budget narrative should include a full description of all costs, including funds set aside for the NIBRS project(s) and administrative costs (if applicable).

General requirement for federal authorization of any subaward: statutory authorization of subawards under the JAG Program statute.

Generally, a recipient of an OJP award may not make subawards (“subgrants”) unless the recipient has specific federal authorization to do so. Unless an applicable statute or DOJ regulation specifically authorizes (or requires) particular subawards, a recipient must have authorization from OJP before it may make a subaward.

However, JAG subawards that are required or specifically authorized by statute ([see 34 U.S.C. § 10152\(a\) and 34 U.S.C. § 10156](#)) do not require prior approval. This includes subawards made by states and unites of local government under the JAG Program. For additional information regarding subawards and authorizations, please refer to the subaward section in the [OJP Grant Application Resource Guide](#).

5. [Indirect Cost Rate Agreement \(if applicable\)](#)

This rule does not eliminate or alter the JAG-specific restriction in federal law that states charges for administrative costs may not exceed 10 percent of the award amount, regardless of the approved indirect cost rate.

6. [Financial Management and System of Internal Controls Questionnaire \(including applicant disclosure of high risk status\)](#)

7. [Disclosure of Lobbying Activities](#)

8. [Applicant Disclosure of Pending Applications](#)

9. [Applicant Disclosure and Justification – DOJ High Risk Grantees² \(if applicable\)](#)

10. [Research and Evaluation Independence and Integrity](#)

11. [Certifications and Assurances by the Chief Executive of the Applicant Government](#)

A JAG application is not complete, and a unit of local government may not access award funds, unless the chief executive of the applicant unit of local government (e.g., the mayor) properly executes, and then submits, the “Certifications and Assurances by the Chief Executive of the Applicant Government.” The most up-to-date version of this certification can be found at <https://bja.ojp.gov/sites/g/files/xyckuh186/files/media/document/fy-20-local-jag-ce-certification.pdf>.

12. [Information regarding Communication with the Department of Homeland Security \(DHS\) and/or Immigration and Customs Enforcement \(ICE\)](#)

Each applicant must provide responses to the following questions as an attachment to the application:

- (1) Does your jurisdiction have any laws, policies, or practices related to whether, when, or how employees may communicate with DHS or ICE?
- (2) Is your jurisdiction subject to any laws from a superior political entity (e.g., a state law that binds a city) that meet the description in question 1?
- (3) If yes to either:
 - Please provide a copy of each law or policy.
 - Please describe each practice.
 - Please explain how the law, policy, or practice complies with 8 U.S.C. § 1373.

Note: Responses to these questions must be provided by the applicant as part of the application. Further, the requirement to provide this information applies to all tiers of funding

² A “DOJ High Risk Grantee” is a recipient that has received a DOJ High Risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, or noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible.

and for all subawards made to state or local government entities, including public institutions of higher education. All subrecipient responses must be collected and maintained by the direct recipient of funding and must be made available to DOJ upon request. Responses to these questions are not required from subrecipients that are either a tribal government/organization, a nonprofit organization, or a private institution of higher education.

OJP will not deny an application for a FY 2020 award for failure to submit these required responses by the application deadline, but a recipient will not receive award funds (and its award will include a condition that withholds funds) until it submits these responses.

How to Apply

An applicant must submit its application through the [Grants Management System \(GMS\)](#), which provides support for the application, award, and management of awards at OJP. Find information, registration and submission steps on how to apply in GMS in response to this solicitation in the [OJP Grant Application Resource Guide](#).

E. Application Review Information

Review Process

BJA reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. See the [OJP Grant Application Resource Guide](#) for information on the application.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant that has one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider any such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General will make all final award decisions.

F. Federal Award Administration Information

Please see the [OJP Grant Application Resource Guide](#) for information on the following:

[Federal Award Notices](#)

[Administrative, National Policy, and Other Legal Requirements](#)

OJP strongly encourages prospective applicants to review information on post-award legal requirements and common OJP award conditions **prior** to submitting an application. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in [OJP Grant Application Resource Guide](#).

Information Technology (IT) Security Clauses
