

Subject line: Two Weeks Left to Apply for BJA Funding for the FY 2017 Comprehensive Opioid Abuse Programs!

There is still time to apply for the Bureau of Justice Assistance (BJA) fiscal year (FY) 2017 [Comprehensive Opioid Abuse Site-based Program Solicitation](#) and the [Comprehensive Opioid Abuse Program \(COAP\) Training and Technical Assistance \(TTA\) Program Solicitation](#)! Both solicitations will close at 11:59 p.m. ET on April 25, 2017.

BJA's Comprehensive Opioid Abuse Site-based Program supports states, local and tribal governments, and substance abuse treatment providers and nonprofit organizations in developing systemwide initiatives and innovative approaches for promoting substance misuse treatment and recovery support services. The site-based program consists of six categories - Overdose Outreach Projects; Technology-assisted Treatment Projects; System-level Diversion and Alternatives to Incarceration Projects; Statewide Planning, Coordination, and Implementation Projects; Harold Rogers Prescription Drug Monitoring Program (PDMP); and Data-driven Responses to Prescription Drug Misuse.

BJA's COAP TTA Program supports site-based and state initiatives to reduce substance misuse and overdose fatalities and enhances the efforts of PDMPs and their stakeholders. BJA seeks applications from nonprofit and for-profit (commercial) organizations – including tribal nonprofit and for-profit organizations – and institutions of higher education with experience in delivering TTA nationwide in the criminal justice and substance abuse fields.
