

Impact of PREA on Department of Justice Grants for Fiscal Year 2020

In Fiscal Year (FY) 2020 there were two Department of Justice (DOJ) grant programs (or portions thereof) subject to the PREA statutory provision related to the submission of certifications and assurances. They are the Bureau of Justice Assistance's (BJA) Edward Byrne Memorial Justice Assistance Grant (JAG) Program and the Office of Juvenile Justice and Delinquency Prevention's (OJJDP) Formula Grant Program.

The table below provides a state-level¹ summary of funds that were reallocated or reduced under the two grant programs identified above for FY 2020. For more information, refer to the September 16, 2019 Letter to Governors available [here](#).

*Unless otherwise specified, states that submitted an assurance that are coded as "N/A" for the OJJDP formula grant program were in full compliance with the PREA standards insofar as those standards apply to juvenile facilities but were not in full compliance with one or more standards insofar as those standards apply to non-juvenile facilities. Therefore, OJJDP formula funds were not subject to the required set-aside of funds for PREA purposes.

**The state declined to submit an application for the 5% PREA OJJDP formula grant reallocation award; therefore, the 5% PREA set-aside was forfeited.

***The state was ineligible for OJJDP formula funds in FY2020; therefore, the 5% PREA reallocation could not be applied.
