

Language  
Identification  
Guide

# *I speak...*

This language identification guide is a tool for law enforcement and other criminal justice agencies to identify the language of individuals they encounter who do not speak English.

*I speak* is provided as a partnership effort of the Bureau of Justice Assistance and the Ohio Office of Criminal Justice Services.

## *The Purpose of This Language Identification Guide*

As the limited English proficient (LEP) population continues to increase nationwide, the number of LEP defendants, victims, and witnesses processed through the criminal justice system will also increase. This guide can help to obtain interpretive services, which is the first step in working with LEP persons. It is also intended as a resource for the criminal justice community to ensure consistent and effective interaction with LEP persons.
