

The International Justice and Public Safety Information Sharing Network

3rd Annual Implementers Conference

Registration Form

In response to feedback after last year's conference, this year will include two tracks in order to address topics relevant to both technical developers and managers. Current and future NLETS XML and web services initiatives will be discussed and implementers will share their experiences and lessons learned. [Click here for additional information.](#)

I am interested in attending:

- Technical Developers Program
- Technical Managers Program
