Solicitation Overview

• The Tribal Justice System Infrastructure Training and Technical Assistance (TJSI TTA) Initiative is designed to assist tribes with the planning and implementation processes for renovating, expanding, or replacing correctional facilities, multipurpose justice centers, courts, police departments, alternatives to incarceration facilities, transitional living facilities, and domestic violence shelters/programs.

• The TJSI TTA Initiative will assist BJA’s tribal grantees under the Coordinated Tribal Assistance Solicitation (CTAS) Purpose Area 4 (Tribal Justice System Infrastructure Program) in meeting the goals and objectives of their grant-funded infrastructure projects.
Solicitation Overview (Cont.)

• BJA provides funding to federally recognized tribes under the Tribal Justice System Infrastructure Program to address staff/resident/detainee/inmate safety/security issues and add physical infrastructure capacity to bolster justice system services and recidivism reduction efforts.

• In an effort to facilitate implementation efforts, BJA provides TTA for grantees to assist with operational planning tasks related to facility staffing, programming, and other operational needs.

• The goal of the TJSI TTA Initiative is to assist tribes in planning and implementing justice system physical infrastructure to meet their public safety and wellness needs.
Eligibility

• For profit organizations other than small businesses, Native American tribal organizations (other than Federally recognized tribal governments), Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education, Private institutions of higher education, Public and State controlled institutions of higher education, Small businesses.

• BJA will consider applications under which two or more entities would carry out the federal award; however, only one entity may be the applicant. Any others must be proposed as subrecipients (subgrantees).

• Applicants that apply in partnership with other agencies must submit a signed partnership agreement (memorandum of understanding [MOU]/memorandum of agreement [MOA] and a list of additional partners and experts with the application.
Goal and Objective

• Goal: Support tribal efforts to improve or enhance justice system physical infrastructure needs

• Objective: Provide technical support and guidance to BJA’s CTAS Purpose Area 4 grantees to ensure success in planning, implementing, and completing their grant-funded projects in a manner that will best serve the justice needs of their community.
PROJECT SCOPE DISCLAIMER

• The applicant selected for funding under this solicitation will be responsible for assisting tribes with planning, pre-construction, transition, and facility activation efforts only. Technical assistance on project management of DOJ-funded facility renovation, expansion, and permanent modular projects is managed by a separate TA provider.

• The renovation/ construction project management TA provider is responsible for ensuring that facilities are renovated, expanded, or built in a cost-effective manner and completed according to schedule. It is by program design that BJA has two different awardees provide the above services.
Project Deliverables

- Develop and deliver training and technical assistance to CTAS Purpose Area 4 funded tribes that will assist with:
  
  - Assessing the proposed usage of the planned facility for impacts on the tribal justice system.
  - Establishing/enhancing (tribal/non-tribal) multi-agency cooperation and collaborations necessary to plan and implement facilities and maximize the use of resources.
  - Developing plans for staffing, operations, and management of facilities.
  - Assessing needs for programming and other space needs within facilities to accommodate services such as defense counsel and community-based providers to assist with diversion/correctional/reentry/cultural/religious programming.
  - Applying community-based alternatives to help control and prevent jail overcrowding.
  - Developing sustainability plans for the operations and maintenance of justice system facilities.
• Develop and maintain a distance-learning technical assistance capacity to complement classroom training.

• Develop content for BJA’s tribal justice web page to assist tribes with the planning process for renovating, expanding, building, and operating tribal justice facilities.

• Provide assistance to tribes interested in exploring the option of contracting or establishing MOUs with other nearby tribes, state agencies, and/or local entities to address justice system needs.

• Develop and disseminate written materials that support and complement training sessions.
• Provide technical assistance to recipients of FY 2021 and past fiscal year CTAS Purpose Area 4 grants and other tribes (based on resource availability).

• Work with the tribes, U.S. Department of Interior Bureau of Indian Affairs, U.S. Department of Health and Human Services Indian Health Services, Department of Veterans Affairs, Centers for Medicare and Medicaid Services, other federal agencies, and where appropriate, state and local agencies to facilitate planning efforts related to securing operations and maintenance funding and addressing staffing needs.

• Participate in BJA-led Tribal-Federal-State Intergovernmental Collaboration Team in-person meetings (to be determined) and quarterly meetings (by conference call).

• Demonstrate ability to conduct a thorough assessment of project feasibility and preparedness based on the structural integrity of the facility that the tribe proposes to renovate or expand.
Project Deliverables cont’d

• Provide a qualitative review and assessment of the project groundwork immediately post award to identify TTA needs.

• Complete a two-page summary of each completed grant project to capture for DOJ and public audiences what each grantee accomplished with grant funding.

• Participate in BJA-led grant performance reviews that track grantee or program performance along several key indicators.
